**Floyd F. Green Plumbing Company**

**Shelby, N. C.**

Floyd F. Green Plumbing Company is located at 328 E. Sumter in Shelby, phone 2-1038.

Modern Plumbing and Heating throughout this section. The progress, in this phase of their building contracts completed, is a credit to the master plumbers trade.

To meet an existing demand in any line of business is a step forward, but in the plumbing trade, meeting all of these specifications in both new construction and repair work requires—one hundred percent—in equipment, plus a master job of management. Some of the finer jobs of plumbing done throughout the country have been altogether too expensive, because of the lack of proper tooling and lax management. The policy of this firm is to build a satisfied customer list, and this is why they have given so much attention to the detail of management and equipment.

Being a licensed and bonded plumbing contractor, assures you of getting a job that frees you of some of the drudgeries you may now be faced with, such as: improper installation of drains which get stopped up all too frequently, and a water pipe that is too small to give proper pressure.

This modern plumbing company, forcing the trend of the public to demand only the best, are meeting the requirements of this section of the Country in a most able way. They have become outstanding in

Present day progress has elevated income to the point that even those in the lower brackets can afford the comforts of life. In today's modern living plumbing is a must. It not only adds to conveniences, but is a health safeguard to the entire family as well. Regardless of where you live you can have the conveniences of a modern water supply and sanitary plumbing. See them for the best in plumbing and supplies.

**Eagle Roller Mill Company**

**Shelby, N. C.**

The Eagle Roller Mill Company, located at 315 East Ave. in Shelby, are manufacturers and distributors of the famous Carolina Maid Flour and Cleveland Feeds. Ask your local dealer for flour and feed bearing these brand names.

The fine quality Flour, Meal and Feed products milled by them account for the enviable position they hold throughout the country for the quality and quantity they are turning out from their mill daily, both in Flour, Meal and Feeds. They have built a fine reputation for the quality product they turn out. Their brands of flour makes the finest breads for both housewife and baker, and they enjoy a large patronage.

This milling firm is a great asset to the community, from both the standpoint of being a ready market, always paying top prices to the farmers for grain, but much of this grain is manufactured in the finest form for use as fine feed to livestock and poultry and for consumption at the dinner tables throughout the country.

An invitation is extended all farmers throughout this section to visit the mill, and if you have not used their product, try these brands for table use and feeds and see first hand what quality results you, too, will get. Also you will find them courteous and accommodating and they will give you the highest market prices for your grain for the manufacture of their milled products.

"Bread is the Staff of Life," and people everywhere are brand conscious. Many housewives always call for the brand name of their choice, and are not very happy with a substitute. It is next to impossible to change shoppers from these brands, that have proven themselves, to new brands.
