MURPHY GETS NEW TEACHER TRAINING UNIT

State Pays Salary of Teacher and County Furnishes Equipment For Class to be Added to Local School

The Cherokee County Board of Education in cooperation with the Murphy high school will conduct a teachers training school for prospective teachers of this and other counties in the Murphy High School building next year and annually from now on. Sometime ago the County Board of Education approved the plan and made provisions in its budget for such a school. Friday afternoon the Murphy School Board gave its approval formally as the proposition to use one of the rooms in the high school building for class purposes and to use the grammar school as a demonstration school. County Superintendent A. L. Martin has recently received word from Mrs. T. E. Johnson, State Supervisor of Teacher Training in High Schools, that a teacher will be employed and plans made to open the school early in September when the Murphy public schools open. Thus the school is assured.

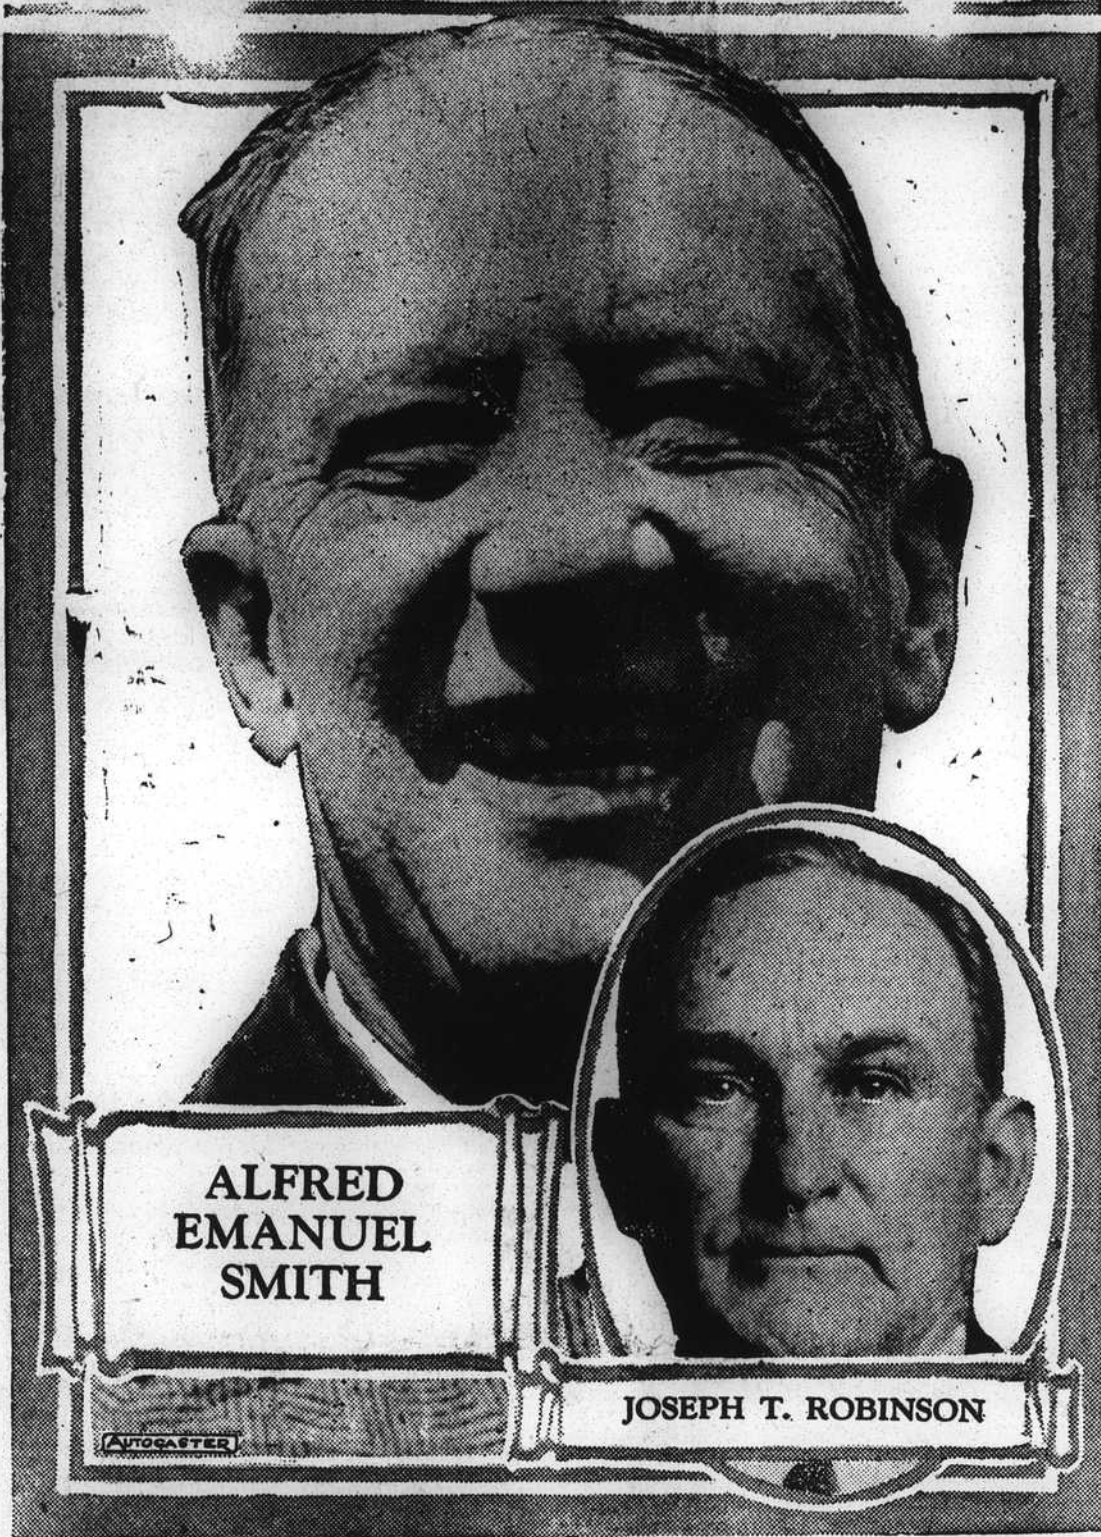

Some ten or eleven high school graduates have already signed application blanks for entrance upon the school and there are several others who intend to sign up a little later, it is thought. Only ten pupils are required to open the school. The county board of education will furnish the equipment for the school while the state department of education will pay the teacher's salary. There will be no cost to the local school except the supplying of heat and the room. Thus the school is county wide and prospective teachers from other counties may enter also so long as there is room in the school.

Graduates of standard high schools and teachers who now hold the elementary B. certificate and want to raise them, may enter the school. There is no cost to the pupil for attending the school except for books. Most of the books, however, and the material employed in making charts, etc., will be furnished free. Those who successfully complete the course will be awarded an elementary A state teachers certificate valid for five years. Under the state salary schedule these certificates will draw from \$75 to \$95 per month, depending upon the experience of the holders thereof.

Also, those who attend this training school will be given credit for two-thirds of a years work in the normal schools of the state, such as the Normal School at Cullowhee, Boone, East Carolina Teachers College, etc. The school will be well equipped, the supplies will be adequate, the library and magazine shelves well filled and the teacher one of the best that can be had, while the grammar school of the Murphy Schools will be a training school for the classes. Thus this school will be in a position to do a fine piece of work in equipping the young people of the county for teaching positions. Only twenty pupils can be accepted for the school in any one year and those who are contemplating taking the course are being asked to see the County Superintendent, A. L. Martin at an early date and sign the application blank. This is the more necessary so that the proper amount of equipment may be bought for each student who will be in the school.

