NAVAL WARFARE

Supply Expedition Up San Fernando Failed

TOWN BOMBARDED

Spainiard as a Prisoner Assists Insurgents—Message from General Otis.

MANILA, May 8.—The army gun boats Laguna De Bay and Cavendish, which started up San Fernando river for Lingua yesterday to establish a base of supplies for the troops, engaged in the northern campaign returned, today to Gen. MacArthur, having failed to connect with the expedition.

The gun boats found the rebels entrenched at Sosnoan Guagua, water fronts of those towns. The vessels steamed by the works shelling the occupants and driving them out. Landing parties from the boats entered both towns and capturing at Sosnoan, a Spanish captain in uniform, ostensibly a prisoner in the hands of the rebels, also a native officer.

At Guagua the town and a small gun boat were found burning, the natives evacuating the place in consequence of the bombardment. A number of Filipino flags were captured at Sosnoan and a quantity of arms, chiefly bolos bows and arrows. The expedition probably returned up San Fernando river after being reinforced on the recently purchased light draught of Spanish steamers.

WASHINGTON, May 8.—General Otis cabled to the war department today the situation as follows:

Gen. Lawton is at Maasin and Baling with scouting parties north and east.

Gen. MacArthur is at San Fernando. The population between Manila and the northern points are held.

The troops returning to their homes appear cheerful contented.

The army gun boats operating on the rivers have cleared the country west of MacArthur of insurgents. The signs of insurgent weakness are more apparent every day.

PART SUPPRESSED.

WASHINGTON, May 8.—While the war department officially professes gratification at the insurgents' weakening. It is admitted that Otis' despatch contains news, it is not considered well to put before the public. Speaking of the captured parts of the despatch Corbin said that it refers to what we do not care to discuss.

PROMOTIONS.

Many Changes in So. Railway Today

Today marked a general change in the passenger department of the Southern Railway in this city.

Mr. Thomas Bragg Heatt who has held a position for several years in the office of Vice President A. B. Andrews has been promoted and takes the place of Wells, who has gone to Alabama. Mr. Heatt will now travel with Col. Andrews in the capacity of private secretary.

Mr. George Little, who has been in the up-town ticket office of this road will succeed Mr. Heatt in his former position.

Mr. Little succeeded in the up town ticket office by Mr. Thomas E. Green, at present first assistant baggage agent at the union station.

Mr. George McCullers, well known in Raleigh, has succeeded Mr. Green in his former position.

In each instance these changes mean a promotion and the young men are to be congratulated.

HOSTILE TO AMERICA.

BERLIN, May 8.—It is authoritatively stated that the committee from the Reichstag to which was referred the meat inspection bill, which was substantially agreed upon between the imperial cabinet and the United States ambassador, has reported against the measure and in favor of a bill so hostile to American interests that the government will probably refuse to sanction it.

TENANT HOUSE BURNED.

MORRISTOWN, N. J., May 8.—Three frame dwellings were burned last night. It is believed to have been incendiary. The buildings were occupied by hard characters mostly negroes. The tenants lost everything.

TROOPS LEAVE.

New York Recruits Sent to Cuba and the Philippines.

NEW YORK, May 8.—Four hundred cavalry, artillery and infantry recruits leave Fort Slocum this afternoon bound for Cuba and the Philippines. The cavalry and infantry will be sent to San Francisco to take a transport to Manila. The artillery will go direct to Cuba and garrison the forts there. These soldiers enlisted in New York, Boston and Chicago.

DICTATOR ALGER

He Gives the President His Orders

THE SPEAKERSHIP

Platt's Candidate—An Extra Session of Congress—How Civil Service Works.

(From our Regular Correspondent.)

Washington, May 8.—Secretary Alger, who has just returned to Washington, is lacking in many of the characteristics that go to make an ideal Secretary of War, but he attempts to make up for all of them with gall, of which he has about as much as any man who ever held a cabinet portfolio. And this latest is a little beyond all his previous exploits in the gall line. He has actually gone so far as to dictate to Mr. McKinley, if the public talk of his benevolence can be believed. According to the Algerites, Alger is not satisfied with the white-washing given him by the War Commission and the alleged vindication given him by the report of the Military Court of Inquiry, which Mr. McKinley has just approved and ordered published, but demands that Gen. Miles shall be deposed from the command of the army. In addition to having demanded this of Mr. McKinley, Alger is said to have told him that if he did not issue the order transferring Miles from Commander of the army to one of the military divisions, he would, as Secretary of War, issue it himself, thus forcing Presidential action one way or the other. It is not surprising that Mr. McKinley should have concluded to go to the Virginia Hot Springs and try to clear out his system by a few hot baths. But it is Algerism he will have to clean out to accomplish anything.

