The home of Mrs. A. J. Boyd on Main street was the scene of a brilliant wedding on Wednesday evening, when Miss Bessie R. Boyd became the bride of Mr. Samuel A. Hubbard. The parlor was artistically decorated in white and green, the mantel-piece banked with white chrysanthemums and the deep bow window converted into an altar of ferns and candelabra. Just across the hall, the library, where the many handsome gifts were displayed, was illuminated by soft yellow lights from shaded lamps. Yellow chrysanthemums were used profusely in the decorations of this room. The color scheme in the dining-room was pink and green and the only light was the soft glow from myriads of candles. The table, covered with white damask, was draped with smilax, caught with broad bows of pink satin ribbon.

Promptly at nine o'clock the chords of Mendelssohn's wedding march was played by Miss Annie McKinney, and gave the signal for the bridal party to enter the parlor, where the guests were assembled. Misses Margaret Boyd and Margaret Walters came first, gowned in white mail over green taffeta, with broad green girdles. They carried huge white chrysanthemums and formed an aisle with white ribbon, through which the others passed. Rev. D. I. Craig, of the Presbyterian church, came next and took his place at the altar, followed by little Mary Boyd, a niece of the bride, carrying the wedding ring on a silver tray. Then came the groom and his brother, Mr. H. G. L. Hubbard, who acted as best man. Miss Bessie Boyd, maid of honor, entered alone, in white mail over taffeta, with green girdle, carrying chrysanthemums tied with wide green ribbon. Following came the bride on the arm of Mr. George D. Boyd, of Charlotte. Her gown was of white tulle over chiffon and tulle, the only trimming being elaborate hand-work. She wore the regulation veiled orange blossoms and carried a huge shower bouquet of brides' roses and lilies of the valley.

After the impressive ceremony the guests were invited into the dining-room, where they were served with a delicious salad course and coffee. Misses Bessie McKinney and Maude Cobb and Mr. Robert Montgomery served punch throughout the evening in the hall, which was gorgeous with red lights and chrysanthemums.

The gifts were numerous and elegant, consisting of cut-glass, silver, hand-painted china, pictures and bric-a-brac. The flat silver was a gift of the families.

The groom holds a responsible position with Messrs. J. H. Walker & Co., and by his sterling qualities has many friends.

The bride, with her rare unselfishness and sweet womanly traits of character, has many loyal friends who wish for the happy couple the best things in life.

Mr. and Mrs. Hubbard left on the midnight train for the Point Comfort and New York.

Among those who were present were Mr. and Mrs. S. B. Boyd, of Greensboro; Messrs. George D. Boyd and John R. Boyd, of Charlotte; and Robert H. Boyd, of Raleigh; Mrs. Peter Hall and Miss Elmer Hall, of Newberry; and Dr. J. C. Walton, of Danville, Va.

W. A. Heron, of Finch, Ark., writes: "I wish to report that Foley's Kidney Cure has cured a terrible case of kidney and bladder trouble that two doctors had given up."—L. L. Sapp.

**Reidsville's New Hotel Opened.**  
The new Hotel Rockingham will be opened to the public this week. The elegant, spacious building is now being furnished throughout, the plumbers and electricians having finished their labors.

Nothing is left now but for the proprietress to move in and this will be done right away. In fact, supper was served to the guests there last night.

Mrs. Price will have one of the most popular hotels between Washington and Atlanta, as everything possible will be done for the comfort of the guests. Skilled chamber maids and waiters have been procured.

The furniture has been moved in from the furniture stores this week. It is all new. Every room is equipped with steam heat, call bells and electric lights. The floors are covered with matting and the beds are furnished with the best mattresses obtainable.

Mr. Charlie Harris will be in the office to welcome the guests. He will prove a most excellent clerk.

Elegant sample rooms are provided, and altogether this new enterprise will supply a long felt want in Reidsville.

THE REVIEW has for a long time advocated a new and modern hotel for Reidsville because it has seen the need of one. We are, therefore, particularly gratified to note the formal opening of the Hotel Rockingham, and to wish its capable, clever and courteous management all the success possible.

**Bryan's Explanation.**  
In a statement William J. Bryan says the defeat of Parker is due to conservatism; that Parker did as well as he could, but was the victim of party advocacy of conservatism when condition demanded radical remedies. Other able men are of the opinion that Parker did as well as he could, but the people could have done, but the people were afraid to risk a change of administration. Judge Parker's address to the Democrats is philosophical and justified. He would have made an excellent President and we believe the people made a mistake in not electing him.

**From South Africa.**  
Mr. Arthur Chapman writing from Durban, Natal South Africa, says: "A proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give, it suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy that the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby. This remedy is for sale by all Druggists."

**The Best Liniment.**  
Chamberlain's Pain Balm is considered the best liniment on the market," write Post & Bliss, of Georgia, Va. No other liniment will heal a cut or bruise so promptly. No other affords such quick relief from rheumatic pains. No other is so valuable for deep seated pains like lame back and pains in the chest. Give this liniment a trial and you will never wish to be without it. Sold by all druggists.

