While General Miles has in the main sustained every charge he has made against the army beef furnished by Alger, Eagan & Co., yet the unfriendliness of the military court of Inquiry are not likely to find such a result. There can not be expected a vigorous report from the court, for it has made no effort to get all the facts from witnesses and very reluctantly have they permitted evidence which they could not suppress. The court is nearly as rotten as the beef it has inquired about and it report will no doubt have an unpleasant oder in the nostrels of an indignant pub-

Philadelphia is alarmed at the number of cases of typhoid fever. Fifty-six new cases being reported for twenty-four hours, and five deaths reported. Recent revelations before the Beef Inquiry County, says the Philadelphia Record, render it highly advisable to review the Ragan Court-martial proceedings. This man has been practically furloughed with full pay for the balance of his term of service. His name is carried on the Army Register as the chief of the Commissary Department, yet the disclosures of the past few days before the Military Court have been such as to preclude the possibility of any rational assumption of guiltlessness on his part. He knew all the tricks and myriad rascalities of the beef contractors, including the "pretense of experiment" with "embalmed" beef. General Miles was right, as subsequent events have abundantly demonstrated. What is the Administration going to do with Eagan, who "dishonored his uniform in feeding soldiers with poisonous beef?"

"Two Heads Are . Better Than One.'

One, however, is the portion allotted to the average mortal. If this one aches and will not work properly. it is worse than none. When this condition is present, the stomach is blamed, the kidneys come in for censure and the liver is sure not to escape. As a fact, the blood is solely responsible for the condition of these organs.

Let your one head dwell on this fact, because it is the leading point in life and health. The natural blood purifier and tonic is Hood's Sarsaparilla. It has been "tried" and never "found wanting." It never disappoints.

Scrofulous Humor—"I was in terrible condition from the itching and burning of scrofulous humor. Grew worse under treatment of several doctors. Took Hood's Sarsaparilla and Hood's Pills. These cured me thoroughly." J. J. Little, Fulton, N. Y. Pimples - "I have never been well and strong until letely. Hood's Sarsaparilla restored my strength and caused the disappearance of annoying pimples on my fore head. It is a great medicine." Annaria Messerle, 1240 Atlantic St., St. Paul, Minn.

All Gone—"Had no appetite or strength could not sleep or get rested, was completely run down. Two bottles Hood's Barsaparilla curéd the tired feeling and I domy own work." Mrs. A. Dick, Millville, N.J.

Erysipelas - "A scrofulous condition f my blood caused me to suffer from ery alpelas for 15 years. Physicians did not even help, but Hood's Sarsaparilla per-manently cured this disease." A. E. SMITH, 208 Court Ave., Jeffersonville, Ind.

Vigor.—"As a regulator, purifier, and in-vigorator Hood's Sarsaparilla stands at the head. It takes away that 'brown taste'and gives youthful vigor." J. D. Gares, 320 State Street, Chicago, Ill.

Tired Feeling — "My appetite was apricious, my liver disordered and I was lired. Hood's Sarsaparilla relieved it all teured a friend of mine of female weakness." Mrs. Jessie A. Mearns, Clayton, Del.

Hood's Sarsaparilla Never Disappoints

Hood's Pills cure liver ills, the non-trritating and only cathartiz to take with Hood's Barsaparills.