Those who know about the school are elated over the prospects of receiving this training while they are at home and at no expense to themselves or parents. There are about twenty such county-wide schools in the State now and this form of teacher training seems to be gaining ground.

STANDARD BEARERS OF DEMOCRATIC PARTY

L. C. BROWN, OF HIAWASSEE BURIED SUNDAY

One of Towns County's Most Respected and Progressive Citizens. Loved By All Who Knew Him

Funeral services were held at Hiawassee, Ga., Monday afternoon July 23, at the High School building for Mr. L. C. Brown whose death occurred Sunday, July 22nd, following a stroke of apoplexy which he suffered on Thursday, July 19th. The funeral services were conducted by Rev. Haynes, of Young Harris, and Rev. Frank Lloyd, of Hiawassee. Interment was made in Osborn Cemetery at Hiawassee, members of the local Masonic lodge conducted the service at the grave.

Mr. Brown was born and raised in Towns County and was 61 years old at the time of his death. He was a man of high moral character, loved and respected by every one. He will be greatly missed in his community.

He was a progressive farmer and fruit grower, owning the Hiawassee Apple Orchards which is known all over this country as one of the finest apple orchards any where. His apple crop this year is estimated at 5,000 bushels, and peach crop at 300 bushels besides other small fruits. He started in the fruit business about 20 years ago and has gradually built up an orchard of some 30 acres. This orchard lies in the famous thermal belt where late frost in the spring is rare and a fruit crop is almost a certainty.

Mr. Brown is survived by his wife, two sons, Carlton and Ross, and four daughters, Mrs. Clara Bell Allen, of White, Ga., Mrs. Vernie Berry, of Young Harris, Ga., and Viola and Faye Brown, who live with their mother, also one brother, John Brown, of Atlanta, Ga., and one sister, Mrs. Alice Woodring, of Hiawassee.

Masons To Hold Educational Rally

The District Deputy Grand Master, Mr. J. W. S. Davis of the 43rd Masonic District, is calling an All-District Educational Rally to be held with Brasstown Lodge No. 485 at Brasstown on the night of August 1st, at 7:30 o'clock. At this time Doctor W. C. Wicker, Educational Field Secretary for the Grand Lodge of North Carolina, will deliver a lecture on the "Ritualism and Symbolism of Masonry." All Masons are urged to attend this meeting. Come!

CORN SELLS HIGH TO DAIRY COWS

RALEIGH, N. C., July 27.—It is unusual for a farmer to get \$4.46 a bushel for his corn in North Carolina but there is a way to do it and Tom Morrow of Iredell County has learned the method. Grind it into meal and feed the meal along with other home grown grains to dairy cattle.

"It takes good cows on a good pasture to pay such returns but the records kept on Mr. Morrow's herd by the tester of the Iredell Cowtesting Association show this to be a fact," says John A. Arey, dairy extension specialist at State College. "An individual record is kept of every cow in Mr. Morrow's herd. During May, the eleven cows composing this herd, produced 311.3 pounds of butterfat which sold for 42 cents a pound and brought in \$130.75. The skim milk left on the farm after the cream was sold had a feed value of \$29.57, making the total income amount to \$160.32." Mr. Arey states that these 11 cows were fed 2,269 pounds of home-grown grain mixture made by mix-

MR. AND MRS. BOOTH WED IN S. C. LAST NOVEMBER

Coming as a great surprise to relatives and friends will be the announcement of the marriage last November 14th, of Miss Christine Anderson, daughter of Mr. and Mrs. R. L. Anderson, of Ogden, N. C., and Mr. Lamond P. Booth, of Asheville.

Miss Anderson was a student at the University of Georgia at Athens and being in the senior class did not wish to announce her marriage until she could join her husband, which was day before yesterday. She finished her course and received her diploma this week, leaving immediately to join Mr. Booth. The young couple were married in Anderson, S. C., each returning to duty immediately.

