The Home-seekers Opportunity that was Overlooked

Is in Georgia and Alabama along the Central of Georgia's 2000 miles of modern railway. The land will earn more net money than that which costs three or four times as much where unimproved land is scarce. Long growing seasons with abundant rainfall, make extra crops each year. Mild climate, ideal for fruit and truck. But the greatest opportunity is for the general farmer, in home markets, at good prices, for all he produces.

Proof of this in "Alabama and Georgia," a book of pictures and signed letters, mailed free. Also, "How to Find the Farm You Want." Write TODAY.

P. W. Goodman, Pres. Regal Tailoring Co. Here's a picture of my store, showing you the new front I just had put in. It will be two years next month that I started with you. Let Me Start You in Business—You Can't Lose

Don't be satisfied with a salary. No man can afford to pay more than half what you earn. Get in business for yourself. I will show you how—will start you up and furnish everything.

A 2c Stamp Puts You in Business for Yourself

My company has set aside a certain sum to advance our business where we are not represented. This money enables me to make an unheard-of offer. I furnish everything—a complete outfit, with newest samples, large fashion plates, tape measure, etc.—without charging you ONE cent for it. This enables ANY man to start on the road to fortune without risking a cent. I will teach you. I will give you the benefit of my experience. You can start at where most men quit. My plan enables you to make big money from the very start. I originated the plan of starting men in for themselves. I originated the plan of furnishing EVERYTHING free. I am the first to put out a complete outfit and furnish my representatives their own clothes at actual factory price.

Start Making Money Now

Don't hesitate—don't wait. Only one representative in each locality. I can only make my special offer to ONE man. So write right away. Move to Easy Street by getting your letter in the mail-box. A postal will do. Address me personally, P. W. Goodman, President Regal Tailoring Co., 842 Regal Bldg., Chicago

A 10c. Can of Red Devil Pulverized Lye equals two 10c. cans of Hard Lye or two 10c. Balls of Potash.

You do not waste Red Devil because the can is opened and closed quickly and easily.

Red Devil Lye dissolves in just a moment in cold or hot water. No trouble to use—no danger of using too much as you measure just the amount required. One can of

RED DEVIL Pulverized Lye

makes more and better soap than two cans of Hard Lye or two cans of Potash, and does it in fifteen minutes, without boiling.

Once you make soap by the directions on the label, either hard or soft soap, by boiling or by the cold process, you will never use any other lye. No time lost chopping cans and dissolving balls.

In Big 4 1/2 -inch Cans, Only 10c. Each.

Save the Labels. They Are Valuable.
