### LETTERS from

### Our Boys In The Service

The Cherryville Eagle, Cherryville, North Carolina.

Dear Fred:

Wish to thank you for being so kind as to keep the hometown paper coming even though my subscription might have elapsed before I thought to send the money for a renewal. I am enclosing a money order for one dollar and fifty cents (\$1.50) and trust that you will keep sending the paper to me for it sure does help to keep me in touch with the things that have been going on around the home town. As soon as practicable I believe that it would be a good idea if you would change over the mailing address, so that the paper might possibly arrive quicker. The correct address is noted below. Again I thank you for your interest and wishes for the welfare of all the boys from our home town. This leaves me and several of the other home town boys in this location getting along fine. Have been able to see some of them quite often and that makes it more interesting for each of us while we are away from home. Yours truly,

Sgt. CARL E. WEBB 34129974 Hqs. Co. Alaskan Department APO 942 Postmaster, Seattle, Washington.