Mr. Booth, who is formerly from Chicago, is now located in Asheville as the representative of the Galion Iron Works and Manufacturing Company, of Galion, Ohio, and he and his bride will reside here.—Asheville Citizen.

ing together 200 pounds of corn meal, 100 pounds of cottonseed meal and 100 pounds of crushed oats, which was valued at \$46 a ton or \$52.19 for the amount of feed. The animals also consumed oat straw valued at \$6.80 and were grazed on a grass and clover pasture for which a charge of \$2 per head was made. The total feed bill was thus \$80.99, leaving a net income of \$79.33.

On this basis, states Mr. Arey, the cows paid \$9.21 each for their pasture. The cows consumed 23.6 bushels of corn in the form of meal and allowing all charges for the feed-stuffs, the animals paid \$4.46 a bushel for the corn. This does not take into account the manure left on the place.

Therefore, states Mr. Arey, the man who has cows above the aver-

THE FARM TRIP

August 13, 14, 15, 16, and 17th are the dates for the Farm Trip to points in East Tennessee and Western North Carolina.

The schedule includes the following points: Experiment Station at Knoxville; Creamery and Poultry fattening plant at Morristown; Stokely Bros., Cannery at Newport; farms and poultry yards around Greenville, Johnson City, Newland, Linville Falls, Spruce Pine, Swannanoa, Asheville, Canton, Waynesville, Sylva, Franklin, Mountain City and Clayton, Ga. It is planned to reach Swannanoa for the Farmers Picnic at Mcuntain Test Farm on Thursday, August 16th.

If you plan to make this trip see or write Mr. Arrendale at once.

The five day trip should not cost more than \$7.00 to \$10.00.

FINE JERSEY BLOOD IN CLAY COUNTY

Mr. B. Neal Haigler, local hardware merchant and breeder of purebred jersey cows, is the proud owner of Oakwood D's Daisy which is a half sister to Red Lady, owned by R. L. Shuford of Newton, N. C., and recent winner of the President's Medal from the American Jersey Cattle Club as being the highest producing jersey cow in the United States last year. Red Lady produced 1028 pounds of butter fat in one year. Messrs. Mark Weaver and former County Agent, W. R. Anderson owned a yearling bull son, of

age, a good pasture and will grow his grain and hay mixtures at home can make money selling cream. The dairy cow, in his opinion, is one of the very best markets for the surplus feedstuffs produced on the average farm.

SWEETWATER

Mr. Claud Smith and family of Maryville, Tenn., arrived Saturday to spend some time with his mother, Mrs. E. M. Smith and friends.

Mr. Jarvis Palmer and family, after spending some time with his mother, Mrs. W. R. Palmer, has returned to Canton, Ohio, where he holds a position.

Mr. Andrew Atberry and family visited Mrs. Auberry's mother, Mrs. Charlie Hampton, Sunday. They were accompanied by Mr. Green Smith.

On account of it being so rainy, not very many attended the moving picture show Thursday night.

Quiet a crowd of young folks attended the Sunday School convention at Oak Forest, bringing back the banner with them.

Misses Willie Martin and Lucille Cook spent the week-end with Mrs. Nora Martin on Qualla.

Messrs. Guy Martin and Tom Cook accompanied by Claud Hill returned to their work on Shooting Creek Monday morning.

Mr. Mark Auberry and family of Canton, N. C., after spending some time with his mother, Mrs. Louise Auberry, has returned to his work.

Mr. Haigler's fine cow, and Mr. W. A. Taylor owns a two year old heifer also from Mr. Haigler's cow.

It is a real distinction to own a cow out of the Shuford Herd as he has some of the finest jersey cattle to be found in the United States. Mr. Shuford has been a jersey breeder for a good many years and is recognized as an authority on the breeding of jerseys.
