

# FARM LOAN ACT AMENDED BY CONGRESS

## CHERRYVILLE JRS. PLAY CHARLOTTE HERE SATURDAY

Last Home Games Of Season At 4:30 P. M.

Game To Be Played At High School Park; Large Crowd Expected To See Good Game.

The strong Cherryville American Legion Junior base ball team will play their last home game here Saturday afternoon at 4:30 at the high school park, when they meet the Charlotte junior team. Although eliminated from further play the Cherryville team have given fans throughout this section some good base ball, and their standing should be second, but losing some good games, by the scores of 1 to 0, 2 to 3, 5 to 6, etc., is evidence enough to prove as the old saying is: "the breaks was against them."

Cherryville is proud of this fine bunch of boys, their conduct on the field as well as on the streets have been of the highest standard, and the community will miss them.

The coach, Maury Greason has proven himself to be one of the best coaches in the league and the fans are hoping that he will return again next year and give Cherryville and community some more fine brand of base ball.

Shelby, has the best team in the league and Cherryville should have been ranking second.

John Stancy, Cherryville's pitcher is rated one of the best in the league and will in all probability pitch against the Mecklenburg boys Saturday.

### BIG THREE IS NOW HOLDING 2ND. MEET

Little News Leaks Out From Conference.

POTSDAM, July 18.—Three veterans of old battlefields—President Truman, Premier Stalin, and Prime Minister Churchill—conferred again late today, with Allied victory in the Pacific a pressing goal.

This second formal meeting of the Big Three was as heavily blanketed by security as yesterday's, but the trend of thought among the American and British delegations seemed to make it certain that the ways and means for Japan's defeat would be fully aired before the Soviet leader.

Earlier in the day, Truman conferred separately with Churchill and Stalin. The day's events indicated the leaders were agreed upon reaching as promptly as possible full agreement on the issues facing them—issues upon which a speedier end of the war with Japan and the future peace of Europe may depend.

### TRUMAN'S GOALS

Truman, the presiding officer of the tri-power sessions, seeks as his chief goals a quicker triumph over Japan and the bulwarking of peace through solution of long-standing disputes.

He lunched today at 1 p. m. with Churchill, and then later with Stalin. He was accompanied at the second luncheon by Secretary of State James F. Byrnes, his close friend and an experienced negotiator.

Under cloudy skies, the President walked from his residence to the local equivalent of No. 10 Downing street, and was greeted at the gate by Churchill and his soldier-daughter, Mary, an announcement from the British delegation said.

Fifty troops of the Second battalion of Scots guards formed an honor guard on the tree-shaded lawn, and a Royal Marine band struck up the Star Spangled Banner.

Truman and Churchill talked cordially on the terrace while photographs were taken, and then lunched inside at a table set for two. When Truman was leaving, Byrnes emerged from British Foreign Secretary Anthony Eden's house next door, where he had lunched, and met the President at the entrance. The British delegation did not say how long Churchill and Truman conferred, nor was there any hint of their topics.

### STALIN IS HOST.

Stalin was host to the President at 3 p. m. at a comparatively brief luncheon, but there were evidence that it was cordial. Caviar, fish, and meat apparently were on the menu.

Byrnes, Foreign Commissar Vyacheslav Molotov, the President's military and naval aides, Brig. Gen. Harry H. Vaughan, and Capt. James K. Varlamon, Jr., and Charles E. Bohlen, State department Russian experts, also were guests of Stalin.

Byrnes—like Truman—is an experienced veteran of compromises smoothly worked out on Washington's Capitol Hill, and now as Secretary of State brings that experience and diplomatic ability to discussions of vital international problems being worked out here. He was an advisor to President Roosevelt at the Yalta conference and other meetings.

Truman's calls today returned the visits paid him by Churchill on Monday and by Stalin on Tuesday. The President is understood to be planning a dinner soon which Stalin and Churchill will be honored guests.

British and Russian officers seemed agreed that the Stalin-Churchill choice of Truman to preside, even though he is the "freshman" member of the three power conference was a cordial diplomatic handshake to the Missionary.

### FIRST CHAIRMAN.

This is the first Big Three conference which has had a formal chairman. It was reported unofficially from Tehran in 1943 that the late President Roosevelt then was informal chairman most of the time. At the Yalta meeting, Stalin was understood

### Lending Powers Of Land Banks And Farm Increased

John F. Gaylord, Sec'y.-Treas., of Charlotte Nat'l. Farm Loan Makes Announcement.

