

\$339,800.00 WAR BONDS SOLD HERE

FIGURES ARE GOOD BUT GOAL NOT REACHED IN COUNTY

Gaston County Still Has Approximately \$500,000 To Raise; Only Three More Days To Go; Keep Buying.

All issuing agencies in Cherryville have turned in their report on the Third War Loan Drive and a total amount of \$339,800.00 has been reported. A total of \$45,900.00 was sold in Series E, \$72,900.00 in Series G, \$221,000.00 in Tax Bonds with 2 percent, 7/8. These figures are good, but Gaston county still has approximately \$500,000 to raise. (Out of its quota of \$5,142,000.) North Carolina still needs more than \$20,000,000 of meeting its quota of \$145,000,000, and the nation as a whole is still some \$700,000,000 short of the goal of \$15,000,000,000.

In all history, in time of war or peace, when Gaston county has been called on to do a certain thing either for its own people or for suffering humanity in some far corner of the world she has never failed to do her part. 7,000 Gaston boys and men are offering their lives, are we doing our part? Lets don't fail this time. Buy that extra Bond today or tomorrow, only two more days, Friday and Saturday, October 1st and 2nd, in which to buy that extra bond and make it count on this drive.

ITALY HAS SURRENDERED—LET'S ALL HELP FINISH THE JOB.

WINSTON-SALEM, N. C., Sept. 27.—Sales of all issues of bonds in the Third War Loan Drive will be continued through Saturday, October 2, and sales of Series E, F, and G savings bonds will be continued through October 16, according to an announcement made here today by Finance T. Leinbach, state chairman of the War Finance Committee.

"The Treasury Department in Washington has just announced the extensions in order that all selling agents may have additional time in which to clear their sales," Leinbach stated. There are over 60,000 issuing agents in the United States, and they have manpower shortages like everyone else. In many cases, sales have not cleared through the Federal Reserve Banks due to the time required in contacting the prospects, making the sale, processing the order, and accounting to the Federal Reserve.

"After Saturday, October 2, the three marketable securities, the 2 1/2's, the 2's, and the 7 1/8's, will be withdrawn from sale. Subscriptions for these issues and for Series C savings notes (tax notes) placed in the mail up to midnight, October 2, will be counted in the campaign totals.

"Because of the great wave of current buying by individuals, sales of Series E, F and G savings bonds will be continued through October 16. This will enable workers to complete many additional sales and have them reported in time to be counted in the drive quotas."

Leinbach announced that sales in North Carolina through Saturday, September 25, totaled \$116,000,000 or 80 percent of the state's quota of \$145,000,000.

To the People of this Community:

PLAIN WARNING TO YOU!

Here is a plain warning for you . . .

"This war will last until 1949 or longer if the home front fails to back up our men in battle!"

Frank Knox, Secretary of the Navy.

Buying War Bonds to the point of temporary personal sacrifice is the most direct way you can comply with Secretary Knox's appeal.

"Temporary sacrifice" is the correct phrase because you are only lending your money when you buy War Bonds. This government which never has defaulted on an obligation will pay you back \$4 for every \$3 invested if you hold the bonds for 10 years.

The least you can do is to back the attack with War Bonds today. Buy extra Bonds above your normal Bond buying.

2nd. Baptist Church Here Pays Off Debt On 3rd. Anniversary

In observance of the third Anniversary of its organization, the Second Baptist Church last Sunday had as its guest speaker, Mr. Floyd C. Todd, owner of Radio Station WGNC, Gastonia. Mr. Todd spoke on the subject: "Cash and Character."

At the close of the morning service, a Love offering was received for the purpose of paying off all indebtedness on the church, which was built a year ago last Spring.

After the morning service, a large table near the church was filled with good things to eat and the crowd enjoyed an old-time picnic dinner.

The afternoon program consisted of the ordination of Mr. Lee Heavner to the deaconship of the church, and a community sing, in which various quartettes and choirs, including the Turbyfill quartet, took part.

During the ordination service for Mr. Heavner, Rev. C. E. Brooks, pastor of the Mission Baptist church of Gastonia, delivered the charge to church and deacons.

The church and its pastor join in expressing their heart-felt thanks to the many kind friends and organizations in Cherryville and nearby towns who so generously gave to help rid the church of debt. Near \$1,000.00 was received Sunday, including \$200.00 that was given for the purpose of buying War Bonds to help insure the future of the church.

LEAVING HERE

DR. COLEMAN O. GROVES

Dr. Coleman O. Groves' pastor of the Cherryville Presbyterian church has accepted a call from the First Presbyterian Church of Bishopville, South Carolina and will leave October 15th.

Dr. Groves came to the Presbyterian church here from the First Presbyterian Church in Bowling Green, Ky., where he had served for five years. He and Mrs. Groves moved here and he delivered his first sermon on Sunday, October 4, 1942.

Dr. Groves has faithfully served this congregation and has fully cooperated with the other pastors and churches of the town, he and Mrs. Groves have endeared themselves to the people of this community and it is with much regret we learn of his leaving. However, we rejoice to have this good pastor and wife go into a much larger field and congregation than he is at present serving.

The new pastor for this congregation has not been chosen as yet.

—Buy War Savings Bonds—

The first collection from 100 boxes for cigarettes for our men in the service being sponsored by American Legion, Tryon Post No. 100, was made Tuesday afternoon with a total amount of \$65.56.

These boxes, 34 in all, have been placed in public business houses and anyone who wishes to help buy cigarettes for the boys in the service may drop their coins in these boxes. Let's not think of ourselves altogether. Consider the sacrifices they have been called upon to make and when the urge comes to buy this or that article for ourselves, first drop a large coin into the box for the boys cigarettes.

Tryon Post No. 100 is sponsoring this project and let's all get in the habit of "Our Boys" in the Army, Navy and Marines coming first.

The Royal cafe took first place by having the highest collection of \$8.13. A contest began with the first collection, September 28th, and on each Tuesday when the collections are made the box yielding the most will be presented the American Legion Flag to be displayed in front of their place of business for the week.

This money will be used to send cigarettes to the boys in service from this community. The first shipment is hoped to be made this week and the boys overseas will be sent the first shipment. The names of the boys who are sent cigarettes will appear in the Eagle later. An invoice from the cigarette company who ships the cigarettes will be here and the amount collected each week will be published in the Eagle. The public may have the privilege of checking the invoices with the amount collected here at the Eagle office. Back our boys and let them smoke.
