GOVERNMENT HELPS

Deposits $5,000,000 for Loans on Stock Market

STOCKS ADVANCE TODAY

Banks Lend at from 6 to 20 per Cent on Call—Buying Extensive and Market Exciting—Another Boston Assignment.

New York, Dec. 19.—On Wall Street this morning there was a stronger feeling at the opening and prices were better. There was also a better feeling on the London market, which helped the market here. Great excitement prevailed, however, and extensive buying orders are reported. All issues advanced largely and the Metropolitan, the American Tobacco Company and New York Central went up five points and Sugar stock rose three points.

At a meeting of the Clearing House Committee today new subscription for $10,000,000 was made up for lending on the stock market.

The banks are loaning for six per cent on call on railroad stocks and 20 per cent on industrials.

The National City Bank has received $5,000,000 on deposit from the government and loaned it on the stock market.

The cotton quotations today: January 7.07; Feb. 7.12; March 7.22; May 7.28; August 7.26.

HILLAWAY AND STARR ASSIGN.

Boston, Dec. 19.—Hillaway and Starr, bankers and brokers, assigned today. They were one of the most prominent firms in the city.

RALEIGH COTTON MARKET.

Cotton has taken a big tumble since last Saturday; it is about ¼ of a cent lower than it was last Saturday. There was no great change in the price today, however. Quotations on the Raleigh market today were: Grade middling 7¼; strict middling 7⅜; middling 7 and Stains 6¾.

MORMONS IN PARK HOTEL

They Want a Joint Discussion. Each Debater to Have Five Hours

Elder Emery, of the Mormon persuasion, says that he and his companions here have opened accessible quarters in the heart of the city for their work and they have secured room number 21 in the Park Hotel. Speaking of this, he added: "We are located there and want people to call on us and discuss our beliefs with us. We are ready to hear anyone and if we are wrong we want to be shown. We are open to conviction."

The Mormons here say that they are anxious for a joint discussion at their church in this county some twelve miles from town. One of them says that such a plan is on foot and added that they wanted five hours allotted to each side.

The reporter added that a ten hour discussion would certainly be enough to keep any sane man away and further suggested that he invite ex-Senator Blair, of New Hampshire, as he is the record in this country for long winded speaking. Blair spoke about 5 hours a day for several months on his school bill in the United States Senate some years since.

RAIN AND COLDER

The weather forecast says: For Raleigh and vicinity: Rain tonight or early Wednesday, followed by clearing, colder.

The trough of low barometer which yesterday extended from Texas to the Lakes has split into two slight depressions, one central over the St. Lawrence, the other near the mouth of the Mississippi river. The special feature on the map this morning is the extensive area of high barometer over Kansas and Nebraska, which is accompanied by a pretty severe cold wave. The lowest temperatures reported were 2 degrees above zero at Huron and 6 degrees above at St. Paul. The greatest changes in temperature occurred at Oklahoma, where a fall of 32 degrees is reported. Davenport 30 colder, Kansas City and Abilene 26 degrees colder. The heaviest rain was 1.82 inches at Memphis.

WOODARD--WARREN

In securing the Woodward-Warren Company for a week's engagement beginning Monday, December 25th, Manager Rivers has secured a strong popular attraction. The following is taken from the Danville Bee of December 16:

"We laughed when we saw 'Why Jones Left Home,' and again when we saw 'Strategists,' but when the curtain went down last night on 'The Girl I Love' we laughed for a long time afterwards, and will not soon forget these clever entertainers; we have never seen a repertoire company with as great a variety of good, refreshing specialties. Always something new—no rehash.

The sale of reserve seats will begin Saturday morning at Bobbitt-Wynne's drug store.

ELECTION OF OFFICERS.

At a meeting of the Bobbitt-Wynne Drug Company held last night the following officers were elected for the ensuing year:

President—J. S. Wynne.

Vice-President—Dr. D. E. Everett.

Secretary and Treasurer—Frank T. Ward.

Directors—J. Hal Bobbitt, Cary J. Hunter, J. W. Hardin, Jr., and James O. Litchford.

A NATIONAL PARK

Company Incorporated to Promote Its Establishment

APPALACHAIN NATIONAL PARK

Many of the Most Prominent Men of North Carolina, Virginia, South Carolina, Tennessee and Kentucky are Interested

The effort for the establishment of a national park in Western North Carolina is being rapidly pushed. It will be remembered that a short time since a large convention was held in Asheville in the interest of the park. Mr. Gonzales, of Columbia, S. C., presided over the meeting.

Today a company was incorporated to work for the establishment of the park. The corporation is called "The Appalachain National Park Association," incorporated for thirty years, with principal place of business at Asheville, N. C. The business proposed is "the promotion of the establishment and maintenance, by the United States Government, a National Park and forest preserve in and among the Southern Appalachain Mountains." The company is not formed for commercial purposes nor for private gain, and it is not contemplated to have any capital stock whatever.

Until the second Tuesday in September, 1900, or until their successors are elected, the following shall be the officers of the corporation, to-wit:

George S. Powell, President.

