The *Excelsior Wonder Knife* is the handiest knife manufactured. The illustration shown above is the exact size. The large blade is two and three-fourth inches long, the punch blade is two and one-eighth inches long. The reamer or punch blade will be found indispensable for making various sized holes in leather for buckles, rivets, belt lacing, etc. This blade also acts as a swedging awl or marlin spike when turned to the left, is especially adapted for use in lacing belts and numerous other things. Both blades are made of the finest tempered tool steel, finely ground and highly polished.

The hardware dealers sells knives like the *Excelsior Wonder Knives* for \$1.00 to \$1.50.

The *Excelsior Wonder Knife* is built for practical use, and not filled with nic-nacs, as it is with most combination knives. Especial care is taken to make the knife sufficiently strong for the use of the farmer, the stockman, the teamster, or the sportsman.

The *Excelsior Wonder Knife* is no more clumsy or awkward to carry in the pocket than the ordinary three-bladed knife.

The *Excelsior Wonder Knife* is a marvel of mechanical ingenuity, embodying every essential element, viz.: **Simplicity, Convenience, Durability, Smoothness and Strength.**
