

A GRADUATING ADDRESS.

Dear Girls: You're now about to pass
From Thinking into Living.
And take instruction in a class
Where I am lessons giving
Before my students you become,
In intimate relations,
The proper that I furnish some
Essential information.

Three courses have we. Choose the one
You like, but don't mistake it;
For when a course you've once begun
It's hard to different make it.
The Spooney Course: The graduate
Can only "G. H." sign her—
"Good hugging." This certificate
Does not insure a finer.

The Flirty Course: Quite popular,
Requires some application,
And, yet, the learning gained is far
From highest education.
Degree, "G. F."—"Great Fun"—may be
Still further supplemented
By "G. L."—"Got Left"—post degree,
With which few stay contented.

The Time Course: It's the very best
That offers in Love's College.
It may seem slow and stupid—rest
Assured it's sweetest knowledge.
Degree "G. T."—"True Girl." And most
Who such a course have carried
Are now entitled to the post
(Emervitus) "M."—"Married."
—Edwin L. Sablin, in Puck.

"Necessity knows no law." It is a
law of Nature that the blood must be
kept pure, and Hood's Sarsaparilla does
it.

THIS LIFE WAS SAVED.

Mr. J. E. Lilly, a prominent citizen of
Hannibal, Mo., lately had a wonderful
deliverance from a frightful death. In
telling of it he says: "I was taken with
Typhoid Fever, that ran into Pneumonia.
My lungs became hardened. I was
so weak I couldn't even sit up in bed.
Nothing helped me. I expected to soon
die of Consumption, when I heard of
Dr. King's New Discovery. One bottle
gave great relief. I continued to use it,
and now am well and strong. I can't
say too much in its praise." "This mar-
vellous medicine is the surest and quick-
est cure in the world for all Throat and
Lung Trouble. Regular sizes 50 cents
and \$1.00. Trial bottles free at all drug
stores; every bottle guaranteed.
