### Share in Infantile Paralysis Campaign

The principals of the schools in the county who are serving as neighborhood chairmen for their respective neighborhoods are putting forward a splendid effort to contact every citizen in the county. Besides calling on the pupils to contact their parents and bring donations to the schools, they are visiting the churches and asking for contributions. On the past Sunday, Mrs. Lennie Sylvester of the Hudgins Branch school received more than \$5.00 at the Union Branch Baptist Church. Other teachers report that contributions are coming in nicely. Provision has also been made in the stores for those who care to give money to help this worthy cause.

Do not let the opportunity pass to help fight Infantile Paralysis this month.
