

Let us help you

We always have time to listen — Come in

When a man is sick he pays a doctor for advice before he uses it; he does the same with his lawyer. The banker gives advice cheerfully and free. When you are in financial difficulties, why not consult us? It is strange that the banker, whose advice is as cheerful as it is free, is never sought BEFORE men have risked and lost their money, but AFTER. If you want some advice or help, come in; and we will welcome you.
