For 20 years this office has been paying out money for FIRES, ACCIDENTS and DEATHS. We have, in that time, rebuilt homes by the hundreds, saved scores of men from financial ruin, and paid widows and orphans in Rockingham and Caswell counties more than all the other Life Insurance Companies combined.

## MR. DUKE'S FUNERAL

### VEHICLES EXHAUSTED IN LONG PROCESSION

Floral Offerings Estimated To Have Cost Five Thousand Dollars—Not a Business House in Durham Open While Funeral Was In Progress—Floral Designs Sent From New York by the Three Sons of the Deceased Were the Most Beautiful Ever Seen in Durham.

Durham, N. C., May 10.—All Durham paused today to pay honor to the memory of Washington Duke. All business activity ceased and during the time that the funeral was on thousands upon thousands of people gathered at Main Street Methodist church and in that vicinity and at Maplewood cemetery to pay a last respect to the memory of the deceased. Never before in the history of Durham has there been such an outpouring of the citizenship to pay honor to the memory of man.

A conservative estimate is that fifteen thousand people were at the cemetery and along the line followed by the procession. The cemetery and that vicinity was a block of humanity, thousands not being able to get within the hearing of the voices of the speakers.

The procession was of such length that almost a half hour was required for it to pass a given point. All vehicles of a public nature and most of the private conveyances in the city were called into use and in addition to these quite a number of carriages came up from Raleigh last night and assisted in handling the large crowd. All street cars on the traction line gathered in front of the church to carry the throng to the cemetery.

The request of the mayor and board of aldermen that business houses close during the funeral was carried out to the letter. There was not a business house in the city too large or too small to heed the request. All factories and large manufacturing plants, with the banks and similar institutions closed for the entire day.

The floral offering sent in memory of Mr. Duke was probably the largest in the history of any funeral in the state. To go into details as to the number and character of the beautiful and elaborate designs sent would be to fill columns of space. The most beautiful and costly design ever seen in flowers here was that sent by the three sons of the deceased. This was made in New York and reached here this morning with the party that came on the special car. At the home the flowers filled two rooms and were moved from there to the cemetery in two horse wagons, these being draped in black. Five wagons were required to move the flowers, the wagons being piled full of flowers. The designs came from all parts of the country. A great many were sent by Durham people. There were other from almost every city in this state and from many of the larger northern cities. Richmond sent a half car load of designs and the florist who prepared the designs came with the car and saw that the

Main Street church was packed as long as there was room to stand. Many thousands could not enter the church. Seats were reserved for members of the family and out-of-town guests who came here to attend the funeral. The service was not very long, but was impressive and touching. Dr. E. A. Yates, who is a member of the Trinity faculty, led in prayer and Rev. T. A. Smoot, pastor of the church, read one of the lessons and assisted otherwise in the service.

Dr. J. C. Kilgo delivered the eulogy in memory of Mr. Duke. He spoke for about thirty minutes and it was one of the most beautiful tributes that could be paid to any man. He referred to the life of the deceased and then to the great work he had done.

At the cemetery Rev. W. L. Cunningham, formerly pastor of Main Street church but now of Goldsboro, read the burial service. But few of those who gathered to attend the funeral could get within hearing distance of the voices. Flowers were delivered in proper shape. Forty or fifty designs came from the great New York florists. It is said by people who are familiar with the cost of flowers such as the kind sent in memory of Mr. Duke that there was a small sized fortune represented in these alone. Several say that probably five thousand dollars worth of flowers were sent. The designs were placed in the Duke mausoleum, so far as the building would hold them, and were then placed about the building.

In the funeral and burial Trinity College, Trinity Park school, the city officials, county officials, fire department took part in organized form. First came the members of the faculty of Trinity College, these being followed by members of the faculty of the Trinity Park School, then followed the students of the two colleges, marching in twos. These were followed by the city officials, mayor, board of aldermen and other officials. Then came the pall-bearers, followed by the bears and their members of the family in carriages, friends of the family and visitors, members of the

board of trustees, the procession being a very long one.

Quite a number of the members of the board of trustees were present and attended the funeral. Among those present were the following: Hon. J. A. Long, of Roxboro; Senator F. M. Simmons, J. F. Bruton, of Wilson; Dr. T. N. Ivy, of Raleigh; Mr. Turrentine, of Alamance; Major P. H. Hanes, of Winston; Mr. J. G. Brown, Raleigh; Rev. J. N. Cole, Rockingham; Dr. W. G. Bradshaw, High Point; Dr. E. T. White, Oxford; Hon. H. A. Page, Aberdeen.

In addition to these out of town people a party of thirty came in from New York this morning, traveling in a private car, these being officials of the American Tobacco Company. Others here were Rev. J. W. Jenkins, of Raleigh, Dr. G. T. Winston, Raleigh, Mr. and Mrs. Staples Fuller, and Miss Fuller, of Raleigh, Maj. J. W. Jenkins, of Hillsboro, Dr. A. T. Cotton, of Raleigh, J. E. Erwin, Oxford, J. Locke Erwin, Morganton, J. W. Zaekary and T. V. Terrell, Coolemeec, Dr. G. H. Detwiler, Charles H. Ireland, and C. A. Bray, Greensboro, John D. Cooper, Henderson, Rev. W. L. Cunningham, Goldsboro, George Hill, South Boston, Thomas H. Webb, Duke, E. P. Davis, Duke, Lawrence S. Holt, Burlington, and many others.

