

Mother's Day

(somewhere in Europe)

...She was taking her little boy down to the milk depot.

A low-flying plane, marked with a Swastika, found her.

She is dead now. Mother's day is done.

What will happen to her little boy?

Who'll hold him and comfort him when he cries?

Will he find something to eat?

Where will he sleep tonight?

It's up to you. Through our community fund and the National War Fund, your contribution...your generosity can help this child and others like him in the shattered countries of the world. And it can help war-shattered families here at home...provide visiting nurses...combat juvenile delinquency.

But that's not all your giving will do. Maybe there's some mother's boy...a prisoner...behind barbed wire in a prison camp. He needs help. Maybe you have a boy away from home—in an army camp—or on patrol—far out at sea. He wants books...a game...something to help ward off loneliness. Your giving will help him because some of the money goes to the U S O.

This year many of the war agencies, to which you gave last year, have joined in the National War Fund, which with your local welfare agencies seeks *one* generous gift from you in place of *many* small ones. It is *united* giving for a *united* cause...on three fronts...the home front, the military front with our armed forces, and the United Nations front.

So look deep into your heart—dig deep into your purse...and give generously... Once for All these. Add up what you gave last year...*then double it!*

Give *ONCE*
for *ALL* these
