

# YOUR INVASION!

**F**ROM General Bradley, leading the Invasion ground forces, right through every rank, American men now face a brutal, desperate, able enemy. For this invasion has only begun—before our fighters lies a hard and bloody task, one that demands all *their* courage, backed by *all your faith* in their ultimate victory.

That faith will be tested many times in this invasion—in grim struggles, setbacks, possibly even temporary defeats. It will be up to you to remember that early victories usually only mean more

savage opposition from a foe made more bitter, more ruthless as the shadow of his doom grows larger—up to you to keep that faith in days and nights of gloom as well as in hours of triumph.

There is little that you can do to show that you realize what *they* must face, perhaps for many months. But one thing you *can* do—back the attack with every dollar you can spare! Let the Bonds you buy in this greatest of Drives be the measure of your belief in their ultimate victory!
