# **Dimes Drive** *K*ickoff January 22

Gatesville .-- The annual March of Dimes, instituted by the late President Franklin D. Roosevelt, has been given the "Forward March" command by Campaign Director, the Rev. J. L. Walter Moose, pastor of the Gatesville Baptist Church, and his seven township chairmen.

At a recent conference of the workers it was decided to get the drive for dimes in full swing the week of January 22 and conclude with a so-called "Mother's March" on Saturday night, the 28th. The county goal was not set at the conference but the work-ers were of the opinion that it should be as much as the sum contributed last year, \$2,100, oneshould they arise.

people to contribute their nickels, judge.

It is thought that by next week the names of all workers in each township will be announced by their respective chairmen. How ever, at this writing only two rommunities are complete, as follows: Revnoldson, Mrs. T. W. Parker, chairman; Mesdames Tim Fure, J. B. Parker, J. J. Dixon Herman Wiggins, Dick Tyler and C. V.
