### In New Mexico

2ND LT. KENNETH MAUNEY

2nd Lt. Kenneth E. Mauney, 19 son of Mr. and Mrs. N. B. Mauney, 817 N. Andrew Ave., Ft. Lauderdale, Florida, after spending a short furlough there with his parents, has returned to Albuquerque, New Mexico where he will be assigned to a plane. Kenneth received his commission and wings as Bombardier December 16, at Deming, New Mexico, after completing gunnery school at Kingman, Arizona. He entered the army as an aviator student in September, 1943, being classified as bombardier at Santa Anna, California. Lt. Mauney is a graduate of Lauderdale High School.

### LETTERS FROM SOLDIERS

24 December 1944  
Paris, France

Personnel  
Carlton Yarn Mills  
Cherryville, North Carolina  
Dear Folks

Today I received your kind and thoughtful expression of Christmas good wishes in form of package submitted thru American Legion, Tryon Post No. 100, Cherryville, North Carolina. We all wish it were possible to reciprocate these extensions of neighborliness and love for fellow man. But conditions are such that it is impossible to do this in a material sort of way. However we can and do assure you that it is gestures of this nature that make us realize how insignificant we are as individuals; but on the other hand be assured that our hearts are filled with joy and pride in the knowledge that the people with whom we were reared and hold so dear have not forgotten their contributions to an Army so great that hardly an outpost of civilization is not familiar with GI uniforms and greasy fatigues.

The fruit cake, candy, and articles for Him are well and some thing everyone appreciates. The real Down Home touch comes in the form of the raw goobers. The eating of peanuts in this form is strictly an old Southern Custom. Only people from down there know of such oddities. To send a Southerner a gift of this category makes him know that his people are what he has always been so proud of. Tonight when we opened the package all the boys from our section partook greedily of these goobers. It was only after we had assured the fellows from the other sections that peanuts were actually eaten in this form that they came in for the feast. Be assured they were not disappointed. We all ate and we all enjoyed it, thanks to you people.

In closing, accept, please, my thanks for your gracious overture on this perhaps our saddest Xmas. Let's hope the next and all the rest can be spent in a manner that is a tribute to the One whose birth this date commemorates.

Sincerely,  
PRATT QUINN

7 January 1945  
Somewhere in Belgium

Dear Fred:  
Perhaps the "Cherryville Eagle" has been read in other corners of the world, but I can assure you that it receives a maximum amount of attention from this "G.I." I feel certain that you have received lots of letters of appreciation from the "boys away from home" for bringing a touch of home into the foxhole and I wish to add my vote of thanks to that list.

Since the Army is highly "Mobile," I wish to make certain that my copy comes thru—Please forward it to the new address, which is Sgt. Blaine W. Eaker 3459823 3421st Ordnance MAM Co, APO 228, c/o Post Master, New York 4, N. Y.

Sincerely  
BLAINE E.

My comrades and I appreciated the package very much. Wishing you all a Merry Christmas and a Happy New Year.

Forrest E. Hall  
Greetings from Germany and thanks a Million for the package. Cigarettes and candy are really scarce at the front and these items will be used by me on a rationed basis, and as for the fruit cake, it's probably the only one in Germany. Hope the above expresses my appreciation plainly enough.

Russell B. Leatherman

The package was sincerely appreciated by my friends and me fighting in Germany.

Received your package Nov. 28. I am sorry I haven't had time to thank you sooner. Thanks very much for the package. The peanuts were really good. Best of luck to all and thanks again for the package.

Paul D. Kistler  
I can't express in words just how much I appreciate or how surprised I was to receive the package from you. I won't even try to because you men were in the last war and you know what the score is without me trying to tell you how good a guy feels to know that people are thinking of him at home.

Thanks for the package. Wishing you all a Merry Christmas.  
Howell Stroup.

Enjoyed the gift very much. I wish I was there to thank you in person for it. I hope that day isn't so far off. So thanks again.

Gene McGinnis  
Twenty years ago you in khaki were winning your battle on the front. The world said "Well Done." Today the world sees you through courage and insight gained then, not only winning your new fight on the home front but also helping us who are in khaki to win ours. Thanks for the Christmas package.

David Paul Bean

Christmas package Dec. 23rd. I received your very welcome want you to know I appreciate this very much. I hope some day to thank you personally; at the present that is impossible, so I'll thank you by mail. Wishing you the best on the coming year.

John P. Beam  
I received the package today, Dec. 20, 1944. Thanks a lot and I really appreciate it.

Frank Newton

I wish to thank you and the employees of the Carlton Yarn mill for the nice package that I received yesterday, Dec. 19th. It reached me in good condition, and I enjoyed it very much. I sure was surprised to get a package from the Legion and the Carlton Mill being I hardly know any one in Cherryville. I want you to know though that I am grateful.

Joseph Tedder  
I received your swell box the other day. Not only myself but a part of my buddies really enjoyed it. It came in an awful good time. I was good and hungry. I want to thank each one of you again.

Joseph (Ovie) Heavner  
On the twenty-second of this month I received the highly appreciated package you sent me for Christmas and I want to thank you for your thoughtfulness. I find that I do not have at my disposal words to express my heartfelt thanks. I opened the box and shared it with all the fellows in my barracks and they all join me in thanking you for this box. I feel sure that we will all be just a little better soldier. I know we all are happier than we would have been. So once again I will just have to say "Thank You," because I can think of no better word to express our (and my) deepest gratitude.

