LEADER IN THE NEWS
 IN CITY CIRCULATION.
 SATURDAY, SEPT. 16, 1899

At the close of the fifteenth century a new continent was discovered and now at the end of the nineteenth century the Pacific has been practically discovered. The eyes of the world are now focused upon the ports of the Pacific.

President McKinley's inclination to attend the Dewey reception in New York was in good taste and the public will appreciate his motives. It would not have been pleasant for the great Admiral to have the Chief Executive of the nation at his side when the plaudits of the multitude will be for Dewey and Dewey alone. The Admiral is a modest man.

The prow of the Olympia is now cleaving the trackless deep for her haven of rest?—no, but for a scene of festivities and honors eclipsing any similar occasion in Uncle Sam's history.

FOR OVER FIFTY YEARS

Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. Sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

GLORIOUS NEWS.

Came from Dr. D. B. Gargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of Scranton, which had caused her great suffering for years. Her nerves would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows that thousands have proved,—that Electric Bitters is the best blood purifier known. It is the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up strength. Only 50 cents. Sold by all Druggists. Guaranteed.

and Fever is a bottle of Grove's Tasteless Chill Tonic. The formula is plainly printed on each bottle, showing that it is simply Iron and Quinine in a tasteless form. Imitators do not advertise their formula because if they did they know that you would be afraid to take their medicine. Be sure then you get Grove's as the formula shows what you are getting.
