MRS. SHERRILL'S 1st Grade

We all enjoyed the Christmas holidays very much, and Santa was real good to all of us.

On Thursday of last week the first grade had their annual "Doll Show". We enjoyed seeing all the beautiful dolls. Mrs. Sherrill wrote the dolls names on the board and we had fun saying them. We drew pictures of our dolls and put them in a book. Mrs. Hugh Putnam came in to see us, and she thought each doll was a winner. We were glad to have Mrs. Putnam to come to see us.

The boys in our room really brought the guns to school. They really had fun wearing their good looking "cowboy" suits.

Christine Cadwallader spent the Christmas holidays in Pittsburgh, Pa. with her grandparents. We enjoyed hearing her tell about her trip there.

We want to say Thank You to Mrs. J. T. Allen, Anita's mother, for the delicious home made candy cane cookies she sent us before Christmas. We appreciate very much the nice remembrances our parents do for us. Here's wishing each one of you a very Happy New Year.

MRS. AVERY'S 1st Grade

We are glad to be back in school and every one has started to work again.

Our class had a toy show Thursday. We had dolls, all kinds, guns, walking birds, tractors, tinkertoys, watches, footballs, cowboy suits, trucks, and purses in our show.

Julian Papot brought life-savers for us to serve at our Christmas party. Thank you, Julian.

We are sorry to have Julian Clark, Ricky Mauney and David Peeler out sick. We hope they will soon be back.

MRS. L. BEAM'S 1st Grade

School began after the Christmas holidays with many absences. Janie Snead, Dorothy Randall, Roger Harrelson and Randy Waterson were absent the three days after Christmas and many more were absent one or two days, but we are glad they are all back in school today, sorry they were sick. We just bet everyone had too big a Christmas. Joyce Foster has been absent also, she and her mother spent Christmas in Washington.

Everyone came back to school with a long list of nice things. Santa Claus had brought them for Christmas. He was real nice to everyone. We all had a Merry Christmas. Santa Claus gave so many of the little girls dolls for Christmas that we decided to have a doll show on Friday. So we numbered our dolls, placed them on the table, and asked Miss Whitworth, Mrs. Carroll and Mrs. Crocke to be our judges. Doll No. 14, Kathy Sue Rains doll, won first prize. Doll No. 13, Dianne Carroll's doll, won second prize. The dolls were all so pretty it took the judges a long time to decide which one was the prettiest. We want to thank them for helping us.

Now that vacation days are over we are all ready to begin work again. We have many books to read and workbooks to finish, which means lots of work for everyone. We are now reading our fourth book, "We Come and Go". Those who have not missed a day this school year are: Jerry Lee Beam, Richard Finley, Judy Morrison, Brenda Turney, Kay Brackett and Dianne Carroll.

MRS. CARROLL'S 3rd Grade

We enjoyed the Christmas season very much. Santa was real good to us. When we came to school last Wednesday during our English period, we had the privilege of telling the members of our class about the many nice toys and things we received at Christmas.

Our hearts were saddened Friday afternoon about 4:30, when we heard about Garry Cooke's accident. Garry is a member of our grade and is the son of Mr. and Mrs. Paul Cooke of the Carlton community. Garry received first and second degree burns of the face and both eyes, when some powder he had scrapped up, from where the New Years Shooters had been shooting. He struck a match and stuck it to the powder and it exploded in his face. Mrs. Carroll went to see Garry in the Fowell Hospital Saturday and Sunday, and Dr. Morton said he is hoping that Garry will be able to see. Garry has perfect attendance and since he started to school five years ago, he has never been absent.

Boys and girls who have had perfect Sunday School attendance this year are: Larry Beam, Lee Roy Carpenter, Johnny Ford, Steve Holland, Michael Laney, Ronald Moss, Michael Quinn, Wade Harrelson, Albert Veelman, Yapha Alsobrooks, Lois Crocke, Susan Ford, Lillian Hüllender, Vera Shuford, Carol Sweat, Judy Davis.