**Doesn't Respect Old Age.**  
"It's shameful when youth fails to show proper respect for old age, but just the contrary is the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect Pill. 25c, at W. S. Allen and L. L. Sapp the Druggists."

There is no cough medicine so popular as Foley's Honey and Tar. It contains no opiates or poisons and never fails to cure.—L. L. Sapp.

Foley's Honey and Tar for cough and colds; reliable, tried and tested, safe and sure.—L. L. Sapp.

**Mrs. W. C. Harris Entertains the Hubbard-Boyd Bridal Party.**  
After the rehearsal on Tuesday night the Hubbard-Boyd bridal party was delightfully entertained by Mr. and Mrs. W. C. Harris.

The home was beautifully decorated in potted plants and shaded lights. In the dining-room the decorations were all in virgin white, white chrysanthemums, tulle and white satin ribbon. From the chandelier above the table the ribbons were gracefully suspended to the place of each guest where, for each lady, a dainty doll-bird stood for the place card, and for each man a white rose-bud.

White the delicious course lunch was being served the table was the scene of unusual wit and merriment, and many the toasts to the prospective bride and groom.

Those present were Mr. Sam Hubbard and Miss Sellie Boyd, Mr. and Mrs. Scott Fillman, Mr. and Mrs. Robert Montgomery, Mrs. Sam Boyd, of Greensboro, Misses Margaret and Bessie Boyd, Birdie and Annie McKinney, Margaret Walters, Eva Harris, Annie Galloway, Nell Hall, of New York, Maud Cobb, Messrs. George Boyd, John Boyd, Hugh Hubbard, Alf Galloway and Alvis Montgomery.

**Chamberlain's Cough Remedy is Pleasant to Take.**

The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and its roots used in its preparation give it a flavor similar to maple syrup, making it quite pleasant to take. Mr. W. L. Koderick, of Poolesville, Md., in speaking of this remedy, says: "I have used Chamberlain's Cough Remedy with my children for several years and can truthfully say it is the best preparation of the kind I know of. The children like to take it and it has no injurious after effect. For sale by all druggists."

**Disastrous Wreck.**  
Carelessness is responsible for many railway wreck and the same causes making human wrecks of sufferers on Throat and Lung troubles. But see the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured, and hopeless resignation is no longer necessary. Mrs. Lois Gragg of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for Throat and Lung diseases by W. S. Allen, Druggist, Price 50c, and \$1.00. Trial bottle free.

**Only Makes a Bad Matter Worse.**  
Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old-fashioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effect, and when the proper care is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25-cent bottle of them. For sale by all Druggists.

Foley's Honey and Tar always stops the cough and heals the lungs. Refuse substitutes.—L. L. Sapp.

**To the Convalescent:--**  
We hold out a helping hand to the sick who are slowly creeping back to health. Vinol hastens recovery after any severe sickness. After typhoid, pneumonia or la grippe, Vinol quickly restores strength, creates an appetite for nourishing food, makes rich, red blood, and, unlike old-fashioned Cod Liver Oil and Emulsions, does not upset the stomach. It tastes good. Try it on our guarantee. Respectfully,  
CHARLES FETZER

**Trouble in the Eighth District.**  
Dispatches sent out from Salisbury last night indicated Blackburn's election over Newland in the Eighth district by 74 majority. This is the only district in the State which the Republicans are now claiming. The Tenth district having given over 1,200 majority for Gagner, Democrat, over Judge Ewart.

A special from Salisbury last night said: "At a late hour tonight it is learned that at two precincts, in Stanley county, at which Blackburn received a majority of 80, more votes were counted than there were voters registered. The irregularity will be investigated at once, and it is proven Newland will be declared elected by a small majority."

**Seeing Two Heads of One Another.**  
"A long day spent in the society of the same people is nearly always trying," says a fashionable woman. "While we are all very polite, we don't really get on with each other very much, or for very long. We get on all right with the crowd of our acquaintance when we meet at a party, or when we dine out, but the amiable bonhomie is immediately when we are conversing in their company for eight or ten hours at a time."—New York Tribune.

**Agreed With Her.**  
"You ought to have more children," I said to the mother of a single child in a country.  
"True," exclaimed the mother, "but if I had more, I should have to give them more than I can give."—New York Tribune.

**The Way of Wandering.**  
"You're looking there as an only boy."  
"And I will not, I'll never have a girl of the house, so that I can take advantage of the great education."—New York Tribune.

**He Treats the Real.**  
Miss Catherine Clark says: "What do you expect, after five years of married life, Mr. Boyd, Mr. Boyd, well, I—of—course, I know. Why, Miss Catherine, the cook will see to it that you'll be a little while, and I'll tell her what you'll do."—New York Tribune.

**At the Seaside.**  
She—Oh, George, why I've never seen you—Very nice, but poor thing, they're just like me—see both arrive at the shore in splendid style—and go back broke.—Judge.

