FALL'S DARK STAR

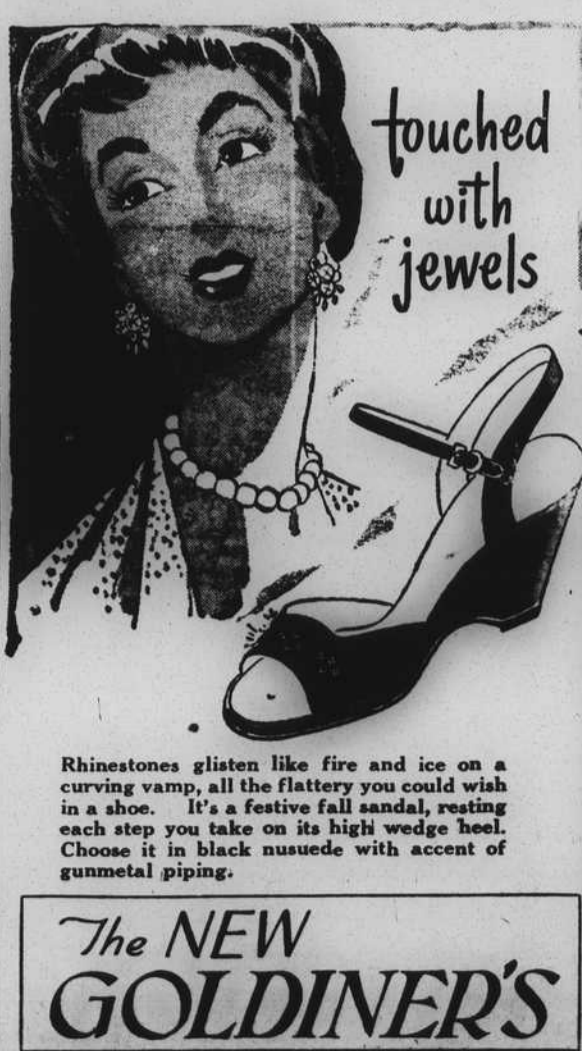

Dark star in footwear for fall's nicest occasions . . . a slender pump of dusky black nussede that wears a ribbon of grosgrain curving about its vamp. Caught at bow-center is a rhinestone star-studded black button! The medium dress heel promises comfort. Only—

Open air invitation to fall's crisp bright weather — a perforated again and again sling back casual, its vamp to give a smart waffle-weave look. The medium wedge heel gives a hint of lots of comfort for every step you take. Smart in black leather.

The NEW GOLDINER'S

touched with jewels

Rhinestones glisten like fire and ice on a curving vamp, all the flattery you could wish in a shoe. It's a festive fall sandal, resting each step you take on its high wedge heel. Choose it in black nussede with accent of gunmetal piping.

Spaghetti and Meat Balls Are A Chef's Dinner For Two

Summer meals can be as easy as you want to make them, yet they can have all the distinction of a great chef's skill in cooking if you serve canned spaghetti and meat balls. They come in big cans serving five, and they come in smaller dinner-for-two cans, too. So whether you're a bride or a mother of three, your hearty and satisfying summer dinner mainstay is ready with a minimum of time and effort.

The smaller can is a special blessing for the woman who has to plan good main dishes for two, day after day. Steaks and chops, of course, are a good choice for two; but they are expensive. Chef Boy-ar-nee spaghetti and meat balls, for example, cost only about fourteen cents a serving.

When you serve a spaghetti and meat balls dinner, whether it's for two or a crowd, remember that a crusty bread or rolls add good texture contrast. Corn on the cob, green beans, peas, are all appetizing vegetables with the spaghetti, with a green salad or raw vegetable sticks for freshness. Cole slaw in green pepper boats can serve as the combined vegetable and salad.

Wash and dry crisp, shiny green peppers. Cut in half, remove seeds and inside skin. Shred crisp cabbage. Mix lightly with French dressing and a little mayonnaise, if desired. Pile the cabbage into the green pepper boats and sprinkle with chopped parsley or dill pickings of green pepper.
