SNOW STORM.

By Telegraph to The Times-Visitor, MOUNT WASHINGTON, Sept. 29.of the sensor n Mount Washington occurs d last night. SOLDIERS LEAVING

further evidence that defendant for curved he would sow poison broadcas about capital square if he could not

keep dogs out in no other manner. Evidence will be introduced to show that Dunn the night watchman purchaser in Fayetteville from Sedberry's drug store poison for killing dogs, The plaintiff will be represented by Messrs, MacRae and Day, F. H. Bus-

bee, Esq. and S. G. Ryan, Esq. The defendant has retained J. C. L. Harris, Esq., for his defence. This will no doubt be a most inter-

esting case and is set for trial Friday, September 23d. Summons has been erved on Rev. J. L. Burns yesterday. Below we print a digested statement of the written complaint filed:

In the first part of the complaint Mr. Busbee alleges that on or about the 26th of July, 1898, and for a year prior, he was the owner of a certain valuable white setter dog named "Peterkin." Mr. Rusbee states further that his dog was listed for State and county taxes at the valuation of \$50. and that he also had a license from the city to keep the dog. The character of the dog is establish-

d in section 4. "That said dog was gentle, docile, will behaved and well broken and was in no wise a nuisance. and was worth the sum of \$50.

The complaint then says: "5. That as plaintiff is informed and believes and so alleges the defendant.

the said J. L. Burns, in utter, wanton and reckless disregard of the rights and property of the plaintiff and of the plaintiff's attachment to said dog, did

on 26th day of July, 1898, wantonly, cruelly and brutally, without cause or

and of the week. These conditions have been just what wirs meeded for the "al work of the season, which made rapid progress.

Corn is turning out fairly well, except in a few counties. Much of it is being cut and gathered early to lesson the possibility of injury by weavels Bodder pulling is practically over; the results of this week were better, but thereafter from that lo adoy. any definition of the supply of corn fodder wal by balanced by the large J. R. Rovers, who reports him doing and executent view of measing and usavine hay, of which considerable remains

to be cut. The conditions were favorable for maturing cotton. Picking cotton is the principal work now and the crop is

opening so rapidly that there is a great demand for pickets. The crop is reported as short of what was experied Some prenature opening is still reportd. The boils generally seem to b small and pointed, locks thin and lint short; the top or August crop is small In speciality rayorable localities, how ever, there are some fine holds of cot LOW

Cutting and enring tobacco is practi cally finished in the chief tobacco counass of the State but continues in the west and rug-thwest. Gradier the ma ketaag the crop is proceeding tail ally. Minor crops are victuing west especially permits and rice, though

sweet potables are replated port in same southern counties. Turnals and ioing web. Making sorghum synap soon onts took well.

even more shots were fired by the nerous. Wheth r or not Foust or the addiers had pistols or not is unknown but none of the soldiers had their gun-

with them, and from all reports this was an unprovoked assault by the ne ring. These negroes west on dowr into the locality of the old Fair ground and an accusional shot was heard

Mrs. Aaron Harris died at the home a company. It is impossible to tell how many soldiers will be left here but the number will not, it is thought, of her husband near McCullers' yesterday evening about seven o'clook. Mrs. Harris was an estimable woman and the deepest sympathy is felt for her

bereaved relatives.

TYPHOID FEVER.

Funeral services were conducted this CAMP MEADE, PA., Sept. 20 .- A ty

reason, adminster poison to said dog. wherof said dor shortly thereafter died. The complaint further says in substance that the defendant did on July 26th and at divers times prior and subsequent thereto, wilfully, secretly and wantonly place poisoned food, attractive to dogs, in and about the capital square, the square being unenclosed and open, and its walks used as thoroughfares by all citzens, for the purpose of poisoning dogs, the defendant being careless and indifferent as to

whether any dogs which should find and eat said poisoned food were vicious or dangerous and a public nuisance, or whether they were gentle, docile and well behaved and of pecuniary value and that the defendant in placing polsoned food in the square was utterly. wantonly and brutally disregardless of the lives of any living creatures, human or not, which might chance to find and partake of the poisoned food.

The complaint then says that he is informed and belives that his dog on July 26th, 1898, found the poisoned food and died from eating it.

In section 8 the plaintiff alleges that J. L. Burns, did counsel and procure and command on C. McG. Dunn, night watchman in the square and a servant and employee of Burns, to administer poison to the plaintiff's dog in conse-Honorary members F. I. L.
