

# COMMUNITY CHRISTMAS GREETINGS

YEARS come. Years go, but Christmas is always new. The spirit of it is irresistible. It creeps in and warms our hearts. It reduces Life to that point where all the false has been shorn and man stands forth as the son of God, needing no other protection than His goodness and mercy. On Christmas day we stand only as brothers and sisters. There are no man-made lines. It is the brotherhood of man facing front to one great leader. Christmas—"peace on Earth, good will to man" it is, and so here on this page where greeting is from neighbor to neighbor, whole-hearted, sincere and subscribed to by those who feel that it has been the loyalty of you, the fellowship of you and the patronage of yours which has contributed to their well being. In each wish and hope for your peace, happiness and prosperity as expressed in the sentiments here, it is for you (the reader of these lines) personally they are addressed. The true spirit of Christmas is here for your acceptance. It is the "good will of your fellowmen."
