IRONMEN DEFEAT BESSEMER CITY

Hinkle Races 68 Yards For Touchdown

The Cherryville Ironmen gained their second non-conference victory last Friday when they defeated the Bessemer City Scrappy Lads 31-6. The Ironmen opened with a bang in the first few minutes of the game. The Scrappy Lads kicked off to the Ironmen and it was run back to the Cherryville thirty-two yard line. On the first play of scrimmage Howard Hinkle circled his own left end and raced 68 yards for the score. Summer kicked the extra point. After this the Ironmen were never headed as they scored four more times. In all Hinkle scored twice, Sigmon, Dellinger, and Quinn once each. Bessemer's score came in the 4th period when Cherryville was penalized three times of 15 yards each. Then a short pass to Dixon for the touchdown.

Outstanding for the Ironmen in the line were Summer and Elliott. Elliott was especially good on defense. The backfield stars can be named from the scoring above, Hugh Dellinger, Shrine All Star candidate, played his usual fine game. He, in the opinion of his coaches, is the best back in the conference this year. His defensive play leaves nothing to be desired. On offense, he can pass, run, and kick with the best of them.

Clover Airborne Chaplain Now Serving in Holland

LT. COL. GEO. L. RIDDLE

WITH "ALLIED AIRBORNE TROOPS, HOLLAND.—Lt. Col. George L. Riddle, a veteran of Africa, Sicily, Italy, Normandy and the Netherlands, now is fulfilling his duties as division chaplain with the 82nd Airborne Division in Holland. He was landed by glider during the airborne invasion of this country.

Commissioned in the Infantry Reserve in 1931, Chaplain Riddle transferred to the Chaplain's Corps in 1939 and was called into active duty in 1940. He joined the 82nd All-American before it was converted to the First Airborne Division.

As one of the first airborne "flying-gliding" chaplains, Col Riddle was with his division in Sicily when he and two other officers invaded the unoccupied town of Paecoe. They were amazed, the chaplain recalls, when 250 Italian soldiers insisted upon surrendering. The two regular line officers, engaged in an important mission, were unable to escort the prisoners, so the chaplain volunteered. Armed with nothing but a cane, and picking up other prisoners along the route, Chaplain Riddle reached the prisoner of war cage at the division command post, four miles distant, with 505 surrendered Italians.

The chaplain also distinguished himself in Normandy, where his glider crashed in front of a German pill box. Strafed with machine gun fire, the colonel, leaving the other occupants in the protective cover of a ditch, ran and crawled several hundred yards to get help for the stranded glidermen.

Among other accomplishments Chaplain Riddle was with the first troops to enter Naples, and held

The United National War Fund Drive is being conducted today. Chairman, S. M. Butler, has made all plans and work started early this morning. The Quota for Gaston County is \$67,920 with Cherryville's quota amounting to \$5,026.08.

Mr. Butler is confident he will have no trouble in going over the top today, knowing the spirit of co-operation which has always been extended in matters of this kind.

These funds will go for the USO and other agencies which have all been combined into one National War Fund and eliminate the necessity of so many small drives during the year. Some of the various places these funds will be used are for work in army and navy hospitals, for overseas service clubs, services for prisoners of war, foreign war relief, services at home for men in the service, and many other agencies.

Give as freely as you can. Victory starts here at home in the hearts of men. Humanity is on the March.

Your gift starts at home but goes round the world.

The National War Fund, acting as your agent in this effective use of your money, expresses appreciation on behalf of the millions throughout the world who have been strengthened in their will to win.

Here Two Years

REV. LUTHER W. HAWKINS Blind Trio To Sing For Anniversary

Next Sunday, November 5, will be the second anniversary of the pastorate of the Rev. Mr. Luther Hawkins, as pastor of the Second Baptist Church of Cherryville.

Two years ago, on the first Sunday in November, 1942, Mr. Hawkins brought his first message as pastor of the local congregation.

The second Baptist Church had been on a half-time basis, with worship services on the first and third Sunday mornings and second and fourth Sunday evenings. The schedule continued thus until the first Sunday in October, 1943, eleven months. At this time the church felt that its growth had been sufficient to go on a full-time schedule, and asked the pastor to come with them for full time, with morning and evening worship each Sunday. Accordingly, he resigned his work as pastor of the Oak Grove Baptist Church in Cleveland County and accepted the fulltime pastorate at Second Baptist Church.

In observance of the second anniversary of the Church, the Davis Trio, consisting of Pauline, Thornton, and Floyd Davis, three blind young people of Gastonia, will be guest musicians for the morning service next Sunday. The program will consist of special music by the Davis Trio, congregational singing. Impromptu remarks by members of the church, and a short devotional message by the pastor.

The Davis Trio is well known over the State of North Carolina, having made personal appearances in some of the States largest cities. These blind folks sing only hymns and conventional religious songs. Pauline, the girl member of the trio, has been called by many, "the Kate Smith of North Carolina." Her work as soloist is commendable. Friends of the church and its pastor are invited to attend these services. A hearty welcome is extended to all.

W. T. ROBINSON ACCEPTS POSITION IN CHARLOTTE

Mr. W. T. Robinson has resigned his position at the Cherryville Foundry and accepted a position with Bewis and Hunter Certified Accountants in Charlotte. Mr. Robinson has already entered upon his new duties. His friends wish for him much success in his new work.

Marketing Quotas and acreage allotments for 1944-45 wheat have been officially ruled out by the War Food Administration. It points out, however, that overproduction will result in burdened supplies.

The Cherryville School will observe national Education Week by having "Open House" on Thursday, November 10th, 1944, at:

Elementary I from 10:00 to 11:30 A. M. Elementary II from 2:00 to 3:15 P. M. High School from 7:30 to 9:30 P. M.

The public is cordially invited to attend.

The theme for Education Week is "Education for New Tasks." Many tasks confront the American people today. Our immediate task is to bring the war to an early and victorious end. In this effort the schools are playing a vital part.

At the same time they are laying the foundations for the years of peace to come. They are preparing children, young people, and adults for the new tasks which confront the country.

When the war is over our country will be faced with the problem of readjustment which in many ways will be as difficult as the problems of mobilization. Millions of men and women must be trained for new jobs. Boys and girls in school must be prepared to meet the readjustment. We cannot in this postwar period permit the youth to become a lost generation.

We are on the road to victory. Can we build a lasting peace? Education is the promotion of peace. To this task education must dedicate its full force.

All of the new tasks which confront our society as a whole in some way deal with our schools. For the schools are of society and their task is to build society by developing good citizens.

Let us utilize the power of education to fulfill the promise of America and to enable us to do our part among the family of nations in the establishment of a just order of affairs in the world.
