In Shoes—

Comfort First,

then beauty:

but Combined, ideal

No matter how beautiful a shoe may be, it must fit comfortably to please.

Some shoes are beautifully modified, but won't fit your feet.

That is torture,—other shoes fit comfortably and perfectly, but lack that elegance of outline so pleasing to the eye.

There are shoes that are beautifully made in the newest toes and lasts, and yet fit as softly and comfortably as a kid glove.

That is the Jones kind of shoe. We don't charge any more for the ideal shoes than others do for the ordinary.

We are offering special low prices on all the higher grades of footwear for ladies and gentlemen.

We can't believe that you can do better anywhere, in shoes, that combine elegance, comfort and durability, than here.

SUCCESSOR TO WOOLCOTT & SON,

A Hot Weather Talk.

We had a talk with the public three weeks ago on this subject and gave away a lot of good advice. We told them how completely we were prepared to aid them in their praiseworthy purpose to keep comfortable. Well, here is some more of the same sort of weather. We renew our advice.

See Our Light-weights

They will go further than anything else to make the great army of stay-at-home folks, who don't get to the mountains or the seaside, enjoy a hot wave with any degree of comfort.

A Very Complete Thing

Also is the knowledge that you can get the best goods for the season for very little money. This is really a double comfort. See the reductions in price:
Our extra Fine Flannel suits were \$10.00, now only \$7.50
Our High or Double-Breasted neat striped all-wool, Flannels were \$8.00 and \$7.50, now \$5.98.
Our Flannelette Suits in handsome stripes, were \$3.50, now 2.63.
Our odd lots of Crashes, Linens, etc., go at less than half their value.

Remember Our 25 Per Cent Discount

Holds good on all Cassimeres and Fancy Worsteds.
Our Gentlemen's Furnishing Department is Complete in all its departments.
