Girl To Answer For Murder.

Cambridge, Mass, Nov. 27—A wisp of a girl just passed her 17th year, Hattie Le Blanc, will be placed on trial in the Middlesex county superior criminal court tomorrow, charged with the murder at Walth-am, November 20, 1909, of her employer, Clarence F. Glover. The little French Canadian girl is the youngest of her sex to be tried for first degree of murder in the annals of New England courts. Glover was shot in the back in

the Waltham laundry of which he was the proprietor, and before his death accused Hattie Le Blanc, who was in the laundry with him at the honor of Miss Ollie Lenoir Sherrill, time. The girl, who was a domestic of Charlotte, who has been her popin his home, was found three days later under a bed in the Glover past week.

and there has been a steady increase. No longer is the farmer of South Carolina contented with 20 bushels to the acre. The 100-bushels to the acre farmers in South Carolina are numerous. To stimulate the interest in corn production over \$35,000 in prizes will be given this year. The climax will be the South Atlantic States even agreeiting which is to be Savenard that clever railroad mon States corn exposition which is to be held in Columbia from December 5 to 8. Over \$10,000 in prizes will be given at the exposition.

Rowland, that clever railroad man, was in charge, and who has about the same run today except a little faster train than the Southern run

75 bushels of corn on one acre of land 75 bushels of corn on one acre of land and have been awarded certificates of merit by the State superintendent of education and Gov. Ansel. More than 100 of the boys have produced over 100 bushels on one acre, and there are several to produce the state of the state and there are several to produce over 150 bushels. These boys will be the farmers of the future and the indications point to South Carolina becoming one of the lead-ing corn States in the United States. The work of the 3 000 boys has

workers, of which Ira W. Williams is at the head in this State. The champion boy corn grower of the world lives in South Carolina, the world lives in South Carolina, and he has produced 228 bushels on one acre of land. The boy is 10 years of age, and his name is not known. He lives in the Pee Dee section of the State and is a son of section of the State and is a son of the State and is a son of section of the State and is a son of section of the State and is a son of section of the State and is a son of section of the State and is a son of section of the State and is a son of section of the State and the Mooresuille in particular. secured on the parsonage land. The records of the boy are in Washington and are being considered by the national department of agriculture, and his name will be announced from

Wents To Help Some One.

For thirty years J. F. Boyer, of Fertile, Mo., needed help and coulden't find it. That's why he wants to help some one now. Suffering so long himself he feels for all distress from Backache, Nervousness, Loss of Appetie, Lassitude and Kidney disorders. He shows that Electric Bisters work wonders for such troubles. "Five bottles," he writes, "wholly oured me and now I am well and hearty," It's also positively guaranteed for Liver Trouble. Dyspepsia, Blood Disorders, Female Complaints and Malaria. Try them. 50 at—Geo. C. Goodman & Co.

Reception at Terrell

On Thanksgiving eve Miss Mary Ellen Connor entertained a number of friends at a six o'clock dinner in

Connor met the guests in the hall. Miss Coble wore blue messaline with real lace trimmings. The guests were ushered into the beautifully were ushered into the beautifully decorated parlor, the color scheme red and green being carried out.

Mrs. T. F. Connor wearing green silk with gold trimmings, Miss Con-

selected by matching unique cards containing selected quotations from popular authors. This room was decorated with evergreens, the table was lighted by green shaded candles in brass candle sticks, in the centre of the table was a pyramid of lovely violets. An elegant seven course

dinner was served.

The invited guests were Misses
Ollie Sherrill, Charlotte; Mattielee Ollie Sherrill, Charlotte; Mattielee Nicholson, Statesville; Lena Coble, Greensboro; Nell Alexander, Charlotte; Nell Hester, Roxboro; Ida Winstead, Roxboro; Hulda Hester, Roxboro; Emma Smith, Newton; Messrs. Chas. A. Hines, Greensboro; Kemp B. Nixon, Lincolnton; Conant Sawyer Lyon, New York; Luther P. Gillian, Lynchburg, Va.; DeWitt Ramsey, Statesville; E. G. Gaither, Statesville; Connor Sherrill, Charlotte; Jas. D. Cochrane, Baltimore; Z. G. Shelton, Terrell; J. A. Marton, Danville, Va.

Many persons find shemselves affected with a porsistent cough after an attack of influenze. As this cough can be promptly cured by the use of Chamberisain's Cough Remedy, it should not be allowed to run on until it becomes troublesome. Sold by Geo. O. Goodman & Co.

HIS FIRST VISIT HERE.

While hunting with two companions near Maxton Thanksgiving Day, a 6-year old negro boy, the son of Henry McNeill, was shot and instantly killed by Andrew Wall, a 16-year-old negro. A coroner's inquest was held and the boy was held and the boy was held for further investigation.

A SANNER REVENUE YEAR

Washington, Nov. 27-The United States has just passed through a banner year for drinks and smokes and oleomargarine. Here is the na-tion's record for the twelve months ended on June 30, as it shows in the figures of the internal revenue

pirits — 30,000,000 gallons more than the year before.

59,485,117 barrels of fermented iquors—an increase of 8,000,000.

7,600,000,000 cigars—160,000,000

ore than 1909. 6,830,000,000 cigarettes—an in-

ease of a solid 1,000,000,000. 402,000,000 pounds of plug, fine cut, cube cut, granulated or sliced smoking or chewing tobacco or snuff —4,000,000 more than the year be-142,862,282 pounds of oleomar

142,862,282 pounds of oleomargarine—50,000,000 pounds increase.
Illicit distilling and other manufacturing of moonshine whiskey—on the increase "especially" the bureau says, "where there are Statewide prohibition laws." The internal revenue receipts on

all those things-and certain other things, such as playing cards and mixed flour, amounted to more than \$289,000,000 and Commissioner bell's organization collected it all at penny and a little more than seven nills to collect each dollar.

When the present year is ended next June 30, Commissioner Cabell estimated his men will have collected at least \$308,000,000 at practically the same cost.

Only three other years have sur-assed the year 1910 as an internal evenue producer, since the bureau as established in 1863.

still heavy, receipts mounted up to \$310,000,000 and following the Spanish war in 1900 and 1901 they were \$295,000,000 and \$306,000,000 respectfully. But for times of peace and normal prosperity of being eclipsed by 1911.

eclipsed by 1911.

Commissioner Cabell's report, speaking of illicit distilling, says Alabama, Georgie, North Carolina and South Carolina lead in offences of that character. During the year officers closed 1,911 such plants, 200

more than the year before.

While the manufacturer of oleo nargarine has increased the tax receipts were disappointing to the government. That is said to be due to the fact that a large portion of the oleomargarine is so made as to take a lower tax than formerly. There are a large number of prose utions under way charging ions of the law but Commis Cabell declared he believes they will

constitute only a small proportion of the real offenses. Illinois led all the States as a pro-Illinois led all the States as a producer of internal revenue. More than \$49,000,000 was collected in that State. New York was second with \$36,000,000; Kentuckg third with \$32,000,000 and Indiana, Pennsylvania and Ohio follow in order named. Illinois produced most of named. Illinois produced most of the distilled spirits and New Xork psoduced most of the fermented

that the pay of revenue collectors and officers be raised to a level with corresponding positions in the pos-tal and customs service.

The greatest danger from influenza is of its resulting in pneumonia. This can be obviated by using Chamberlin's Cough Remedy, as it not only cares influenza, but counteracts any tendency of the disease towards pneumonia. Sold by—Geo. C. Goodman & Co.