At Duke and Coolemeec, the cotton mills closed during the hour of the funeral and at the first named place memorial services were held in which the different denominations joined. At Oxford the mill also closed during the service, and at Coolemeec all the bells of the various churches were tolled during the hour.

### LARGE LUMBER CONTRACT.

Snow Lumber Company Makes a Contract For Fifteen Million Feet.

High Point, N. C., May 10.—The Snow Lumber Company, of this place, has closed a deal for one of the biggest contracts for lumber ever made in this state. The contract is for 15,000,000 feet of sawed lumber, to be delivered in three years for which Snow Lumber Company will pay \$150,000. Mr. R. F. Dalton went to Montgomery county yesterday to close the deal.

The National Realty Company conducted a land sale here yesterday on the Burns property. Most of the property lies just outside the incorporation but notwithstanding this disadvantage the price paid for the lots was considered a very good figure. Land in High Point is bringing big prices, town lots well located readily sell for \$50 a front foot while in the main portion of the city \$200 to \$300 a front foot has been secured several times lately, on which to build storehouses and other places of business to rent.

The postoffice aspirants have awoke from their comatose state since President Roosevelt has started home from his hunting trip. The matter had quieted down to some extent with the leaving of the president for the west as it was known nothing would be doing until his return. Now since the chief executive of the nation will be at home last of the week it is believed the appointment will be forthcoming in a very few days.

An employee at the Southern Car Works met with a serious accident yesterday. Dr. Burrus, the attending physician, sewed up the wounds and the patient is doing alright at present.

### The Richest Man in the World.

The richest man in the world cannot have his kidneys replaced nor live without them, so it is important not to neglect these organs. If Foley's Kidney Cure is taken at the first sign of danger, the symptoms will disappear and your health will be restored, as it strengthens and builds up these organs as nothing else will. Oscar Bowman, Lebanon, Ky, writes: "I have used Foley's Kidney Cure and take great pleasure in stating that it cured me permanently of kidney disease, which certainly would have cost me my life."—Brittain's Drug Store.

### Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernandez of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at W S Allen and L L Sapp drug store; price 50c.

## GEN. GLENN IS BETTER

### SAVED FROM SECOND STROKE OF PARALYSIS

Wanted to Take Up His Work Yesterday But Was Forbidden By Governor—Bids For State Bonds Opened and the Most Favorable Ones Accepted—Gov. Glenn to Address Editors at Asheville.

Raleigh, N. C., May 10.—Bids for the \$250,000 4 per cent bonds for the settlement of the South Dakota judgment and the Shaffer Bros. holdings of old North Carolina bonds of the same class as the South Dakota judgment were opened in the office of the state treasurer today at noon and the bonds awarded to Townsend Scott & Co., of Baltimore and C. A. Webb & Co., of Asheville, as the highest bidders, their bid being 106.176 flat. This bid amounts to a premium of \$15,440 so that the bonds bring in to the state \$265,440 for the \$250,000 issue.

Governor Glenn has accepted an invitation to deliver the address of welcome on the part of North Carolina to the Virginia Press Association when they meet with the North Carolina Association at Asheville July 5 and 6. This will be the largest assemblage of editors that has ever come together in this state.

Gen. Jas. D. Glenn is reported much improved today and the attending physicians pronounce him entirely out of danger. His trouble yesterday is thought to have been a rush of blood to his head and prompt and heroic treatment by physicians is thought to have been all that saved him from a second stroke of paralysis such as he suffered just a year ago. He wanted to go out today and resume the duties of private secretary to Governor Glenn but the governor would not permit it and insisted that he take much needed rest for a few days.

Capt. W. H. Day left this morning with the Capt. T. W. Mason for the latter's home in Northampton County where he will spend some time as Capt. Mason's guest. He is recovering steadily but rather slowly from the stroke of paralysis that he suffered some months ago.

There are two hundred delegates here attending the North Carolina Grand Lodge of Odd Fellows which convened last night and will continue in session through tomorrow.

Governor Glenn was billed for an address at Fayetteville last night on the occasion of the closing of the graded schools and to speak to the confederate veterans today in connection with the Fayetteville observance of Memorial Day but was obliged to cancel both engagements because of the serious illness of his brother and private secretary, Gen. Jas. D. Glenn.

The principal feature of the observance of Memorial Day here was the delivery of an address on "Manly's Battery" by Col. W. E. Sanders, who was a member of the battery.

### Pension Law Change.

It will be interesting to the Confederate soldiers and widows to know the changes made in the pension law by the last Legislature, which increased the annual appropriation from \$200,000 to \$275,000. The classes and amounts to each are now as follows:

1. To such as have received a wound that renders them totally incompetent to perform manual labor in the ordinary vocations of life, \$60.
2. To such as have lost a leg above the knee or an arm above the elbow, \$45.
3. To such as have lost a foot or a leg below the knee, or a hand or arm below the elbow, or have a leg or arm utterly useless, \$35.
4. To such as have lost an eye, and the widows and all other soldiers who are now three-fourths disabled from any cause, \$20.

Moreover, the county boards of pensions are empowered to place upon the pension roll any Confederate veteran or widow disqualified by the \$500 property clause, who may appear to be unable to earn a living from property valued at as much as \$500. This clause allowing the board discretionary powers will be of much benefit to many old soldiers and widows who have been hitherto debarred from receiving pensions because they were disqualified by the property clause.

### A Good Suggestion.

Mr. C. B. Wainwright of Lemon City Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in case of pains in the stomach, colic and cholera by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by Geo. W. Brittain.

A barrel of money will be given away at the show tomorrow night.
