NUMBER THREE

ORGANIZATION OF 1956 MARCH OF DIMES HARVESTERS QUARTETTE TO BE IN CHERRYVILLE SAT., FEB. 4th.

High School Auditorium

The Harvesters Quartet will be in Cherryville Saturday night, February 4th at 8 p. m., to bring a concert of the finest quartet singing to Cherryville that we have had the pleasure of listening to—in person. These boys are well known on radio and television and are one of the finest groups of quartet singers in this part of the country.

The Junior Women's Club will be the sponsors of this fine group of entertainers and the proceeds will go towards a worthwhile project the women's club has sponsored for the growth and betterment of Cherryville.

This night of entertainment is good wholesome family type of entertainment that we are sure everyone will enjoy, so be sure to make plans to come out Sat. day night, February 4th and bring the family.

Tickets will be sold in advance by the members of the Junior Women's club so contact one of these members for your advance tickets, but in case you don't get your ticket in advance you may purchase tickets at the door.

Make your plans to go and hear this wonderful program of quartet singing by the Harvesters Saturday night, February 4th at the High School Auditorium.

Cherryville B. & L. Stockholders To Meet Friday Night

The Cherryville Building and Loan Association Stockholders annual meeting will be held on Friday night, January 20th, in the office on West Main Street for the purpose of election of officers and directors for the ensuing year and the transaction of such other business as may properly come before the meeting.

The Building & Loan Association has made great progress during the year, 1955, and all stockholders are urged to attend the meeting and hear the financial report read by Mr. Claude C. Beam, secretary-treasurer.

Refreshments will be served by the Beam family after the business meeting is finished.

Polio Still A National Menace March of Dimes Leader Says

Four "big reasons" why polio isn't licked yet, despite the Salk vaccine, were cited today by Grady Stott, chairman of the Gaston County Chapter of the National Foundation for Infantile Paralysis.

"The year 1955 ushered in actual polio prevention with the use of vaccine and opened up what may be, in future years, the final assault on this crippling disease," Mr. Stott declared. "But 1955 was only the year of the entering wedge, not the year of final victory. The vaccine came too late for an estimated 30,000 persons stricken last year, and it will be too late for thousands more in 1956. This is Reason No. 1 why polio isn't licked yet."

Pointing out the urgency of the need faced by the March of Dimes, Stott said thousands of polio patients depend from minute to minute on March of Dimes breathing devices to stay alive. He explained that techniques in treatment of patients with impaired breathing are developed and demonstrated at 14 respiratory centers in strategic locations throughout the country. This is Reason No. 2 why polio isn't licked yet.

Still Not 100 Per Cent While the Salk vaccine developed with March of Dimes funds, is "a medical milestone," Stott continued, it is still not 100 per cent effective, nor can we tell yet how long its protection lasts. March of Dimes research must be supported with continuing enthusiasm if the job is to be finished. That's Reason No. 3 why polio isn't licked yet.

Recalling that Dr. James Salk, developer of the vaccine, was trained under a fellowship made possible by the March of Dimes, the County chairman said, "It will be a good many years before we can afford to stop training polio scientists for the laboratories and professional workers for hospitals—especially in view of the actual shortages now existing in these fields."

"March of Dimes scholarships have helped recruit and train more than a third of the nation's physical therapists, yet the ranks of these and other specially skilled personnel are still inadequate for the war on polio. Nurses, doctors and professional assistants are needed in every state of the

Farmers Must File Returns For Workers

Farm operators who have paid as much as \$100 in cash wages to any farm employee during the year 1955 should file an employer's tax and information return for agricultural employees, Cecil Dellinger, senior agent, Internal Revenue Service, Gastonia, announced today. This tax return will be filed with the District Director of Internal Revenue, Greensboro, N. C., together with the social security taxes on the wages shown on the form.

Mr. Dellinger emphasized that this annual report of wages paid for agricultural labor must be filed with the Internal Revenue Service before January 31, 1956. The return must show the name, social security number and wages paid every employee whose cash wages from the same farmer amounted to \$100 or more.

Tax return forms are mailed out about January 1 to those who have previously notified the district employees. Farmers, who must make these tax returns and have not yet written for the proper forms, should write the District Director of Internal Revenue, Greensboro, N. C., immediately in order to be sure of getting the report filed before the January 31 deadline. Mr. Dellinger urged.

Your Pennies Will Count In The Parking Meters In Cherryville

Your pennies will count in the Parking Meters in Cherryville. The Meters have been arranged for a 12 minute parking time for 1c. So come on to town and try your pennies for a short parking time.

If you want to stop to make a purchase, you can do so for only 1c.

Lincolnton High, still unrelentant after five starts, visits the local field in five games, then a home game next Tuesday night and should Cherryville win Shelby Friday night (which in itself is a tall order) and the Wolves get by Belmont Friday, fans had better come early next Tuesday to get a good seat.

Ronald Turner had 20 points for the winners last night with T. L. Sain getting 16, Bobby Austell and Bob Buff 10 each. Turner, now the leading scorer in the Southwest Conference with 110 points in five games, tallied seven field goals and six free throws with Sain also having seven buckets.

Cherryville led at the quarter 14-10, at half time 27-22, and at the end of the third period 41-40 as the Centrals gave them a battle all the way. Central's girls posted a 67-57 win in the opener of last night's twin bill. Shelby upset Belmont 42-40 Monday, have now won two in a row and would like nothing better than to knock the props from under the Ironmen.

Kings Mountain's Mountaineers lost last night to Cliffside 48-47 as Lincolnton picked up their fifth win at Tri-Hi's expense.

PAUL H. ROBERTSON, State Commander of the American Legion, has his hands full as he "sells" a miniature crutch, symbol of the crippled child, to John Blount, pre-med student at the University of North Carolina. Blount, father of John, Jr., held by Robertson, was stricken with polio in July, 1955. He was released from Central Carolina Convalescent Hospital at Greensboro on December 6. Robertson says, "Polio isn't Licked Yet!"

Ironmen Move Into Number Two Spot With 57-47 Win

Cherryville High's Ironmen were able to hit but 28% of their shots last night at the local gym as they licked R-S Central 57-47. Far off their usual pace, the locals were true on 21 of 75 shots from the floor with the Hill tappers of Chester Womack hitting on 17 of 62 from the floor.

With help from up Cliffside way however, Cherryville today battled in second place in the Southwest AA Conference with a 4-1 mark. Last night's win was the fifth in a row for the men of Emmett Feinster.