D. W. Jerome  
Italy

Gentlemen:  
I received the package you sent a few days before Christmas. Was thoughtful of you to remember us boys that are away at Christmas time. Wish to assure you the things you sent are greatly appreciated and added much to make Christmas a Merry one.

There is but little I have to say, especially to you fellows who have had the same experience as we boys are getting today. I'm sure you had it rough and tough as to the way we find it. Now the army has many conveniences that were missing when you were a member. I'm glad we don't have to wrap leggings and a high neck blouse like you wore. This is only a beginning of how lucky we are.

Isn't any too much I can say about what I'm doing. Since being overseas I have been with this Halfway Shop Bn. which operates what is known in railroad towns as a back shop. We do only the heavy work on locomotives.

Thanks again for the nice package.

EMMETT H. HOUSER

Meredith Opens Spring Term

RALEIGH, Feb. 3. — Enrollment for the spring term will be held at Meredith College on Monday and classes will open at 8:30 on Tuesday morning.

Graduating exercises were held on Friday of last week for the January graduates, after a week devoted to first semester final examinations.

The record student enrollment the largest in the 46-year history of the college, is expected to remain at the same level next semester, President Carlyle Campbell announced yesterday.

The annual Founders Day exercises are scheduled for Friday, February 9, and Dr. George Harton Custon, President Emeritus of Colgate University will deliver the principal address at the 11 o'clock convocation period in the morning.

Contrary to the belief of most people, tight socks, rather than cause a child's feet to turn inward do just the opposite and do cause them to turn outward.

### Cherryville and Lincolnton Tie Game

Once again the Cherryville-Lincolnton girls were in a mighty battle for the second time this year. The game proved to be the best played this season as Cherryville tied Lincolnton in the last few minutes of the game.

At the beginning of the game Lincolnton outplayed Cherryville but Cherryville got their spirits back at the half and tied the game 22-22.

At the half Lincolnton had Cherryville 14-8. Then Cherryville came back in full swing to make the score 21-20 just a few minutes before the game ended. In the last few minutes the girls of both teams played hard. One of Lincolnton's girls received a foul shot which was made good. The crowd began to roar as only a few seconds of the game was left and Lincolnton feeling they had won the game. Never a second did the "Ironwomen" give up. Dellinger through a nice pass to Jackie Helms which was made good just as the whistle blew, tying the score 22-22. Both Cherryville and Lincolnton are still leading teams in the conference as both teams have lost only one game.

High score for Cherryville were Dellinger, Nell, and Jackie Helms receiving 11 points each, while each were outstanding players.

THE BOYS  
Lincolnton Boys beat the "Ironmen" 53-19 for their second victory of the season, although Cherryville was out weighted and smaller they showed the fans a thrilling game. Cherryville is proud of their team as they have fought hard in each game and have given their opponents much trouble. The entire "Ironmen" team was outstanding as Ed Elliott was high score for Cherryville receiving 7 points while Bill Elliott received 6. Yoder was high score for Lincolnton, receiving 24 points to his credit.

Don't forget the big triple game tonight as there will be a lot of fun in store for everyone. Cherryville teachers will play Capt. "Tot" Dellinger's team as the High school will play the All Stars.

### WANTS FRANCE INCLUDED IN RESHAPE MAP

Britain Would Invite De Gaulle To Sit In On Planning Conference; French Feeling High Since His Exclusion From "Big Three."

LONDON, Feb. 7. — Inclusion of France in a big power conference dedicated to the settlement of "political decisions on the redrawing of European frontiers" was endorsed today by the British government.

With French feeling running high over the apparent exclusion of General Charles de Gaulle from the Roosevelt-Churchill-Stalin talks, Minister of State Richard Law told the House of Commons that Britain believed the reshaping of the European map "must be decided later by all the powers together."

Law made his statements as a substitute for Foreign Secretary Anthony Eden and Prime Minister Churchill.

The question was raised whether the British government endorsed what was quoted as the "official statement made by General de Gaulle in Paris on Jan. 25 that both east and west banks of the Rhine must belong to France."

Law replied that according to all accounts he had seen of de Gaulle's press conference of Jan. 25 the French leader did not say both banks must belong to France but "referred only to the military occupation of certain areas by French forces."

Law did not elaborate on his reference to a future big power conference on redrawing frontiers and remained silent when Cmdr. Oliver Locker-Lampson, conservative, asked whether there was "any permanent security for France until this traditional frontier is safe."

In a later discussion of the recognition of governments of newly liberated countries, Law reiterated Britain's stand in favor of free elections as soon as possible.

Law said the government's policy was based upon objectives broadly laid down on the Atlantic Charter, adding:

"But the government does not regard any provision of the charter as meaning that in no circumstances could any change of enemy territory take place without the consent of the present inhabitants."

"Does not the interpretation of the Atlantic Charter make it sound a complete humbug?" asked Laborite R. Sorensen.

"No sir," Law replied.

The youthful minister of state also expressed the hope that Britain would not be invited often to supervise elections in countries taken from the enemy.

Law said there was no intention of establishing diplomatic relations with Finland, Bulgaria or Rumania during the armistice periods.