Platt's edict has gone forth that New York shall have but one candidate for the speakership, and that Payne, Ray and possibly other members of the delegation, who have either positively or partially announced themselves as candidates, will be forced out of the way to give Sherman the unanimous support of the delegation. This, and rumors that Sherman had made a deal with Hanna caused quite a marked lull in Sherman stock, and Sherman is now in favor in sporting circles.

Treasury officials have refused to allow an item headed "Traveling expenses" in the person accounts of Roger C. Spooner, Special Indian Agent "temporarily" in charge of the Indian warehouse in Chicago, because the aforesaid traveling expenses were incurred by Spooner in going between his home in Wisconsin and his office in Chicago, and are not considered to have been necessary to the proper performance of his public duties. Spooner is a brother of Senator Spooner and holds his position by a trick. The position of Superintendent of the Indian warehouse is supposed to be under Civil Service Rules; also to be vacant. Nearly a year ago, Senator Spooner carried an order to Secretary Bliss, from Mr. McKinley, telling him to provide a good place for his brother. It was done by appointing him as special Indian agent and putting him in temporary charge of the warehouse in Chicago, where he has been ever since, filling a position that is in the classified service, without ever having even taken an examination.

It has been decided by the republican leaders that an extra session of Congress shall be called, probably early in the fall, but in order to give themselves an opportunity to change their minds, should it be deemed advisable later to do so, they will not say more than that an extra session is probable.

A short time ago they were figuring on a walk-over for McKinley next year, but now they are frightened. One of them said: "Mr. McKinley will, of course, be a candidate for re-nomination, but it is by no means certain that he will win. The scandals under his administration have made it difficult for his friends to defend it. Alger, Shafter, Egan and others, who have figured prominently in the administration, have not added to Mr. McKinley's reputation or improved his chances for re-nomination. Conservative observers believe that Algerism and Eganism will prove to be a heavier load than Mr. McKinley can carry, and that even if he should be nominated again, he would be defeated."

THE WEATHER.

The forecast of the weather bureau for Raleigh and vicinity says: Conditions favorable for a thunderstorm this evening; Tuesday fair, cooler.

A moderate barometric depression exists in the upper Ohio valley, which caused local thunderstorms in the eastern section of the country, with heavy rains at some stations in North Carolina yesterday afternoon. Raleigh reported 1.26 inches, Wilmington 1.40, and Newbern 2.00 inches.

The weather is generally fair over Florida and Texas, but unsettled elsewhere. It is slightly cooler in the Lake region and northwest.

CHILDREN'S MUSICALS.

Tomorrow (Tuesday) evening the children will give a musical at the home of Mrs. T. H. Briggs.

One of the attractions will be songs by the wee pupils from the kindergarten. The songs by these little ones will be "Up, Up, in the Sky," "Do You Know How Many Stars?" and "Squirrel."

Other music will be furnished by little Miss Margaret Rogers, Miss Willa Norris, and violin selections will be rendered by Master James Thomas, Burton Ray and others. There are only a few numbers of the program prepared. All are invited.

MEETS TOMORROW

Tomorrow afternoon at 4:30 the Grand Lodge will meet in the Odd Fellows' Hall in this city. Grand Master B. S. Royster will preside. The Lodge will be in session until Thursday.

Among the important matters to be considered will be a constitutional amendment reducing the number of trustees of the orphan's home from six to three.

The question of changing the appointment of district deputy grand masters will be considered.

ATTENTION ODD FELLOWS.

On tomorrow (Tuesday) evening, the city Degree Staff, will confer the Initiatory Degree for the benefit of the members of the Grand Lodge. At this meeting every Odd Fellow in the city and all visiting brethren are earnestly requested to be present. It is not necessary for a member to be a Past Grand, in order to attend. After the degree work is completed, an informal meeting will be held, and those present will have the pleasure of listening to addresses both from the officers and members of the Grand Lodge, and also from the members present. A general good time is expected, and all are cordially invited.

Fraternally yours,
CHARLES F. LUMSDEN,
Captain Degree Staff.

SUPREME COURT

Dicky Bird on the Coming Decisions

The main topic of conversation today is what will the Supreme court decide tomorrow? The court will probably adjourn then and many important decisions are expected. Indeed never in the history of the State did so many important political matters rest upon the verdict of that tribunal as at the present time.

A prominent Republican politician said this morning: "I believe I can tell how the Supreme court will decide these cases." Here is the way he says that they will be decided:

1. The suit for keeper of the capitol in favor of Cherry, Democrat.
2. The public printing case in favor of Barnes.
3. The Atlantic and North Carolina Railroad suit in favor of Patrick holding until September next.
4. The Asheville clerk of the court case in favor of the Republican.
5. The Agricultural Board suit in favor of the Democrats.

