

WANT TO MAKE TROUBLE

All is not serene in our newly acquired territory nearest home. About Santiago de Cuba, there are Cuban Generals who are willing to lead another revolution, this time against the authority of the United States vested in our military officers in command in Cuba. Both Generals Miro and Sanchez are prominent, and held lucrative positions under General Wood's administration until recently. They claim that the conduct of Americans is more tyrannical than that of the Spaniards ever was, and that the time is nearly ripe for a new revolution, which they are willing to lead. Perhaps we are to have a little fighting yet to do by way of assimilating the Cubans. It looks a little that way now unless the President modifies some of General Wood's orders, but we believe the business men of Cuba are for annexation. Of course there are malcontents in Cuba. However, a duty and not a pleasure confronts us.

The growth of Mormonism and the statement of Presiding Elder Swinson that North Carolina is one of the best fields for the work of his denomination shows the need of common school education among our people. Ignorance is a fallow ground for the most dangerous beliefs, although to be candid we do not regard even Mormonism, had as it seems, as so pernicious as the creed of the Lynchites, the Fire Baptizers and some other sects which have played havoc with domestic happiness in some parts of North Carolina. Disciples of Mole could gain a following in this State. How will the future reckon with a government where such ignorance is permitted?

If Butler's first legal opinion is a sample he has much to learn.

SPAIN'S GREATEST NEED

Mr. R. P. Oliva, of Barcelona, Spain, ends his winters at Alken, S. C. Weak nerves had caused severe pains in the back of his head. On using Electric Bitters, America's greatest Blood and Nerve Remedy, all pain soon left him. He says this grand medicine is what his country needs. All America knows that it cures liver and kidney trouble, purifies the blood, tones up the stomach, strengthens the nerves, puts vim, vigor and new life into every muscle, nerve and organ of the body. OHILLS

and Fever is a bottle of Grove's Tasteless Chili Tonic. The formula is plainly printed on each bottle, showing that it is simply Iron and Quinine in a tasteless form. Imitators do not advertise their formula because if they did they know that you would be afraid to take their medicine. Be sure then you get Grove's as the formula shows what you are getting. "Better the Feet Slip Than the Tongue."

There is one slip Nature never forgives. It is the carelessness of ignoring the signal that the body is in danger of wreck. It may be that the kidneys or the stomach or the head gives the warning sign. But remember, the blood feeds every organ of the body. Take no slip, but first tone up the system through the blood, and health will surely follow. Hood's Sarsaparilla is the best preparation man has devised to make pure, life-giving blood.

General Debility—"I have taken Hood's Sarsaparilla for general debility with marvelous effect. My blood is pure and I feel better and stronger." Frederick Reeb, 98 Herkimer St., Albany, N. Y.

Disordered Stomach—"Now-a-days I can eat anything I wish because Hood's Sarsaparilla keeps my stomach in order. It is the best tonic medicine." H. Stone, Sherborn, Mass.
