COURT-HOUSE NEWS.

Rockingham Superior Court.

The November term of Rockingham County Superior Court convened at Wentworth on Monday, the 1st inst., and continued several days of the present week. His Honor, Judge Starbuck, of this Judicial District, presided. Judge Starbuck is comparatively a young man but presides with dignity and ability. He has a kindly disposition and is liked by almost everybody. His rulings are fair and impartial and his charges to the juries were notable for their clearness, conciseness and brevity.

Solicitor Mott was assisted by Mr. McNeil, a young attorney of ability and energy.

The following attorneys were in attendance: Messrs. F. B. Johnston, J. T. Fannell, H. R. Scott, A. J. Burton and Thos. S. Reid, of Reidsville; R. D. Reid, of Wentworth; C. O. McMichael, of Madison; Col. J. T. Morehead, Thos. Settle and E. R. King, of Greensboro; Julius Johnston, of Yanceyville; R. B. Glenn and Clement B. Manly, of Winston; Mason, of Gastonia, and others.

The criminal docket was the largest ever before in the history of the county, but was composed principally of indictments against parties for failure to list taxes. There were about 180 of these indictments. Nearly all of them pleaded guilty and judgment was suspended on payment of taxes and costs, the latter averaging about \$10.00 each. Fifteen or twenty petty offenses were convicted of larceny, assaults, affrays, gambling, etc., and sentenced to terms varying from six to twelve months on the public roads of Randolph county. The new order of the court for the working of convicts on the public roads in this county does not go into effect until January 1st and the county commissioners were unwilling to pay the cost of maintaining short term prisoners in jail until that date. None of the convicts were sent to the penitentiary. There was only one capital case on the docket—that of the old negro Vowell charged with rape—which was continued until the next term of court.

The criminal docket was not disposed of until Friday afternoon. The following jail cases were tried and sentenced as follows:

Geo. Adkins, Geo. Parsons and Chas. E. Jones, for larceny, six months on Randolph roads.

Green Graves ten months to the same institution for assault with a deadly weapon.

Jim Rodgers four months for same offense.

Clah and Jim Harold Scale, twelve months residence in Randolph, hauling dirt, for too much freedom with Miss Emma Scale's wheat and corn.

Green Graves also helps Randolph County ten months for the privilege of drawing a bead on some of his enemies.

Enoch Hairston keeps him company ten months for breaking the command "Thou shalt not steal."

Four Stoneville citizens were convicted for an affray in Stoneville.

Floyd Agee, an old jail-bird here, eight months or Randolph county roads for gambling with negroes.

Will Watkins and Frank Aikin, negroes, thirty days for being caught in Agee's trap.

Charles Terrell, who has been in jail here for the last three months or more, accused of burning a straw stack; not a true bill.

Mr. E. P. Hall, of Reidsville, was foreman of the grand jury. The petit jury was likewise an intelligent body of gentlemen who gave good service and rendered conscientious verdicts. They were highly complimented by the judge for the able manner they discharged their duties.

The State docket included a number of cases of some note, among them the case of the Hermitage cotton mill. This case was set for Monday, but on account of the illness of Col. E. B. Withers, who represents the interests of the Bank of Reidsville in this suit, was continued until the January term of court.

Americas Beauty.

Women of America have a type of beauty peculiar to themselves. The climate, habits, and social peculiarities have combined to produce a type of womanhood quite distinct from the women of other countries. It has become almost an every day occurrence for the beauty of the American woman to be the subject of admiration in mid or severe forms. Our climate makes it well-nigh unavoidable. It is the only natural enemy the American woman has. Not only in the United States is the home of catarrh, but it is also the home of the new world famous catarrh remedy, Pe-ru-na. The medical profession has at last succeeded in devising a remedy for the well-nigh universal disease.

Dr. Hartman, the original compiler of Pe-ru-na, has a recent book on chronic catarrh which will send free to any address for a short time. Address The Pe-ru-na Drug Manufacturing Co., Columbus, Ohio.

Ask your druggist for a Pe-ru-na Almanac for 1898.

Fever Situation Improves.

A New Orleans dispatch says the yellow fever situation continues favorable and yellow jack has lost his terrors for the month, though it has been dealt a terrible blow by the death of plague. The Board of Health officials are of the opinion that the situation will gradually improve and all indications point that way.

The Mount Lebanon Shakers have recently perfected an ingenious cure for dyspepsia. Their Digestive Cordial consists of a food already digested and a digester of foods happily combined.

The importance of this invention will be appreciated when we realize what a proportion of the community are victims of some form of stomach troubles. Thousands of pale, thin people have little inclination to eat, and what they do eat causes them pain and distress.

This Digestive Cordial of the Shakers corrects any stomach derangement at once. It makes thin people plump. Every one will be greatly interested to read the little book which has been placed in the hands of druggists for free distribution.

What is Laxol? Nothing but Castor Oil made as palatable as honey. Children like it.
