KILLED IN JAIL

A Crowd Ends the Life of a Murderer.

CLOSE SHAVE OF RAPIST.

Three Men Attack Jail at Alexandria to Lynch Negro but Were Driven Off by the Jailor.

Gainesville, Ga., July 15.—Si Smith, a farmer, who killed W. Bell, a commercial traveler from Atlanta several months ago, was shot to death this morning at midnight. Sheriff Monday, who lives in the jail, was awakened by a man at the door who said he was the sheriff of Gilmour county, and had a prisoner he wanted locked up for the night. The sheriff could see nothing for the darkness except three or four men just outside of the building. He hurriedly dressed himself and appeared at the entrance. The leader stepped forward and said: "Here, come here." The man stepped forward, hands bound, and the entire crowd followed into the building. The sheriff, seeing what was up, remarked "Keys downstairs." Monday was told to hurry and get them. When he got downstairs he heard the rattle of the guns in the room he had just left. Smith had been shot six times and was dead.

Washington, July 15.—Three men cheered on by a crowd of several hundred, who gathered to see the fun, made an attempt to storm the Alexandria jail early this morning in order to lynch William Dodson, an aged negro. The jailer, his wife and three friends delivered a shower of bullets upon the attacking trio. The lynchers' wrath finally cooled, and no further attempt was made to reach Dodson during the night. Dodson was arrested on the charge of assaulting an eight-year-old girl, Viola Elliott, last Tuesday night. Dodson was terribly frightened, and prayed continually for his life. He is about 80 years old and was born a slave.

DEWEY'S RECEPTION

Accorded Only the Same Honors by British as to Other Admirals.

London, July 15.—According to information obtained from British naval sources Admiral Dewey's reception at the various British stations was no more cordial and in no way different to that accorded the admirals of other fleets. Dewey's visit to Malta is likely to be very quiet. Governor Deep is mourning the death of his wife. The British fleet left Malta last Sunday on its summer cruise, and half of the officers of the garrison and English residents are absent, the former on furlough, the latter in Great Britain or traveling on the Continent.

ROUGH WEATHER IN PHILIPPINES

It has Delayed Landing of Troops at Negros—Soldiers Leave for Home.

Washington, July 15.—The War Department has received a dispatch from General Otis stating that twenty inches of rain, attended by typhoons, made the landing of transports impossible at Negros. It is impossible to unload the Sixth Infantry until within the last day or two. The Californians are now loading. The Coloradians leave tomorrow. The Idahos, North Dakotas and Wyoming leave next week just as soon as the transports can coal.

OLYMPIA LEAVES PORT SAID.

London, July 15.—A special dispatch from Gibraltar states that the United States cruiser Olympia left Port Said today.

TRIESTE, JULY 15.—THE OLYMPIA DUE TO ARRIVE HERE ON THE NINETEENTH.

PLEASED WITH THE SHAM-ROCK.

Southampton, July 15.—The Shamrock made a trial spin this morning. She cruised up Southampton water under mainsail and foresail, proceeded through the west channel into Solent, where she hoisted the jockeyard topsail and jib. Here she caught a spanking breeze and behaved superbly. The spectators were immensely pleased with the speed appearance.

THE FILIPINO JUNTA

The Headquarters Will be Moved Owing to Vigilance of Americans.

Manila, July 15.—The transport Warren will sail tomorrow with the Colorado regiment on board. It is reported that the Filipino Junta will be moved from Hong Kong to the island of Labuan, a British colony six miles from the coast of Borneo, as American officials have watched the members of the junta so closely that the latter have found it impossible to supply the army of the insurgents.

DEATH OF MRS. J. F. BUTT.

Mrs. Mary A. Butt, wife of Rev. John F. Butt, died last night at 11 o'clock at her home in this city.

Mrs. Butt was stricken with paralysis on the 29th of September, 1897, and has since then been a helpless invalid. Through all the days and nights of her illness she bore the cross with true Christian resignation. Just before she died she spoke of her trust in the Saviour and her faith in Him.

Mrs. Butt was 62 years of age. She was a daughter of Mr. Cyrus Morrison, who lived eight miles from Charlotte on the Lawyer's Road, and has one sister living, Mrs. Captain Dixon, of Newell, and several brothers living in Texas. She married on the 11th of December, 1853. She was a great help to her husband in his work, and will be missed by his parishioners, to whom she was always kind and sympathetic. The funeral services will be conducted tomorrow morning at 10 o'clock at Calvary Methodist Church by Rev. Frank Siler, of Trinity Methodist Church.—Charlotte Observer (Friday).

Mrs. Butt was a resident of this city several years ago when her husband was pastor of Brooklyn Church here, and her friends here regret to learn of her death.

—Claimed that Bank will Open Again.

New Brunswick, N. J., July 15.—It was stated this morning that Cashier Valentine, of the Middlesex County Bank, of Perth Amboy, embezzled all told one hundred and forty-five thousand dollars. He spent a restless night in jail. His father, who is worth half a million, has not yet visited him, but his wife and cousin appeared at the jail this morning and stated to the depositors of the savings bank that they would not lose anything and that the bank will be open for business again Monday. It is claimed that the stockholders state that the bank is not liable for double the amount of their stock as has been claimed. A great many foreigners are depositors in the Perth Amboy Building and Loan Association and threaten Valentine if he tampered with the funds of that institution. He says he has not.

He has seen and talked with as many people as any one could and has come as near getting the mind of the people of the State as any one ever did, and that is not all—he finds since reaching Raleigh that every man, woman and child in Raleigh is anxious to know what the people outside of Raleigh are thinking about. Hear Mr. Stringfield. No man is better qualified to tell you and tell you in language and manner that you will not forget than he. Whosoever will may come. Seats all free. This show has been furnished to the people of the city free, owing to the enterprise of the excellent president of the Raleigh Street Railway Company, Mr. William J. Andrews.

It is to be hoped that President Andrews will secure another attraction for the park at an early date.

The schedule of the cars to the park at night has been a most excellent one, the best in the history of the company, and the crowds have been handled with perfect ease and without any delay. Superintendent Charles Johnson is to be commended for this delightful feature.