### Hitler Is Reported Hiding In Argentina

WASHINGTON, July 17.—The State Department is going to check up on a report that Adolf Hitler and Eva Braun are hiding out in Argentina.

It directed the U. S. Embassy in Buenos Aires to follow up a Chicago Times story from Montevideo which said Hitler and his alleged wife have found a haven in Patagonia.

Argentina has assured other Allied governments that it would not harbor Axis war criminals.

The Chicago Times story was from Correspondent Vincent DePascual. He said he was virtually certain that Hitler and the woman he is supposed to have married in Berlin's last days "are on an immense, German-owned estate in Patagonia."

The pair reportedly landed on a lonely shore from a German submarine which supposedly returned to surrender to the Allies.

Other stories have had Hitler put to death on his own orders. Some Germans claimed to have seen his and Eva Braun's burning bodies in Berlin. The Allied sources have not agreed definitely on what happened to them.

### Cpl. J. W. Knight In Hospital Now

MIAMI BEACH, Fla. 16 July.—Cpl. J. W. Knight, husband of Mrs. Jewel Knight, Cherryville, N. C., has been admitted to the AAF Regional and Convalescent Hospital, Miami District, for rest and treatment.

### AUSTRALIAN PAPERS HINT "BIG NEWS" IN OFFING ABOUT JAPS

Newspapers in Sydney today published speculative reports that "big news" relating to Japan would be forthcoming soon.

One conjecture was that Japan may be suing for peace, another that Russia may have decided to enter the Pacific war.

(Acting Secretary of State Joseph C. Grew in Washington denied last week that any genuine peace overtures had been received from Japan.)

"The end of the war may come with dramatic suddenness," commented the Sydney Sun.

"Hirohito is still the god-emperor, the editorial said. "By one stroke of a pen he could relieve Japan's terrors and make peace. There is every reason to believe that United States policy is preserving him for that part in the drama."

The Morning Herald said that nothing short of the Allies terms would be acceptable, but added that Japan is without military hope and might seek to revive "German" late.

### REVIVAL MEETING BEGINS ON CHERRYVILLE CIRCUIT

A Revival meeting will begin at the Bethlehem Methodist Church on Sunday, July 22 and continue through the week.

On Sunday, August 5th, a Revival meeting will begin at St. Paul's Methodist church and at Bess Chapel Methodist church, August 12th, and Mt. Beulah Methodist church September 2nd.

Rev. N. C. Osborn is pastor on this circuit and will have charge of all the meetings.

Mr. John F. Gaylord, Secretary of the Charlotte National Farm Loan Association, said today that under the new legislation recently enacted by Congress, it will be impossible for the association to handle loans more expeditiously and that with more of the lending process turned over to the associations, the prospective borrowers will be told more quickly of what action will be taken on their applications for long-term loans from the Federal Land Bank of Columbia.

Under the new law, the land bank may lend up to 65 percent of the normal agricultural value of the farm, whereas since 1917 it has been limited to 50 percent of the appraised value of the land plus 20 percent of the permanent improvements.

Land Bank Commissioner loans will be continued for one year from July 1, 1945. They may be made up to 75 percent of the normal value of the farm. However, the contract interest rate on these loans will be 5% except to veterans who may borrow at 4 percent in the event the loan is guaranteed under the G. I. Bill of Rights.

The contract rate for land bank loans through the association will remain at its present all-time low of 4 percent.

Secretary Gaylord said that many of the Commissioner loans have been reduced to a point where they can be easily refinanced with 4 percent land bank loans which will give these borrowers savings of 1 per cent.

The office of the Charlotte Association is located opposite the Court House in Charlotte and handles land bank and commissioner loans in Gaston, Lincoln, Cabarrus and Mecklenburg counties.

### ARGENTINES SAY TWO NAZI SUBS SEEN OFF COAST

BUENOS AIRES, July 17.—Argentine naval authorities are and possibly two submarines were sighted off San Clemente del Tuyu today only a few days after the German U-530 surrendered at Mar del Plata.

(The British Admiralty said yesterday four German submarines had not been accounted for.)

The editor of the newspaper El Tribuno of Dolores, near the Atlantic Coast told the Associated Press there was no doubt that two submarines were sighted by more than 100 people shortly before 11 A. M. today. The editor said the vessels surfaced three miles off San Clemente.

The Argentine government has decided to deliver to the United States and Britain the German submarine U-530 which surrendered July 10th at the Argentine port of Mar del Plata, it was learned today.
