We Are Headquarters In Cherryville For Tubeless Tire Sales and Service

BRING YOUR PRESENT CAR UP-TO-DATE REGARDLESS OF YEAR OR MAKE

without changing your present wheels or rims with ...

Firestone

De Luxe Champion

Tubeless Tires

THE ORIGINAL EQUIPMENT TIRE ON FINEST 1955 CARS

AMAZING OFFER

We'll Buy All the Unused Mileage in Your Present Tires When You Trade for New Firestone De Luxe Champions.

BLOWOUT PROTECTION
 There's no tube to pinch or explode! Inside this tire there's a Safety-Liner, which holds air, and reinforces the tire in the event it should be injured ... instead of a dangerous blowout you get a harmless slow leak. You drive relaxed, with greater peace of mind.

PUNCTURE PROTECTION
 If a nail, or any sharp object should penetrate this tire, the Safety-Liner grips it and slows the air loss ... No sudden flat tires, no need to change flats on the road, instead the Firestone De Luxe Champion Tubeless enables you to drive to the nearest service station.

SILENT-RIDE SAFETY-GRIP TREAD
 SKID PROTECTION ... Newly designed silent tread has 70% more angles and skid-protecting edges than ordinary tires.
QUIETER RUNNING ... Won't squeal even on sharpest turns. No hum or white because tread elements overlap to prevent rhythmic vibration.

SAFETY-TENSIONED GUM-DIPPING
 Firestone's new cord treating factory combines the famous Firestone Gum-Dipping process with Safety-Tensioning, a new process which takes the stretch out of tire cords, prevents dangerous tread cracking. The result is greater blowout protection and longer tire life.