MRS. WHITWORTH'S 2nd Grade

We have been reading about the Gingerbread Cookies and Mrs. Hoke Quicke, Nancy's mother, brought each of us a homemade gingerbread cookie. We think Mrs. Quicke was very nice to bring us these cookies.

Waynell Boggs was eight years old last Wednesday, and her daddy, Robert Boggs, brought drinks and candy for everyone. That was a good surprise.

Jimmie Beam brought every one suckers. We enjoyed them very much.

Julia Ann Dellinger spent two weeks in Florida. She brought us an Anchor Thermometer for our room. We like it and we are using it.

MRS. M LARSON'S 2nd Grade

Everyone had a wonderful Christmas but we were glad to get back to school. We had a toy show on Thursday. It was so much fun showing our toys and dolls to each other.

Patsy Avery went to Florida during Christmas vacation. She has told us many interesting things about her trip. She visited St. Augustine and saw the old Indian burying ground and the oldest school house. They had lots of fun at the zoo in Miami. At Key West they saw alligators and crocodiles. Patsy showed the class her picture made with her family on the glass bottom boat at Silver Springs. She brought a scrapbook of her whole trip to let us enjoy and also many interesting things she collected on her trip.

MRS. UPCHURCH'S 4th Grade

Before the Christmas holidays our teacher gave us a party. Elaine Cauble brought us some candy. We enjoyed the candy very much. We made Christmas cards for our parents. In our geography, Around the World, we are studying about Africa. We are very glad to be back in school.

Judy Beam, Karen Loy, and Rita Stewart have made a hundred on Spelling all year.

MRS. GOLD'S 1st Grade

We were all happy to come back to school after the holidays. We were anxious to see our friends and show our Christmas toys to them.

We are sorry that Jerry Oates, Jerry Randall, Steven Watts, Steve Chapman and Judy Cronan are absent on account of sickness. We hope they will soon be back with us.

We had twenty-four boys and girls to attend Sunday School Sunday.

MRS. EAKER'S 1st Grade

We were all glad to get back in school after the holidays. We had a good time telling our friends about Ole Santa's visit. We all brought our toys one day. The girls got to take their dolls around to all the rooms and show them.

Libba Houser had her tonsils removed during the holidays. We are glad she got along so well and hope she can soon be back in school with us.

Dobbie Gay Eaker has moved to Georgia and will go to school down there. We certainly will miss her, but know she will like her new school.

MRS. ANTHONY'S 2nd Grade

We are back from our Christmas holidays and ready to begin our work again. Most of us agreed that holidays are nice but also that we like to come to school and see our friends.

We are very sorry that quite a few of our boys and girls have had to stay out of school because of bad colds. We learned this morning that Willie Mae Philbeck has chicken pox and that Frankie Hayes is under the care of a doctor. We certainly hope all of our boys and girls will get well quickly and come back to school.

We enjoyed the half holiday we received for New Years very much and wish to thank those responsible for it. Most of us have made our New Years Resolutions to work harder than ever on our lessons and try to make better grades on our report cards.

We are going to start reading library books tomorrow. Everyone is very anxious to begin that as most of us like to read very much. The boys and girls who have read and reported on the most books at the end of the year will receive a prize for this. All of us are going to try to read and report on at least twenty-five in order to get a reading certificate.

MRS. STARNES' 2nd Grade

The Christmas holidays were lots of fun, and all of us enjoyed them very much. Santa Claus was very kind to us, for he brought us so many nice things.

When we got back to school last Wednesday we were very anxious to tell everyone about the things we get. We each told just what Santa brought us, and most of the girls brought their pretty dolls so we could see them.

Now we are trying to settle down to work hard. We will have extra work to do for awhile, because we are working on our character program.

Harold Ellis is able to be back after being sick with flu. Judy Beam is also back after being out.

What time to look both ways!

More than 25,000 new telephones were added making a total of about 400,000 in the state. Over \$21,000,000 were spent in providing cable, central office and other equipment to improve and expand the service.

Wherever you look, North Carolina is moving ahead. This means another busy year for us—building to meet continuing telephone needs.

To get investors to supply the money to continue expanding and improving telephone service requires a fair profit on the money already invested in telephone equipment.