**Canada Is an Indian Word, meaning "collection of lakes."**

**A Runaway Bicycle.**  
Terminated with an ugly cut on the leg of J. B. Orner, Franklin Grove, Ill. It developed a stubborn ulcer unyielding to doctors and remedies for four years. Then Bucklen's Arnica Salve cured. It's just as good for Burns, Scalds, Skin Eruptions and Piles. 25c, at L. L. Sapp's and W. S. Allen's Drug Stores.

**Scrapbook Minded.**  
"Some men seem to have a scrapbook instead of a mind," says the London Spectator. "All their experiences, however gained, remain disconnected and are merely a selection of oddments, a selection which, however they get older, but which they can make nothing. While they are very young no one perhaps notices their mental misfortune. They display their scraps with pride and receive praise for their quantity and their quality. A good memory is a sufficient equipment for a starter in the race of life, and it is amazing how far it will take a man even when childhood is long past and he has his work to make in the world. Socially speaking, the scrapbook minded have almost always a superficial success. Perhaps the form of scrap exchange in which they excel most is of a personal nature. They forget nothing. They know what So-and-so does, and they know what he or she did and even very likely what his or her grandfather used to do, but as to what he and she actually are, though all the evidence is before them, they can form no estimate. Their store of knowledge does not help them to any moral conviction."

**A Peculiar Animal.**  
Australia's nearest equivalent to the hedgehog is the echidna. It varies in length from twelve to eighteen inches. Its broad, depressed body is mounted on very short, strong legs, terminating in big, powerful claws suited to digging. The small hand terminates in a slender snout. Although the mouth is toothless, the points are studded with recurved spines. The slender, extensible, glutinous tongue is well adapted for the capture of ants and other insects. Still, hedgehog-like spines mixed with long, coarse hairs cover the back. It is stronger in proportion to its size than any other quadruped, and its peculiar build gives it wonderful power in digging. When pursued it is unable to flee to its home burrow if it digs a retreat for the occasion, and if unable to escape entirely underground so compresses itself into its excavation that all the surface presented to its pursuer is a bunch of spines, most unpleasant to attack.

**A Grottesque Dresser.**  
The Rev. Robert Stephen Hawken, the Cornish poet and antiquary, who died in 1875, wore crimson gloves and wading boots up to the hip and was sometimes seen riding on a mule in a poncho, a blanket with holes cut in it for his head and arms. He was asked by a woman about this garment and replied that it was the robe of an "Armenian acclimatist." His ordinary clerical attire consisted of a brown cassock with red buttons, girded with a cincture. This costume was criticized at a paradesant meeting, and he retorted boldly: "At all events, brethren, you will allow me to remark that I do not make myself look like a waiter out of place or an unemployed undertaker and that I do scrupulously abide by the injunction of the seventy-fourth canon of 1862."

**How a Plant Has Traveled.**  
Something like 125 years ago the little plant known to the botanists as Lepachya colummaris was only known to inhabit a small section of country in the very southern portion of Louisiana. Some time later it was reported as occurring sparingly along the Canadian river and later still on the Arkansas. Since that time it has slowly spread north, west and east, even to the very source of the Missouri, over into the British possessions and is now said to be creeping along the Susquehanna toward Hudson bay. How a plant which originated in a warm climate could gradually find its way to such a change in climate of nature's mysteries.

Chamberlain's Stomach and Liver Tablets are becoming a favorite for stomach troubles and constipation. For sale by all Druggists.

**Majorities of the Candidates.**  
Rockingham's Democratic majority for the State ticket is about 778, nearly two hundred more than THE REVIEW'S early reports Tuesday night indicated. Those precincts in the upper end of the county, where there was said to exist so much dissatisfaction, and which estimates were made for, gave bigger Democratic majorities than expected. Sheriff Pinnix leads the ticket, with Glenn his closest second. The vote of the county and Legislative candidates varies from 436 to 818.

The following comparisons will be of interest as they show just what each Democratic candidate's majority is. For President, Parker over Roosevelt, 688.

For Governor, Glenn over Harris, 809. For Lieutenant-Governor, Winston over Meekins, 702.

For Secretary of State, Grimes over Jenkins, 772.

For Auditor, Dixon over Linney, 771. For Treasurer, Lacy over Bailey, 772. For Superintendent Public Instruction, Joyner over Frazier, 779.

For Attorney General, Gilmer over Yarborough, 778.

For Commissioner Labor and Printing, Varner over Hamrick, 779.

For Member Corporation Commission, Rogers over Abbott, 779.

For Commissioner of Agriculture, Patterson over Dixon, 779.

For Associate Justice Supreme Court, Brown over Montgomery, 778; Hoke over Douglas, 778.

For Judge Supreme Court, Ward over Pickard, 781.

For Congress, Kitchin over Reynolds, 764.

For the Senate, Burton over Simpson, 583.

For the House, Humphreys over Foster, 624; Stokes over Tucker, 652.

For Sheriff, Pinnix over Malloy, 817. For Registrar of Deeds, Scales over Barker, 436.

For Surveyor, Gibbs over Baker, 741. For Coroner, Sharp over Slate, 737. For Commissioners, the average majority is about 710.

**Healthy Mothers**  
Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Boesche's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough-racked consumptive. New trial bottles, 25c; large size, 75c. At all druggists.
