

REMARKABLE RESCUE.

Mrs. Michael Curtin, of Plainfield, Ill. makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefitted from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was. Free trial bottles of this Great Discovery at any drug store, large bottles 50 cents and \$1.00.

The Holiday Stock! The Holiday Service! The holiday Display.

The next two weeks will test and prove the preparations of the past six months. We look ahead with confidence.

The Holiday Stock is the largest we have ever prepared, and holds more of novelty and beauty than any collection of merchandise we have ever shown.

The Holiday Store service will be as nearly perfect as care and experience can make it, and the Display will far surpass any of our previous efforts. They will be ready in a few days.

Concerning these displays the question will undoubtedly be asked, as it has been asked before, "Does it Pay?" No, it does not, in the sense in which the question is asked. It is not done for its mercantile return any more than your hand shake to a welcome guest takes the measure of his pocket-book. We cannot greet you personally, so we decorate for all. We "set our house in order" for our guests.

house-wife will not wait until the last moment to buy in her pantry supplies for the holiday's, for two reasons. One is she may not be able to get what she wants at all or have to substitute in its place a cold thing she can get. Second, she may have to pay two prices for something especially wanted or go without. All this unnecessary risk can be AVOIDED NOW if you will give me your orders at once. My stock is the best that I have ever had. The variety of reasonable goods is greater and we know we can suit you if you will let us have orders before the KUSH sets in, as it surely will. We can take orders now, select the goods, box them and deliver at your door at any specified time, or can deliver from day to day on short notice. WE HAVE THE GOODS that will suit the prices are right. If you will give us a chance we will prove what we say and show our appreciation.

Fair Clothes at Fair Prices for This Week.

There will be more of Cross & Linehan's suits worn this fall than any other clothing establishment in the State. The simple reason of this is that we furnish the Best Fit, the Best Finish and the Best Fabric of any other concern in the business.

This Is Not Idle Twaddle. It is a candid, honest, earnest statement of facts—facts based on twenty seasons of the most successful culling of the tailoring world. We know clothes when we see them, and we know just how much money the manufacturer ought to spend to get-up-a \$10 suit or any other suit, and if the maker has not spent that amount in the get-up of the suits offered to us his suits never find their way on our tables.

We are going to sell a thousand suits during this week with Hats, Shoes, Shirts and other furnishings to match if low prices will do it. State agents for Dunlap Hats and headquarter for Stetson Hats.

'Phone us, wire us, write us, or come to see us, but above all don't forget to remember us.

ONE OF THE MANY Testimonials as to the efficacy of SIMPSON'S EGZEMA OINTMENT IN THE TREATMENT OF NASAL CATARRH.

EL DONADO, N. C. June 1, 1898. Mr. Wm. SIMPSON, DEAR SIR:—You know I thought my wife incurable, having suffered long of Catarrh, roaring of the head, and bronchial trouble. I tried several physicians with little or no benefit, but since using your Catarrh Remedy she is almost entirely well. I can safely say that it is the best remedy for Catarrh and other diseases of like nature known to me, and I wish every sufferer of our troubles knew of its efficacy. I shall not fail to keep it in my house Respectfully. A. M. PAGE

If you have a horse-shoe over your door, and it doesn't fall on your head you're lucky.—Jones.

Three Moves are Equal to a Fire.

You've heard that all your life, and when you come to think about about it, it is a big thing to move a big stock of goods. But if any one lives who has never moved—they are lucky—or may be not. We are moving pretty rapidly just now—that is the goods are, and if you've been in this week you don't wonder at it. Such prices, would move a mountain. We've a mountain to move, and not long to do it. But we are not losing much sleep about it, You can't down a working man.

The picture show again this evening at 8 o'clock. Store open every evening until Christmas.
