A startling incident of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50 cts. a bottle at any drug store.

SOLD FOR CASH OR EASY PAYMENTS.

Thos. H. Briggs & Sons.

Jones' Big Cash Store.

206 and 208 Fayetteville St., Raleigh, N. C.

The only strictly spot cash store in the city, and consequently the cheapest, by all odds.

It's the BIG STORE, with the little prices, indeed and in the truth—it's 35 by 210 feet, running through a solid block—14 departments, and every department filled with the choicest new goods for fall and winter use, and all at lower prices than any other store will dare approach.

The Millinery Department.

The Big Store's Millinery Department is the largest in the entire State, and the handsomest. This department has patrons from all over the State, besides furnishing more than one-half of the entire millinery sold in Raleigh.

This stock is kept up to the very highest style notch at all times—the latest and best is always here at almost the same moment it is shown in New York. The best most expert artists and designers that can be secured are in charge, and yet with all the prices are far lower than any other house in the land can offer. A visit to this department will pay any lady.

Shoe Department.

The Shoe Department has been rearranged and made larger, and with the largest stock we ever had, we feel proud of our Big Shoe Department, and more proud still at the little prices we can offer you. You haven't a shoe want that we can't satisfy—we can save you good money on your winter foot wear. Come in and have a chat about shoes with our shoe man—he knows shoes from A to Z.

Carpet Department.

Very few people know all about carpets—you may know when a carpet is part wool and when not, but can you tell if it is all wool; are you a good judge as to its wearing qualities, can you tell if it will hold its colors or not? &c., &c. Carpets are deceptive like men's hats—we know our carpets because we have sold these same grades and makes for years, and they have never been found wanting—a lady told us the other day she bought the best carpet from us three years ago that she ever saw, and had come back to buy two others. That is the kind of carpets we sell—the came back after more kind—we sell carpets just like we do other things—at prices no other house can duplicate—try us once.

JONES' Big Cash Store.

POINTING THE WAY.

That's the mission of our advertising; the store must do the rest. If we point right, if we are earnest and honest in our public announcements, if our merchandise and methods invite your confidence, then the road, the well beaten track, leading direct to our doors and traversed by hundreds of the buying public hereabouts, will become a familiar road to you. There's economy at the end of it. Money saving satisfaction confronts you at every turn when you cross the threshold at this store.

PRETTY TRIMMED HATS.

Stylish and well made—modest in cost. The Millinery Department have shown and distributed hundreds of hats that have been a revelation to both buyers and sellers of millinery. The hats at \$5 and \$6 are so thoroughly stylish, trimmed in such good taste, and of such excellent materials that the most particular woman might wear them for almost any occasion. This week a fine showing ready. And more millinery news: Velvet Toques, Dress Hat shapes and Walking Hats; neatly trimmed with net and quills—most remarkable value—this week at 75c. \$1 \$1.50 and \$2.00
