The Great Medicine that Gives Nerve Strength

Hood's Sarsaparilla Wakes the Blood Rich and Pure, Creates an Appetite and Restores Health, Vigor and Vitality.

"I feel that I ought to write a few words in praise of Hood's Sarsaparilla, which has done great things for me. I was in a delicate condition and was sick at my stomach and constipated. I tried remedies highly recommended for female weaknesses, but the medicines brought on other troubles. I was so weak I could not attend to my household duties, and I then determined to try Hood's Sarsaparilla. After I had taken this medicine a short time I began to gain strength. I

until I was able to work all day without any inconvenience. I have taken Hood's Pills for constipation, and I am better today than I have been for five years. Since taking Hood's Sarsaparilla and Hood's Pills I feel rested in the morning. I am less nervous and am sure I have richer and purer blood. I have always been bothered with scrofula, but now I am rid of it. Before my last child was torn I took Hood's Sarsaparilla, and my girl baby was fat and strong, while my other child was not well and lived to be only two years old." Mrs. E. F.
