

# NOVEMBER DRAWS INSPIRATION FROM OCTOBER'S ACTIVITY,

**THE MARCH OF PROGRESS IS ON-**ward. The month of special choosing, when the hundreds seek the choicest, has just closed. The grand bulk of bargains and the heaviest laden stocks are here for the great rush of the thousands who buy during November.

It was this store that first broke the old price standard. The reward has come in an untoward patronage--ever alert--we shall endeavor to add new achievements to our already proud record.

**MRS. E. E. STARBUCK,**

OF NEW YORK.

Will be at Our Store From November 6th to 13th.

We invite you to call upon her during her stay. Her professional services are at your disposal without extra charge, and without obligation to purchase. She will tell you the size and shape corset you should wear, and you will be free to buy if you wish. The elegance of style, fit, and wear in corsets costing from \$1.00 to \$2.50 will surprise and greatly please you.

It's the proper fitting corset that brings out a faultless shape, and makes possible the realization of every thoughtful woman's desire to be well dressed.

Many of the corsets worn today do not fit, as will be readily seen by observing the way the corset protrudes in the back, and around the bottom of the corset. The proper fit, and hang of a gown depends largely on the corset. Even if you do not want a corset just now, it will pay you to call and get the benefit of an expert's long experience.
