A Tumor Formed Finally It Broke Inwardly and Discharged

Trouble Began With Dyspepsia and Impure Blood

Thorough Course of Hood's Sarsaparilla Completely Cures.

There is danger in impure blood. Disease and suffering are surely coming to those who neglect this threatening symptom. Read this:

"Gilliam, Missouri.

"C. I. Hood Co., Lowell, Mass.: "Gentlemen:- My troubles began with nervous headaches, which would last me for two or three days. The doctors pronounced my trouble dyspepsia, but they could not do anything for me, and advised a change of location. At the age of 55 a tumor formed on my spine, which Was Very Painful

but did not rise or discharge. The doctor thought best to cut it out, but I objected. It finally broke and discharged a great deal. The doctors said they could do nothing for it. Then the tumor began to rise inwardly and discharge. I read much about cures by Hood's Sarsaparilla and thought I would try it. Before I had finished taking one bottle I was much relieved. I continued the use of Hood's Saraaparilla, and after taking 12 bottles I was entirely cured. I am now well, have a good appetite and feel that I owe my life to Hood's Sarsaparilla." W. D. FORE.
