CALLS IT A CRIME.
Cardinal Gibbons on Recent Divorce and Marriage in High Society.
(Baltimore Sun.)
Cardinal Gibbons preached at the Cathedral yesterday morning. The subject of his sermon was "A Living Faith Manifests Itself in the Works of Charity." Rev. Joseph T. O'Brien, the chancellor, was the celebrant of the mass. The cardinal spoke particularly of the unity of the church.

"The unity of the church," he said, "is as essential as the union of faith and love. It would be impossible to keep the church together if dissensions were not adjudicated. Of the church Jesus Christ says, 'I am the vine, ye are the branches.' A beautiful leaf of unity shown us is a sheaf. They walk on the same path, feed on the same pasture, listen to the same shepherd, paying no attention to any other voice. So with God. He would have us listen to the same words of Christ and fly from the voice of false teachers.

"What a marvelous combination is this human system of ours, all subordinate to the head. As soon as there is thought the head commands, hands lift, lips open and the tongue gives utterance to speech. So be united in spiritual matters.

"There are about 250,000,000 Catholics in the world, all believing in one faith, one baptism and one God.
"Consider the Pontiff in relation to King Henry the Eighth, who asked for the Pope's sanction to a divorce so that he might marry again. The Pope refused to give it, saying 'Whom God hath joined together let not man put asunder.' Only a few days ago the country was shocked at a woman in high life who was divorced at 3 o'clock and married again almost before the ink was dry on the divorce papers. This is a crime against the law of Jesus Christ.

"The church is one in its teachings. It is the same in France, England, Italy, San Francisco on the Pacific and New York on the Atlantic. All proclaim the same doctrine—one faith, one hope, one baptism and one Lord. God grant that you may not be contented to be united to the church, but to the Spirit. God grant that all may be living husbands and bear fruit."

COGHLAN'S STORY.
According to Capt. Coghlan the way the Raleigh fired the last gun in the late war was thus, writes Editor Poe of the Progressive Farmer on his return from Wilmington: "Manila as our readers know was taken just after the signing of the peace protocol, but before news of that event reached Manila. It was therefore the last battle of the war. When at the close of the battle the signal order 'cease firing' was given, the Raleigh's officers though knowing perfectly well the significance of the order, went through the formality of deciphering it, and managed to get in one or two extra shots while this was in progress."

NO RIGHT TO UGLINESS.
The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will cure a good-looking, charming woman of a run-down invalid. Only 50 cents at all drug stores.

"Now, boys, I have a few questions in fractions to ask," said the teacher, according to Tit-Bits. "Suppose I have a piece of beefsteak and cut it into sixteen pieces, what would those pieces be called?"

"Sixteenths," answered one boy, after meditating a moment.
"Very good. And when the sixteenths were cut in half, what would they be?"
"There was silence in the class; but presently a little boy at the foot put up his hand. 'Do you know, Johnnie?'"
"Hash!" answered Johnnie, confidently.

THEY LIKE IT.
"My daughter has taken Hood's Sarsaparilla as a blood purifier and tonic, and likes it better than any other medicine. It creates a good appetite and strengthens the whole system. One of my friends who took Hood's Sarsaparilla says it is the best medicine in the world." Mrs. G. W. Foster, Shallowford, N. C.

NOTICE OF ELECTION.

Under and by virtue of a resolution of the Board of Aldermen of the city of Raleigh passed April 7th, 1890, in pursuance of the authority given in an act of the General Assembly of North Carolina of 1890, ratified February 25th, 1890, entitled: "An act to authorize the city of Raleigh to issue bonds for public improvements and to levy a special tax," notice is hereby given that a special election will be held at the various polling places hereinafter named on the 12th day of June, 1890, for the purpose of obtaining the consent of a majority of the qualified voters of said city to the issuance of the bonds provided for in Section 1 and 5 of said Act, as follows:

Section 1. That for the purpose of paving, macadamizing and otherwise improving some of the public streets of the City of Raleigh as the Board of Aldermen of said city may determine to improve, and for making such other public improvements as the said board of aldermen may determine to make, the city of Raleigh is hereby authorized and empowered to issue its bonds to an amount not exceeding one hundred thousand dollars, of such denominations and in such proportions as the Board of Aldermen may deem advisable, bearing interest from the date thereof at a rate not exceeding five per centum per annum, with interest coupons attached, payable half yearly, at such times and at such place or places as may be deemed advisable by said Board of Aldermen; said bonds to be of such form and tenor and transferable in such way, and the principal thereof payable or redeemable at such time or times, not exceeding thirty-years from the date thereof, and at such place or places as the Board of Aldermen may determine.

Section 5. That for the purpose of providing for the payment of the interest accruing on and the principal at maturity of the bonds issued under authority of this act the Board of Aldermen of said city shall annually, and at the time of levying other city taxes, levy and lay a particular tax on all persons and subjects of taxation on which the said Board of Aldermen now are or may hereafter be authorized to lay and levy taxes for any purpose whatsoever, said particular tax to be not less than six or more than eight cents on the one hundred dollars assessed valuation on property, and not less than eighteen nor more than twenty-five cents on each taxable poll. The taxes provided for in this section shall be collected, and shall be accounted for and kept separate from other city taxes, and shall be applied exclusively to the purposes for which they are collected. So much of said taxes as may be required to pay the interest on the bonds issued by authority of this act, as it falls due, and cannot be applied to the purchase or discharge of the bonds for which said taxes are levied and collected, shall be invested so as to secure the payment at maturity of the principal of the said bonds; and to insure the due investment of the amounts collected from year to year in excess of that required to pay the said interest the Board of Aldermen shall cause the said excess to be turned over to be commissioner of the sinking fund of the city of Raleigh, whose duty it shall be, under such general rules and regulations as said Board of Aldermen shall from time to time pre-

scribe, to make investments of so much of the taxes collected and turned over to him as aforesaid, as shall be applicable as aforesaid to the payment of the principal of said bonds issued under this act, and to do or perform all such other services in connection with said bonds as said Board of Aldermen may prescribe, and such commissioner shall give bond and receive such compensation for his said services as said Board of Aldermen may determine.

Those qualified voters approving the issue of the bonds and the levy and collection of the particular taxes as above provided for shall deposit in the ballot box a ballot, 1 1/2 inches wide by 3 inches long, of white "book" paper, in weight 40 pounds to the ream, without device, mutilation or ornamentation, upon which shall be printed a plain long primer type the word "approved," and those disapproving the same shall deposit a like ballot with the printed word "disapproved."

That said election shall be held under the provisions of an act of the said General Assembly of 1890, ratified March 6th, 1892, entitled: "An Act to provide the manner of election and the registration of the voters in cities and towns, and for elections upon local questions in counties and townships" in the four wards or voting precincts provided in said act authorizing said election and issuance of bonds as aforesaid, to-wit: First Ward or voting precinct: Bounded on the south by Hillsboro street, on the east by Halifax street, and on the north and west by the city limits. Second Ward or voting precinct: Bounded on the south by Newbern street, on the west by Halifax street, and on the north and east by the city limits. Fourth Ward or voting precinct: Bounded on the north by Hillsboro street, on the east by Fayetteville street, and on the south and west by the city limits.

A new registration shall be had as required by said act authorizing said election and issuance of bonds and ordered by said Board of Aldermen. The registration books will be open for registration of voters from sunrise to sunset for ten days, Sundays excepted, beginning May 30th and closing at sunset on June 9th, at the following places (which are also the polling places) by the following named registrars: First Ward—Com's Store, corner Salisbury and Jones street; Melvin Andrews, Registrar.
