OXCHIER VO

THE LEOPARD AND THE PAN.

If pully is Dency advancing in naval promotion. By the retirement of Rear Admiral Bance he becomes the ranking Rear Admiral of the United States navy, and upon the reassembling of Congress there is little, if any, doubt that he will be made a full Admiral by the ere don of that office. This should What might have happened nex ? Who be done and further provision should be made that he should hold the position without age limitation.

The rumor that an organized mobfrom Johnston county would come to Raleigh to lynch the negro murderer Smith, caused precautionary steps to he taken by Sheriff Page. The jul here is not an easy one to make entrance into and being so centrally located would be hard to reach by any organized mob without the gathering of sufficient number of law-abiding citizens to at once stop any violence.

General Merritt thinks the Filipinos a very supperior race to the Cubaus, and so does Admiral Dewey. He says they are great imitators, quick to learn, and under the inspiration of good example they will develop along natural and wise lines. But that even this will require another generation to come on the tin, Warrenton, North Carolina. field of action before they will be able to participate wisely in the responsibilities of government.

One day a worthy Kulu housewife ame out from her cooking, and, standing on the ledge of a rock at her door emptied a part of boiling water into the ank herbage growing below. It fell splash, on the back of a sleeping leop ard, who jumped perpendicularly into the air as high as the roof of the hut can say? But the astonished woman dropped the p.n with a clang upon the rock, and the leopard took one leap down hill. The pan followed, and the leopard's downward leaps became longer and swifter as the pan bounded after it from rock to rock.

achieved a leap of about 350 feet to the very bottom of the ravine, thousands of feet below, and the pan had whirled about 500 feet "er it on to the oppo site side. The leopard would have eaten the old wom n with pleasure; but a pan which first scalded half the hide off him and then bounded clanging in his wake from the top of the Himalayas to the plains below was something which he could not face .- Good Words.

JUST WHAT SHE NEEDED.

"My appetite was very poor and I was so nervous I could not sleep. I was troubled with dyspepsia and was very weak. After I had taken a few bottles of Hood's Sarsaparilla I could eat any EL DORADO, N. C. June 1, 1898. MR. WM. SIMPSON, DEAR SIR:—You know I thought my wife incurable, having suffered long of Cataarh, loaring of the head, and bronchial trouble. I tried sev-eral physicians with little or no benefit, but since using your Catarrh Remedy she is almost entirely well. I can safely say that it is the best remedy for Catarrh and other diseases of like nature known to me, and I wish every sufferer of such troubles knew of its efficacy. I shall not fail to keep it in my house. Respectfully thing I wished, could sleep well, and was much stronger." Mrs. John J. Mar-