This is the way a prominent Republican says that they will be decided but it remains to be seen how much he knows about it.

He also said that if the Republican clerk won in the Asheville case then Dr. Abbott would certainly win.

STEAMSHIP ASHORE.

FIRE ISLAND, May 8.—The steamship "Scottish Prince," with a cargo of coffee, went ashore in a fog this morning three miles east of Jones Islet, but is not leaking.

MOLINEUX CASE.

NEW YORK, May 8.—The grand jury will not indict Molineux. The district attorney, however, pronounces as absurd the report that the jury stood 14 to 9 in Molineux favor.

OPEN REVOLT

Gen Mascardo Refuses to Obey Orders

COURT MARTIAL

The Filipinos Dissentions Culminate in a Narrowly Averted Battle Between Luna and Mascardo.

MANILA, May 8.—The demoralizing of the Filipino army has culminated in an open revolt of General Mascardo against General Luna, second to Aguinaldo in command. Aguinaldo has ordered a court martial to try Mascardo. General Luna sent orders to Gen. Mascardo at Insular to hurry reinforcements to him just before the battle at Santo Tomas. Gen. Mascardo flatly refused to obey the order and sent word to Gen. Luna that he would only take orders from Gen. Aguinaldo. General Luna immediately selected fifteen hundred of his best troops and started for Bacolor to enforce his order. Gen. Mascardo again refused to obey the orders given by Gen. Luna. Both armies formed in line of battle, but before opening Gen. Luna gave Gen. Mascardo one more chance. Col. Arguilles was sent to Gen. Mascardo under a flag of truce. Gen. Mascardo still persisted in his refusal but consented to leave the question to Gen. Aguinaldo. This averted hostilities. Gen. Luna appealed to Aguinaldo who immediately ordered a court martial to try Mascardo.

MANILA, May 8.—The insurgent forces have been divided into one body under Gen. Mascardo, going west of San Fernando, and the other in command of Gen. Luna moving north. Both of these leaders lay claim to the supreme command of the Filipino army.

Gen. Luna will probably fall back to Terlahe and thence move toward San Isidro.

Gen. MacArthur will probably retain San Fernando as a base of operations sending out detachments as he deems necessary.

VACCINATION

One Point Which Will be Tested

Several persons have refused to be vaccinated and the vaccinators have reported them to the mayor and warrants will be issued for them tomorrow morning.

A rumor was current in the city today that the compulsory vaccination ordinance would be tested, hence City Attorney Walter Watson has been looking up authorities. He is confident that the ordinance is correct and can stand the test. There seems to be no question as to the constitutionality and there has appeared no disposition to test this point.

However, it is said that Mr. J. C. L. Harris will bring up a test case on one point, namely that the mayor has no right to appoint any one as a vaccinator except a regular licensed physician. The claim is that L. vacinate some person would be dangerous and that the vaccinator should be able to make a diagnosis of the patient when necessary before he attempts vaccination. How the test case will be made cannot be learned at this time.

SOUTHERN STUDENT CONFERENCE AND SUMMER CONFERENCE FOR YOUNG MEN'S CHRISTIAN ASSOCIATION WORKERS.

The daily program of the Asheville Conference will consist of Missionary Institutes under the direction of S. R. Vinton and Harlan P. Beach, Secretaries of the Student Volunteer Movement for Foreign Missions; Normal Bible classes, conducted by H. B. Sherman, of New York City, and A. C. Harte, of Mobile, Ala.; conferences to discuss College Young Men's Christian Association work under the leadership of W. K. Matthews and Harry Wake Hlicks, Secretaries of the Student Department of the International Committee, and platform meetings addressed by prominent Christian workers and thinkers.

Among the speakers at the platform meetings, whose presence is assured are: Robert E. Speer, of New York; John R. Mott, General Secretary of the World's Student Christian Federation; Rev. J. Wilbur Chapman, D. D., of Philadelphia; Prof. W. W. Moore, D. D., of Richmond, Va.; Dr. Walter R. Lambuth, of Nashville; Rev. R. J. Williamson, D. D., of Richmond, Va., and Mr. C. K. The company that is constructing the railway that is to extend from Ridge-way, N. C., to Richmond, Va., a distance of one hundred and four miles, appears to be pushing work very vigorously, as the statement is made that the road will be completed the 1st of next December. The construction of this road will open up sections of Virginia and North Carolina that are now remote from railroads and will add considerably to the taxable values of both States.—Norfolk Ledger.

NEW FISH STAND.

Messrs. W. H. Doames and Company, at Betts' store on Hargett street, between Fayetteville and Wilmington streets have just opened a first class fish stand. It is a splendid location and convenient to the trade. They are already doing an extensive business and selling nothing but strictly fresh fish. The prices are low and you can get the same attention by phone as in person.