A. H. Metcalf, A. M. Carr, R. D. Gilmer, Eliza MacRae, J. P. Caldwell, Henry Wehrer, A. E. Andrews, S. Wittkowsky, F. R. Hewitt, of North Carolina; Hon. Peyton McMillin, Prof. C. W. Dabney, Hon. R. L. Taylor, of Tennessee; J. Sutton Williams, John W. Patrick, Hon. Bee Tyler, of Virginia; John R. Cleveland, N. G. Gonzales, Gen. McGrady, of South Carolina; John R. Procter, J. C. S. Blackburn, of Kentucky; J. J. Seay, Clark Howell, A. J. Cantler, of Georgia, and Prof. Corbett, of West Virginia, Vice-Presidents.

Jos. C. D. Archer, Secretary and Treasurer.

Directors, J. C. Gudger, Jr., M. V. Richards, C. A. Schenck, P. A. Sproull, S. C. Mason, J. A. Holmes, Charles A. Webb, A. M. Wolfe, J. A. Nichols, E. P. McKissick, S. C. Welch, Josephus Daniels.

The corporation shall have such powers as are needful for the prosecution of the business for which it is incorporated.

RAISED $12,000.

Presiding Elder P. H. W. Leak, of the Raleigh District, Western N. C. Conference of the A. M. E. Church, has issued a Twentieth Century circular letter in part as follows:

"Presiding Elder's quarterly fee counts as 4th, fifth quarter, or sixty cents a year; which amount may be used chiefly to pay stewards and preachers, and reported at the quarterly conference. We will reach the point for the quarter on Friday before the quarter, and I hold Love Feast on Friday before the quarter, and hold Love Feast on Friday night. Preaching on Saturday at 11 a. m. Will hold the Quarterly Conference on Saturday. Our all the second circuits on Monday night in the stations. We expect the leaders to report Friday night.

"Memorial Days: Easter, April 15th, third Sunday. Children's Day and Church Extension, June 10th, second Sunday. Annual Conference, XXX, Sunday. Ecumenical Day, September 17th, third Sunday. All know where to send the money. The money must be sent by the Pastors and not the Stewards or members of the churches. Our missionary plan of one cent a month per member, or twelve cents a year, will be kept up this conference years as heretofore. We did not raise any quite $5 money last year, but our District raised more missionary money than both of the other Districts. Four Circuits were taken from our District at the last Conference, therefore we will have more than to spend on your work. We only lacked twenty-six dollars of raising twice as much Endowment money as the two other Districts."

In closing he says:

"We want a longer pull, a stronger pull, and a pull altogether this year. We must have full reports from all departments of the Church. Read our Report in the Annual Conference Minutes and you will see that our District raised about $12,000—over $200 more than any other District."

FOREIGN MAILS IMPROVED

London, Dec. 19.—The postoffice has issued a notice that, owing to the fact that the steamers Majestic, Britannic and Cymric have been taken for transports, the White Star Liner will go to New York December 27th or January 3rd. Letters posted next week will be forwarded by Cunarder December 30th, and mid week mails will be forwarded on the steamer Trave.

MONDAY EVENING CLUB

The Monday Evening Club held a delightful session last evening at the Governor's Mansion. Mrs. Russell has long since gained the hearts of the people here as a most gracious hostess.

President E. P. Moses presided. Mr. Hal. W. Ayer read a fine paper in which he discussed "Charles Kingsley as a Reformer." Prof. Hill, of the A. and M. College, favored the Club with an excellent paper on "George Elliot," whom he pronounced in many respects the greatest of novelists.

THE MAYORALITY

Mr. C. C. McDonald said this morning: "I saw my name mentioned in connection with the mayoralty and, of course, I appreciate the mention. However, I was an original Powell man and am a Powell man still and see no reason why he should not have a second term. But the election does not come off until May, 1902, and it seems very premature to me to discuss candidates at this time."

The others names mentioned were Col. M. T. Leach, Mr. Jos. Pogue, Alderman W. W. Parrish and Mayor Powell.

MUSIC FOR CHRISTMAS.

In accordance with our time-honored custom we will next Saturday publish the musical programmes to be rendered in our churches on Christmas day proper, which is on the following Monday. WAR AMONG THE PYTHIANS.

Rival Order Initiation Fees to be Considered by Grand Tribunal.

The trouble in the ranks of the Knights of Pythias will be aired before the Grand Tribunal in this city on January 16th. The dispute arose over the question of fees for members, and as the facts has the disagreement grown clear it may result in a permanent split in the organization. The $10 fee exacted by the order in this city was claimed that local lodges were admitting members at lower fees. Thomas G. Semple, the Supreme Chancellor of the order, it is said, ordered that members from Chapel Hill come to investigate the matter. They did so, without first giving their absence, and put in a bill for $200 expenses. These bills are discovered by the local lodges as soon as presents with the bill a member to pay the bill.

The Knights of Pythias will hold their grand lodge session and headquarters will be opened in one of the best new buildings.—Caldwell Lenoir Record.
