

Keep grinnin'—you're winnin'! George, who is well on his way to recovery after a crippling attack of infantile paralysis, gets a pep talk from the gang. The visitors, now in perfect health, once were victims of polio themselves. All were aided by the Middlesex County (N.J.) Chapter of The National Foundation for Infantile Paralysis. Your contributions to the March of Dimes, January 14-31, will help thousands of youngsters like these to win their fight against infantile paralysis.

Nine swell reasons to give to the March of Dimes. These youngsters walking out of Miami's Jackson Memorial Hospital, won their battle over infantile paralysis last year, thanks to dollars and dimes given to the 1944-45 Appeals of The National Foundation for Infantile Paralysis. The March of Dimes this year occurs January 14-31.
