L-R BEARS WELCOME TURNER INTO CAMP

TURNER INTO CAMP Football practice was slated to get under way this morning at all of Narth Carolina's colleges. At the schools in the Atlantic Coast, Southern, North State, and Junior college conferences, the sound of cleats on the gridiron could be heard as another grid campaign loomed in the offing. Bob Turner, one of Cherryville's truly great all time athletes, re-ported to Coach Clarence Stasa-vich at Lenoir-Rhyne College. Turner, a fine football, basketball, and baseball star here, will have a stough time breaking into the state's top mentors, will have a wealth of material returning from last season.

Tanfic will get congested between the twoi points," he suggested, "and simply work out a route to get around them."
The sparger pointed out that the real problem for holiday travel "comes when everybody wants to go the same place, at the same time, and use the same route. One of the best ways to beat the both thences is to use the solid color "blue roads' shown on your road, man." he added.
Mr. Sparger noted that service stations often have information on the bus a quiet period of worshing was observed when we all studied our Sunday School Lesson. New York is great but Cherry-ville is greater, we have all sunally provide travel tips that will also be helpful. "If you have any questions about your proposed route," he advised, "don't hesitate to stop and ask yoor gasoline to stop and ask your gasoline dealer."
