MRS. CROCKER'S 5th Grade

We are coming to the close of this school year this week. We are finishing all our text books.

We have had a good school year. We know that we will be separated from some of our old friends, but we can make new ones. We are looking forward to a new room next year.

The ones who have read 25 or more library books are: Dawn Kelly, Joyce Ford, Linda Peeler, Patricia Kiser, Ann Taylor, Linda Boyles, Rita Ramsey, Jackie Jo Bridges, Virginia Weatherly, Frances Hoyle, Judy Turner, Anita Hallman, Dottie Reynolds, Rita Hovis, Charles Waters, James Reavis, Jimmy Summitt, Richard Stewart, Jimmy Siss, Gerald Yount, Jimmy Clawson, Harlan Howell, George Lohr, Garland Hallman, Steve Quinn.

The names of the ones who have not missed a day in Sunday School are: Virginia Weatherly, Jerry Porter, Jimmy Summitt, George Lohr, Troy Tate, Gerald Yount, Linda Boyles, Jackie Jo Bridges, Joyce Ford, Dawn Kelly, Dottie Reynolds.

Mr. Riddle, pastor of the Presbyterian Church gave us some Bible memory verses to learn during the year. If we completed them we were to receive a certificate. Those who have said them are: George Lohr, Richard Stewart, Jackie Jo Bridges, Jimmy Sisk, Patricia Kiser, Linda Peeler, Virginia Weatherly, Judy Turner, Gerald Yount, Charles Waters. We expect at least that many more by the time school closes.

Those who have perfect attendance during this school year are: Foster Jenkins, George Lohr, Steve Quinn, Jimmy Sisk, Troy Tate, Linda Boyles, Dawn Kelly, Patricia Kiser, Dottie Reynolds, Virginia Weatherly.

Garland Hallman brought us some specimens of rock which contain lithium which is being mined near Crouse. It is as light as a feather and as strong as iron. It is being used in the manufacture of airplanes.

Good-by. See you next year in the sixth grade—maybe.

MISS WORKMAN'S 5th Grade

We are working hard to finish our work for the school year. We feel like we have learned a great deal and have enjoyed the sixth grade.

Our tests are of different kinds. Each member of the class made a history cycle. Upon this cycle we listed the different peoples we studied. Then we decorated the squares with related pictures. The class did good work on this project.

We've been keeping an arithmetic chart for several weeks. One line has been up and down. Some pupils have a straight line. We will average the grades tomorrow.

We finished our last book reports today.

Tuesday we enjoyed our picnic very much. Everyone seemed to have a good time. And we certainly thank our grade representatives for the interest they have shown in us, and for the good time they have helped us to enjoy.

Mr. H. J. Blackwelder, Mrs. L. S. Hastings, Mrs. Ralph Gady, and Mrs. E. L. Warren, we again express our thanks.

Betty Paige, Reporter

MISS SELLEY'S 5th Grade

We have been very busy this month finishing our work. We hope that we do well in our tests this week.

Two of us in our class made 100 percent in spelling last Friday. Mrs. Selley tells us that that is the best we have ever done. It isn't grass, said the lass with a "lass".

"It's a piece of clover from my field in Dover."

"Lass of Dover"

There was a young lass of Dover, Who owned a field of clover. One day he went to look at that, And on the way he met a cat.

Said the cat to the lass, "What did you get that piece of grass?"

"It isn't grass, said the lass with a 'lass'."

"It's a piece of clover from my field in Dover."

MRS. EAKER'S 1st Grade

We were happy to have every boy and girl here today. Milton Gold, Jim, and Sheila Burgess have been out with Mumps. We're glad they are back with us.

We were so happy to have so many parents and friends to come to our chapel program. We would like to thank all the mothers and grade mothers who helped us so much. Mrs. Eaker certainly did appreciate the lovely message the grade mothers sent her.

We are looking forward to seeing Mrs. Gold's program Wednesday.

MRS. ANTHONY'S 2nd Grade

We have been working very hard on our lessons for the last two weeks. We are having check-up tests twice a week which we consider a good review of the many things that we have learned this year. Most of us are making very good grades on the check-ups. Many are handing in perfect papers. We're always very happy to get our papers back marked with a hundred.

We certainly enjoyed the fine entertainment furnished us by Mrs. Eaker and her First Grade. Each one did his part very nicely. We are looking forward to seeing Mrs. Gold's program Wednesday, May 19th.

We are certainly enjoying our two new pupils. They are Charlotte Futnam who has been going to school in Salisbury and Bobby Patterson who has been going to school in California.

Our attendance for the last two weeks has been exceptionally good. We hope it will last until school goes out.

MRS. STARNES' 2nd Grade

We are finishing up our year's work now, and everyone is trying to do their very best work. We have just finished a reading book and will finish our other one by the time school closes. We have completed our work books in language and numbers and are now doing review work. Our last spelling lesson is a review, and we will also have some spelling matches to see how well we have remembered the year's work.

Most of us have finished our library book reading. Some are still working on this, and we hope will get it finished.

We enjoyed Mrs. Eaker's chapel program so much. The children knew their parts and gave them well.
