MISS L. BEAM'S 1st Grade We have all enjoyed the snow we had. Everyone came back to school telling about the wonderful times they had making snow men, snow balling and so on.

We are enjoying reading our library books. We read at least two books every week. We hope to read all our library books.

We only have six boys and girls who have not missed a day yet. So many missed their first day during our bad weather.

We have a new boy, Chris Seaford. He came from Maiden, N. C. Chris is a real nice boy and a good pupil in school.

MRS. EAKER'S 1st Grade

We all enjoyed the beautiful had last week. We had been drawing snow men but we were so glad to get to make them out of real snow.

We had such a nice surprise last week. Mrs. Ray Black came to see us and gave us such a nice birthday party for Charles. She gave each child ice cream, cookies, suckers, bubble gum and a box of crayons.

We had 19 boys and girls to attend Sunday School Sunday. We were sorry to hear that Ricky Ford fell and broke his collar bone. We hope he's going to get along fine with it.

MRS. GOLD'S 1st Grade

The following children had perfect attendance the past six weeks: Gene Brown, Michael Mayhew, Wayne Neill, Michael Ramsey, Steve Riddle, Bobby Pinley, Cindy Allen, Carl Beam, Linda Hahman, and Catherine Turner.

Most everyone in the rooms joined the March of Dimes. Our room contributed \$21.63. We are making a health book and girls put into the drive is greatly appreciated.

We are very happy to have Roger Harrelson back in school. He was absent several days last week on account of sickness. Our attendance has been good 'the past week in spite of the cold weather.'

MRS. ANTHONY'S 2nd Grade

It seems like a long time since we have had any news in the paper. Some of our news is old by now but we do not want to skip it. Week before last we had a very pleasant surprise that we have not told you about.

We had an unexpected holiday due to the heavy snow fall. When everyone came back to school on Friday we had many funny experiences to tell about our good times playing in the snow.

We had finished our reading book and have started a new one. It is called "Friendly Village."

also learned how to add and subtract large numbers. Only a few of us seem to find this hard. One thing that we are especially going to work on this month is attendance and not being tardy for school.

We are very proud of the money our room collected in the fight against Polio. The boys and girls of our room brought in \$71.45. We had the third highest amount in the school and won a dollar for our fine work.

We were very glad to have Mrs. W. F. Craig visit us yesterday. We are always glad to have parents come in to see us. We have finished a supplementary reader and are ready to start a new one today.

We worked very hard on the Polio drive. We didn't win a prize but feel like we got enough money to help a great deal in fighting Polio.

MRS. HALL'S 3rd Grade

We are very happy to be second place winner in the March of Dimes Drive in our school. We brought \$125.50 for the drive. We want to thank all of our parents and friends who helped us with the drive.

Chavis Basketeers Get Worse Licking Since 1946 The Chavis Basketeers lost two twin bills within the same week which had not happened under the present coaching staff. The first time that they ever lost a twin bill to Cleveland High happened Monday night, girls 18-36, boys 44-61 and to Reid High on Friday night they lost girls 23-31, boys 27-35. The teams had won over Reid in Belmont on Reid's home court in their first encounters.

The team has one consolation - they won the twin affair over Newbold's Green Waves on Wednesday, girls 40-17, boys 51-31. The teams are hoping to get back on their winning ways this week as they gain their physical strength for four fifths of the teams have been out with influenza or other ailments. The girls team has had its full strength once this season while the boys have been under par since before Christmas.

They meet Cleveland here Tuesday night. Come out and give your boys and girls your moral support. Game time is at 7:30.