THE MANILA GUN.

The Manila gun attracted much attention in the window of Mr. W. E. Jones' store today. It is greatly admired by all. The committee which arranged for placing the gun in Mr. Jones' window were Aldermen Drewry, Redford and Crocker.

In Wilmington Mayor Powell and Alderman McDonald intended to have the gun placed in the rotunda of the capitol, but other arrangements seem to have been made by the aldermen Friday night when they appointed Messrs. Drewry, Redford and Crocker to have charge of the gun.

USED PIGEONS INSTEAD OF WINE.

New York, May 6.—Carrier pigeons were used instead of wine at the launching of the Helen C. Juillard, the second floating hospital ship constructed under the auspices of St. John's Guild. The launching took place at Poillon's shipyard, Brooklyn. The original floating hospital came from Twenty-fourth street loaded with guests. Rear Admiral Philip not only furnished the carrier pigeons, but sent a tug or two to bring the original hospital, and then came in person with Mrs. Philip in another navy-yard boat with Commander J. D. Kelly, of his staff, and a number of ladies and officers from the yard. The navy-band played on floating hospital No. 1. The birds were released by Miss Catherine C. Dodge, and they fluttered from a flower-covered cage furnished by the Cramps, of Philadelphia.

THE REUNION

Veterans Leave Tomorrow for Charleston.

The members of the L. O. B. Branch Camp of Confederate Veterans and the others who intend going to Charleston with them are requested to be at the Union Station promptly in the morning since the train will leave at 10:45.

Those who have signified their intention to go are the following:

R. H. Bradley, R. H. Brooks, F. H. Busbee, W. J. Sanders, J. C. Birdsong, W. W. Cooper, W. H. Hicks, A. B. Stronach, Rufus Pool, J. J. Mackie, Thomas S. Kenna, W. H. Whitaker, J. B. Hill, Jacob S. Allen, C. B. Denson, A. L. Morris, J. H. Marshall, Others, of course, will go.

The reunion will begin in Charleston on May 10th and continue until May 14th.

General John B. Gordon, commander-in-chief of the United Confederate Veterans, has appointed Miss Nannie Randolph Heth, of Washington city, sponsor for the entire south.

This most honored sponsorship at these annual reunions to which the heart of the Confederacy gathers has been filled on former occasions by Miss Winnie Davis, the always cherished "Daughter of the Confederacy." Miss Heth does not, by this appointment, succeed Miss Davis as daughter of the Confederacy.

The newly appointed sponsor for the entire south is the daughter of Major General Heth, who was by the personal request of General Robert E. Lee with him from the battle of Spotsylvania to the surrender at Appomattox, and who is now the oldest ex-confederate general, with the one exception of General James Longstreet. Though famous always for his splendid services to the confederacy, General Heth is one of the most ardent admirers to be found of General Grant as a soldier. Since the conflict of the sixties he has held numerous high positions of honor and trust, and both on his account and her own no appointment could have been made by General Gordon to the position of general sponsor at the coming reunion which would have been received with gladder acclaim by the confederate veterans throughout the country. Miss Heth was born several years after the war at the old colonial Heth homestead, near Richmond, and was purchased by her great grandfather in the last century. She is a typical daughter of the south, of the best blood, refined through generations of culture, strengthened by generations of religious faith and discipline, as defecate in taste and discipline as she is strong in heart and brain, with a personality sweet and winning.

The charming sponsor from North Carolina will be Miss Holt of Burlington and Miss Adelaide Snow, one of Raleigh's loveliest and most attractive young women, will be maid of honor.

Miss Annie Wheeler, the daughter of General Wheeler, will represent Alabama. Miss Wheeler distinguished herself during the recent war by her work as one of the Red Cross nurses in Cuba.

Miss Gertrude Caffery, daughter of Senator Danielson Caffery, of Louisiana, will represent that State.

Miss Charlotte Alston, of Winthrop, S. C., will represent the Palmetto State. She is the granddaughter of ex-Governor Alston, of North Carolina, one of the well known figures of the confederacy.

Miss Agnes Peter, of Washington, will represent the District of Columbia. She is the great granddaughter of Martha Washington, and the granddaughter of Commodore Kennon.

Georgia will be represented by Miss Caroline Gordon, the daughter of General Gordon.

Florida will be pleasingly represented by Miss Call, the handsome daughter of ex-Senator Wilkinson Call.

Miss Hutchinson, of Texas, the daughter of ex-Representative Hutchinson, of the Galveston district, will represent the Lone Star State.

On this great occasion the always famed reputation of Virginia will be admirably upheld by Miss Mary Russell, of Winchester, the daughter of Colonel James B. Russell.

Miss Mary Wilcox, now of Washington, will represent Tennessee.
