## "SOULS IN CONFLICT" AT STARNES AUDITORIUM SUNDAY

### Sunday Night At Eight O'clock

"SOULS IN CONFLICT," newest film release by Billy Graham Evangelistic Films, Inc., will be shown in Cherryville on Sunday, June 19th at 8:00 P. M. Local arrangements are in charge of the Rev. Jack H. Cooke, who has secured Starnes auditorium for the special showing. All seats are free.

"SOULS IN CONFLICT" was filmed during Graham's world-publicized London Crusade. It is a full feature-length film in color and it is through screen presentations such as the one scheduled for Cherryville that the Graham organization anticipates surpassing the success of an earlier film, "MR. TEXAS," described as "the world's first Christian Western," which played to more than 5,000,000 persons in its first two years of showing, and to which 135,000 "decisions for Christ" are attributed.

The story of "SOULS IN CONFLICT" encompasses the lives of three "typical" individuals, troubled with the present and completely confused about the future. Joan Winmill, star of the British TV thriller, "Epitaph for a Spy," plays an actress; Eric Micklewood and Charles Leno portray a jet pilot and a factory worker, respectively. Their need for a soul-satisfying religious experience is realized when each attends one of Graham's meetings in Harrington Arena, London's vast stadium.

Be sure and go to the Starnes Auditorium Sunday evening, July 19th at 8:00 o'clock and see this great film on the screen. A free will offering will be taken to help bear the expense of the reproduction of the picture.

Some old student and business man set up a fund to provide income to pay the expense of entertainment and meals for all old students in certain classes who attend the annual meeting. He says the number of such class was unusually large. One of the most noted was a Doctor Miller of Asheville who is 92 years of age. He entertained the group with a violin solo. He took up violin for something of a past time after he was 88 years old. Mr. Dellinger completed his law course at Carolina.

### To Locate At Carlton Club

The American Red Cross Bloodmobile will be in Cherryville on Thursday, June 16th, at the Carlton Club House from 10:00 A. M. to 4:00 P. M.

The response to the blood program in Gaston county is lagging behind the quota and every one is urged to take time out Thursday and visit your bloodmobile at the Carlton Club House. The need is urgent. Doctors and the hospitals in Gaston county need blood every day. They get from the Red Cross blood bank, but the bloodbank can give out blood only when they get it on these visits.

The Quota for Cherryville on Thursday (tomorrow) is 125 pints. Lets meet this quota. It might be you who needs the blood next time, so don't lag, get on the ball and lets get Thursday to the Carlton Club and meet that quota.

The only source of blood for transfusion is from another human being, and the only way to assure an adequate supply to take care of any emergency is by mass collection of blood through the bloodmobile. Other counties and cities in North Carolina seem to get their quotas of blood, but for the past several years the folks in Gaston have lagged behind.

Should Gaston county be suspended from this program because of lack of support the four hospitals in our county would be affected and limited in the use of this vital substance. Let's don't let this happen.
