# HALLOWE'EN CARNIVAL & FESTIVAL MONDAY AT HIGH SCHOOL OUR MAMMOTH GOLDEN ANNIVERSARY

# Sponsored By Cherryville P.T.A.

Starting at 6 o'clock the doors of the gymnasium, high school auditorium and the lights of the ball field will officially open and the troth annual Hallowe'en Festival, under the leadership of the Parents-Teachers Association of Cherryville, will get under way.

According to the plans made, it looks as though even a bigger and better festival will be observed. Naturally, if you don't watch out, the spooks and the goblins and the witches will get you as we know from past years a great display of costumes is the main event and will be running around. One of the most colorful parades that Cherryville has is the gigantic costumes parade. For the past couple years due to the weather, it has been necessary to hold the parade in the high school auditorium. Maybe this year our weather will be favorable and it can be held on the high school auditorium. Maybe this year our weather will be favorable and it can be held on the high school auditorium. These prizes are donated by our most loyal and co-operative merchants.

In the gymnasium the Farents-Teachers Association is sponsoring many booths of most enjoyable entertainment. Last, but not least, we must not forget the many cakes and turkey which will be given away.
