

# GARDENS for VICTORY

## A Wartime Necessity

### How This Community Can Help Win the War

GROW A VICTORY GARDEN, BUY WAR BONDS AND STAMPS. BUY AT HOME AND SUPPORT LOCAL INDUSTRIES.

Today's struggle is being won not only on the field of battle; but on the home front. Everywhere there is the cry for more food to feed our fighting men, our allies and ourselves and that's a job for the Home Front.

Realizing the important part Victory Gardens can play in the welfare of this community and its contribution to the war effort, the firms and individuals listed below urge all who possibly can do so to grow a Victory Garden.
