LETTERS FROM SOLDIERS

Mrs. Steve Stroup has received the following letter from James T. Reynolds, 311 C, who was aboard the USS Missouri, when the peace treaty was signed. U. S. S. Missouri Sept. 7, 1945.

Dear Aunt Bessie: Sure was glad to receive your letter of Aug. 17 and to know everything is well—I should say, more than well, because the surrender of Japan, Glenn coming home and Gene at home. I guess you were happy. I was glad you had time to sit down and write a letter to me. I am so grateful that peace has come at last, and everybody can get back to normal life, when there is happiness, to their loved ones and realizing this war has brought a lot of sorrow, and loneliness, and deaths.

We should all be grateful that God chose us for the right side, and we should stay that way. I guess you knew the surrender ceremony was taken place on the "Missouri." This ship really did look good at the signing. Gen. MacArthur, Admiral Nimitz signed for us, Japan, China, Great Britain, France, and a lot more I couldn't see too many things. I was at quarters three hours, and was tired standing. Its something I will never forget the way this war has made History at this occasion. So they will probably change the History books. I hope of seeing you in Oct. or Nov. or I sure hope so.

It will be so good to see you and all the other people. We just left Tokyo bay, and we are going to Guam to get Admiral Nimitz a five star Admiral in charge of the Pacific operations. I heard we were going to take him to New York.

We did have Admiral Halsey, a 4 star Admiral in charge of the third fleet. He went to the "South Dakota" ship. Let me tell you about her, she has shot down more Jap planes, than any other battleship, 164 planes, and sank 3 Jap cruisers. She has been out here since D.2, been back to states once because two bombs hit her. We have eleven Jap planes to our credit. Pretty good for the short time we were out here.

We had one Jap plane to hit us at Okinawa, and a 500 pound bomb picked this 45,000 pound ship out of the water like it was a feather. We thought we had been hit by a torpedo. Another plane wing hit us after we hit him. Very few people were killed all the time we were out here. You notice we can say what we want to, now. When we first came out here we supported Iwo-Jima, and a plane was coming for our carrier, and that was our first plane. Those boys on the carrier saw us fire and said: Please be careful where we fire. We are going to be in New York Navy Day, Oct. 27. They want to show this ship off. "Show Boat, I guess".

I will get leave the first of Nov. It's hot here. Tokyo was cool after our first day there. Fujima is really pretty.

I hope to see you soon, and that home cooking of yours. Lots of love, JIMMY James T. Reynolds S 11 C U. S. N. R. U. S. S. Missouri, 7th Div. Co Fleet Post Office San Francisco, Cal.

CHERRYVILLE "IRON MEN" DEFEAT SPENCER LAST FRIDAY, 20 TO 0

The Cherryville Ironmen blasted Spencer here in the Season's Opening game last Friday by the score of 20-0. Led by a fast-breaking backfield and a hard-charging line the Ironmen continuously pushed the Spencer team all over the field.

The first quarter saw the two teams testing each other's strength. This quarter showed the power of the Cherryville line as they blocked a punt that set up the score in the second quarter. Captain Hub Black plunged over from the 5 yard line for the score. Cherryville led 6-0 as the extra points are no good. In the second half the Ironmen opened with a bang. Pint Size Harry Rudisill got away for two nice gains to set up the score. Tom Quinn then passed Co-Captain Yates McGinnis for the score. Wright plunged in an extra point. Spenhen

then took possession of the ball and connected several times with passes but they never came close to scoring as the Cherryville line kept charging. In the fourth quarter the Ironmen were led to another score as Edward Elliott blocked a punt and Joe Cooke recovered. Captain Hub Black plunged to the Spencer ten yard line and then Quinn connected a pass to Carol Wright for the score. Quinn also passed to Wright for extra point. That ended the scoring in the game.

The game was had fought and well played. The entire Cherryville line of McGinnis, E. Elliott, R. B. Robbs, Blackwood, Cooke, Elliott and Hayes, played wonder full ball and the backfield of Quinn, Costner, Wright, Rudisill and Black left nothing to be desired in the way of running, passing and punting.

Soil Conservation

Terrace lines were staked recently to be built by the county terracing units and by farm tractors on the following farms: Herbert Hanna and Sloan Stowe, Ralph Suggs, Church Armstrong and R. L. Brison, all RFD 3 Gastonia; Dewey O. Ford, A. G. Bell, E. C. Paysour, all RFD 2 Bessemer City.

Soil samples were taken in several fields from E. C. Pasour, Route 2 Bessemer City, one of which will be seeded in alfalfa next spring. These soil samples were taken to determine the elements required for the successful establishment of alfalfa.

Chas. K. Foy Route 1 Gastonia, had the timber scaled recently on his farm, located in the Chapel Grove section, as a part of the assistance made available to him in cooperation with the Soil

Fujiyama. The crew was at battle stations as the ship passed heavy gun emplacements a few thousand yards away from the island of O Shima, guarding the approach to Yokosuka, Jap naval base.
