"BILL ARP'S GOLDEN WEDDING"

The Humorist Receives Many Tokens From Persons Whom he has Amused. Charles H. Smith, or, as he is better known, "Bill Arp," celebrated the golden anniversary of his wedding at Carversville, Ga., Tuesday night.

All of the children and grandchildren of the well-known Southern humorist were there and many guests of prominence were also present. Mr. and Mrs. Arp received many handsome presents from their friends.

Col. Wm. J. Bryan sent a congratulatory letter, in which he said that as the twenty-fifth anniversary is a silver one, at the ratio of 16 to 1 the genuine golden wedding will come after four hundred years of wedded life. He and Mrs. Bryan expressed the hope that the intervening three hundred and fifty years would be spent in peace and prosperity.

Frank Stanton, the Southern poet, sent a characteristic letter of congratulations, in which he ended as follows:

"Greeting and health to you and yours, and all the sweet recompense of enduring love."

Letters from other prominent persons were also received. One of the guests of honor was "Uncle Pit," a typical antebellum darkey, who as a slave was presented to Mrs. Arp by her father for a wedding present and who throughout the war protected and provided for her and her two daughters when they were refugees. "Uncle Pit" risked his life more than once to insure their safety.

COLOR PHOTOGRAPHY.

A New Method Discovered by Prof. R. W. Wood.

Madison, Wis., March 8.—Prof. R. W. Wood of the University of Wisconsin has discovered a new method of photographing in natural color. He reproduces the colors by diffraction, and though at present the production of the first finished picture is somewhat tedious, duplicates can be printed as easily as ordinary photographs are made. The pictures are on glass, and are not only colorless, but almost invisible when viewed in ordinary lights, but when placed in a viewing apparatus, consisting of a convex lens on a light frame show the colors of nature with great brilliancy.

Prof. Wood says the finished picture is a transparent film of gelatine with very fine lines on it, about 2,000 to the inch on the average. "The colors," he says, "depend solely on the spacing between the lines, and are pure spectrum colors, or mixtures of such, the necessity of colored screens or pigments, used in all other processes except that of Lippman having been overcome. The pictures can be projected on a screen by employing a suitable lantern, or can be viewed individually with a very simple piece of apparatus consisting of a lens and perforated screen mounted on a frame. A peculiarity of the process is that there is no such thing as a negative in it. I have printed half a dozen pictures in succession, one from another, and all are positive and distinguishable from each other."

REMARKABLE RESCUE.

Mrs. Michael C. Cain, of Platfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was. Free trial bottles of this Great Discovery at any drug store, large bottles 50 cents and \$1.00.

FOR OVER FIFTY YEARS.

Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

THE SPRING MONTHS.

Are most likely to find your blood impure and lacking in the red corpuscles which enable it to carry nourishment to the nerves and other organs. Therefore you feel weak, tired and listless and are troubled with spring humors. Relief is given by Hood's Sarsaparilla, which purifies, enriches and vitalizes the blood.

MUNYON'S

A cold is dangerous. Don't let it get the start of you. A few doses of my Cold Cure will break up any form of cold in a few hours and prevent grippe, diphtheria and pneumonia. It should be in every home and every vest pocket. It is better than any life insurance policy.

COLD CURE

A DOMESTIC BURDEN.

Take up the White Man's burden. By the poet we are told. Take up the White Man's burden. When the night is growing cold. Take up the White Man's burden. The cook's gone, bless your soul! And the poor old White Man's burden Is a couple of holds of coal. —Richmond Times.

REASSURED.

Detroit Free Press. "Everybody says the baby looks just like me," said a happy young mother on Henry street. "Glad of it," replied the husband. "Lifts a great weight from my mind. Perfectly delighted, I assure you." "What do you mean, John?" "I was afraid. She is 2 and has never talked. But I have no fear now."

GREAT IMPROVEMENT.

"I had severe headaches and rheumatism and suffered intensely. I could not rest, had spells of cramping in my stomach and I had constant pain all over. I began taking Hood's Sarsaparilla. I am now in better health and weigh more than ever before in my life." Mrs. Catharine E. Moyle, Huntington, W. Va.

That distress after eating is prevented by one or two of Hood's Pills. They don't gripe.

A little 4-year-old occupied an upper berth in the sleeping-car of the Scotch express. Awakening once in the middle of the night, his mother asked him if he knew where he was.

"Tourne I do," he replied, "I'm in the top drawer."

THE GRIP CURE THAT DOES CURE. Laxative Bromo Quinine Tablets remove the cause that produces La Grippe. The genuine has L. B. Q. on each Tablet. 25c.

BETTER THAN EVER.

"I suffered from a skin disease and such such an intense itching that I could hardly sleep at night. Nothing gave me as much relief as Hood's Sarsaparilla. I have taken three bottles of it and now have better health than ever in my life before." Gilbert Payne, 501, North Augusta Street, Staunton, Virginia.

Bobbie had longed for a baby brother and a pair of white rabbits. The answer to both wishes came on the same morning; but it was not quite satisfactory, for there were two baby brothers and only one rabbit. Bobbie was greatly disgusted at the mistake. The next day his father found the following notice tacked to the gate post: "For Sale—One nice fat baby; or I will exchange him for a white rabbit."

BISMARCK'S IRON NERVE.

Was the result of his splendid health. Indomitable will and tremendous energy are not found where Stomach, Liver, Kidney and Bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills. They developed every power of brain and body. Only 25c. at any drug store.
