CLEAN DEMOCRATIC SWEEP GENERAL ELECTION Governor Russell arrived this morn-

and county resulted in a sweeping Democratic victory. Last night there was great rejoicing in this city. Bond fires burned and men and boys paraded the streets with tin horns, pans, drums and other instruments. With all the rejoicing the best of order prevailed. The Republicans and Populists now concede defeat in the State and county. Wake county has gone Democratic by at least six hundred, and every man on the ticket is of course elected. The official vote for the county will not be

compiled until this evening,
A vote in detail of the county could not be compiled at this hour, but the exact official majority in Wake county will be known this evening. The majority will be from 600 to 700.

This election has been a complete landslide. Returns have been telegraphed from the various counties, and the Democratic candidates for judges have been elected by more than 20,000 certain. Two years ago the fusionists had a majority of between 30,000 and

LEGISLATURE.

Both branches of the State legislature are overwhelmingly Democratic. In the Senate the Democrats have elected 43 Senators out of 50 sure, and may gain 4 others. Indeed, Chairman Simmons remarked that it was hard to find a Republican Senator in the State. Some senatorial districts, as for instance Bertie and Northapmton, which the Democrats did not expect have gone Democratic.

So far as the House of Representatives is concerned the Democrats have certainly elected ninety of the 120 members, and may gain 6 more when the returns are in. The next legislature will be far the ablest ever held in

Hon. Lee S. Overman is already mentioned as Speaker, Hon. Chas. Aycock for the next Governor and Hon. F. M. Simmons to suceed Butler when his term expires.

CONGRESSIONAL DISTRICTS.

The Democrats have elected their candidates for Congress in every district in the State, except possibly two. In the first district when Perquimans gave 300 majority against Harry Skinner the election of Small was assured.

The Second district is in doubt. If the Democrats all voted for Fountain that is, if the Fountain tickets reached them in time, then negro White is beaten. This district is counted doubtful until it can be learned whether Fountain ran even with the Democratic county tickets. Congressman Fowier, Populist, is

badly beaten by Chas. Thomas, Dem. Fowler has a slender majority in only two counties-Sampson and Moore. John W. Atwater is doubless elected to Congress in this district. Jenover a thousand. Atwater carried power in swimming twelve miles an hour.

The election throughout the State | Johnston by 1,600, Wake 390, Franklin and county resulted in a sweeping by about 400, Nash by about 300. Jenkins carried Chatham by 500, Vance by not over 700, Randolph will not go over 100 either way.

> In the fifth district Congressman Kitchen had a walk-over, carrying nearly every county. His majority will be near 2,000.

Bellamy, Dem., has been elected by an immense majority in the sixth district. He carried every county.

Congressman Linney is probably defeated by Lovel, Dem., in the eighth district. His majority of over 3,000 has vanished. Telegram received announces Wilkes has gone Democratic. This should make Linney's defeat a

Crawford, Dem., has defeated Congressman Pearson beyond the shadow of a doubt. Pearson lost in the Republican strongholds.

All the Democratic Solicitors seem to be elected. Mott is the only solicitor who may pull through, and he seems to be defeated.

ELECTION ECHOES.

Chairman Holton had nothing to say about the election this morning, but he virtually concedes the Democrats have carried all.

Dr. Joyful Laughter Ramsey was isked his views. "Well," said the Doctor, in his usual philosophic manner, 'It could be worse."

Col. Logue Harris heard the remark and interposed, "Well, I don't see how, unless it was unanimous."

Auditor Ayer says he had rather it had been unanimous it it was going Democrtic.

Col. Logue Harris' house was serenaded last night. Little Pete Harris made a bright remark yesterday. He said that his father has one office room now and he is running for another office up in the Capital Club building.

Postmaster Bailey called his dog 'Jack" today. The dog didn't notice him, whereupon the master said, "Well, go on off Jack, I suppose you've gone

WHAT THE WEATHER MAN SAYS.

For Raleigh and vicinity rain tonight and Thursday, claring Thursday night, followed by decidedly colder weather. An extensive high area occupies the northwest with a considerable cold wave. The temperature has fallen to only 8 degrees above zero at Bismarck. Brisk, cold northerly winds prevail over the entire Rocky mountain slope.
