#### Tillman Protests. Senator Tillman, protesting against

the Governor's tight to reject the senatorial resignations has withdrawn his resignation. In his 1-(10) to Governor McSweeney, Senator Till man says: "I have Senaur Me-Laurin's communication, in which he graciously consents, at your request to hold on to his commission as I'mted States Senator and confined to serve in the State as he has done in the past to the lest of his ability. This leaves me one of three niver-

natives: To appeal to the Donecratic executive committee to tab the matter up and determine what the best interests of the party requires to be done; to appeal to the Somelitself to determine the question as t whether a resignation from that hody, to take effect at some future time, is landing, or withdraw my own regiznation. There are no prece dents on this subject because in the 125 years of our national life, with more than 200 resignations from the Senate, no Senator has hitherto been willing to occupy the despicable at titude now assumed by Senator Mc-Laurin, and forced on me. I an certain of one thing: that the executive a resignation that has been tendere and I am equally certain that had Your Excellency confined your set on within legal bounds that cone appointees would be cented in the Senate when that body meets is becem was discussed and many changes for ber, and hold their seats until the
